1177 West Hastings Street, Suite 2000
Vancouver, BC V6E 2K3

**GORILLA MINERALS CORP. REORGANIZATION
CONSOLIDATION OF CAPITAL COMPLETED**

Vancouver, BC, April 29, 2014 – Gorilla Minerals Corp. (“Gorilla” and the “Company”) announced, further to its April 17, 2014 news release, that it has consolidated its authorized, issued and outstanding common shares at a consolidation ratio of 1:10 (1 new share for every 10 current shares) resulting in approximately 1,287,248 post-consolidated Gorilla shares being issued and outstanding. Gorilla has not changed its name in connection with the completion of the consolidation. Shareholders will receive a letter of transmittal from the Company’s transfer agent.

The Company consolidated its capital in order to facilitate future financings towards carrying out further exploration of the Company's Yukon gold property, potential acquisitions, and for working capital.

Forward-Looking Information:

This press release may include “forward-looking information” (as that term is defined by Canadian securities legislation), concerning the Company’s business. Forward-looking information is based on certain key expectations and assumptions made by the Company’s management, including future plans for the exploration and development of its mineral properties. Although the Company believes that such expectations and assumptions are reasonable, investors should not rely unduly on such forward-looking information as the Company can give no assurance they will prove to be correct. Forward-looking statements in this press release are made as of the date of this press release. The Company disclaims any intent or obligation to publicly update any forward-looking information (whether as a result of new information, future events or results, or otherwise) other than as required by applicable securities laws.
