**Forward-Looking Information:**

This news release may include “forward-looking information” (as that term is defined by Canadian securities legislation). All information, other than statements of historical fact, included or incorporated by reference in this news release is forward-looking information, including, without limitation, information regarding activities, events or developments that Gorilla Minerals expects or anticipates may occur in the future. This forward-looking information can be identified by the use of forward-looking words such as “will”, “expect”, “intend”, “plan”, “estimate”, “anticipate”, “believe” or “continue” or similar words or the negative thereof.

Forward-looking information is based on certain key expectations and assumptions made by Gorilla Minerals' management, including future plans for the exploration and development of its mineral properties, and is subject to a number of uncertainties and other factors that could cause actual results to differ materially from those expressed or implied by such forward-looking information. These factors include general economic and market conditions, changes in law, regulatory processes, the status of Gorilla Minerals' assets and financial condition, actions of competitors and the ability to implement business strategies and pursue business opportunities. Although Gorilla Minerals believes that such expectations and assumptions are reasonable, investors should not rely on such forward-looking information as Gorilla Minerals can give no assurance they will prove to be correct. Forward-looking information in this news release is disclosed as of the date hereof. Gorilla Minerals disclaims any intent or obligation to publicly update any forward-looking information (whether as a result of new information, future events or results, or otherwise) other than as required by applicable securities laws.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described herein in the United States. The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended, or any applicable securities laws or any state of the United States and may not be offered or sold in the United States or to the account or benefit of a person in the United States absent an exemption from the registration requirements.
