GORILLA MINERALS CORP. APPOINTS ROGER BETHELL AS A DIRECTOR

Vancouver, BC, August 14, 2014 – Gorilla Minerals Corp. (“Gorilla” or the “Company”) is pleased to announce that it appointed Roger Bethell as a director of Gorilla on August 11, 2014. This appointment fills the casual vacancy created by the resignation of Ranj Pillai as a director which was effective July 30, 2014.

Roger Bethell is a self-employed consulting geologist with over 45 years of experience. He has worked with several public companies. Roger is the Chief Executive Officer and President of Cantel Mining & Exploration Ltd. In addition, Roger is a director of Range Energy Resources Inc., a company listed on the Canadian Securities Exchange, where he has been a director since 2010. Roger also holds the position of director of High North Resources Ltd., a position he has held since 2013. From 1998 until 2008, Roger was the Chairman, President and a Member of Audit Committee for Paramax Resources Inc., an oil and gas exploration company trading on the TSX Venture Exchange. Roger has served as a Consultant on a number of international projects which include offshore Vietnam, Kazakhstan, the delta project in Nigeria and projects in Alberta and Saskatchewan, Canada. He received a B.Sc. (Hons.) in 1965 from the University of Wales (Cardiff).

Forward-Looking Information:

This press release may include “forward-looking information” (as that term is defined by Canadian securities legislation), concerning the Company’s business. Forward-looking information is based on certain key expectations and assumptions made by the Company’s management, including future plans for the exploration and development of its mineral properties. Although the Company believes that such expectations and assumptions are reasonable, investors should not rely unduly on such forward-looking information as the Company can give no assurance they will prove to be correct. Forward-looking statements in this press release are made as of the date of this press release. The Company disclaims any intent or obligation to publicly update any forward-looking information (whether as a result of new information, future events or results, or otherwise) other than as required by applicable securities laws.
