

TruTrace Technologies Closes Second Tranche of Private Placement

VANCOUVER, Sept. 13, 2019 /CNW/ - **TruTrace Technologies Inc.** (CSE: TTT) (OTCQB: TTTSF) ("**TruTrace**" or the "**Company**") today announced that it has closed a second tranche (the "**Second Tranche**") of a non-brokered private placement financing (the "**Financing**"). The Second Tranche consisted of 840,950 units (each, a "**Unit**") of the Company at a price of \$0.25 per Unit for gross proceeds of \$210,237.50. Each Unit consists of one common share and one non-transferable common share purchase warrant (each, a "**Warrant**"). Each Warrant entitles the holder to purchase one additional common share at a price of \$0.30 per common share for a period of three (3) years from the closing of the Financing. To date, the Company has raised gross proceeds of \$720,237.50 from the first tranche of the Financing and the Second Tranche. The Company expects to close a third tranche of the Financing in a timely manner.

The Company issued 26,400 Shares and 26,400 Warrants to certain finders in connection with the closing of the Second Tranche.

The Company intends to use the funds received from the Second Tranche for general working capital.

All securities issued in the Second Tranche are subject to a statutory hold period expiring January 14, 2020.

About TruTrace Technologies:

TruTrace Technologies has developed the first integrated blockchain platform to register and track intellectual property in the cannabis industry. TruTrace's technology allows cannabis growers and breeders to identify and secure rights to their intellectual property. It also streamlines the administrative process and reduces the costs of genetic and mandatory quality-control testing for legal cannabis. TruTrace's technology is proprietary, immutable and cryptographically secure, thereby establishing an accurate and permanent account for cannabis strains from ownership to market.
