Management Solicitation

The solicitation of proxies by management of Go Cobalt will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of Go Cobalt. Go Cobalt does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that Go Cobalt has requested brokers and nominees who hold stock in their respective names to furnish the proxy-related materials to their customers, and Go Cobalt will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by Go Cobalt. No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by Go Cobalt. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth

herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Go Cobalt has arranged for intermediaries to forward the Meeting materials to beneficial owners of Go Cobalt Shares (the "**Beneficial Shareholders**") held of record by those intermediaries. Go Cobalt has distributed or made available for distribution, copies of the Notice, this Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the "**Intermediaries**") for distribution to Beneficial Shareholders held of record by those Intermediaries. An objecting Beneficial Shareholder will not receive such materials unless the objecting Beneficial Shareholder's Intermediary assumes the cost of delivery.

These proxy-related materials are being sent to both registered and non-registered Shareholders. If you are a non-registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your Go Cobalt Shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. On a show of hands, every Shareholder is entitled to one vote for each Go Cobalt Share that such Shareholder holds on the record date of July 25, 2018 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The list of Registered Shareholders is available for inspection during normal business hours at the offices of National Issuer Services and will be available at the Meeting.

The persons named as proxyholders (the "**Designated Persons**") in the enclosed form of proxy are directors and/or officers of Go Cobalt.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by Go Cobalt's registrar and transfer agent, National Issuer Services at their offices located at 760 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, by mail, or by fax at 604-559-8908, or by email at proxy@transferagent.ca, no later than 10:00 am on Monday, August 27, 2018, or at least 48 hours (excluding Saturdays, Sundays and

holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxy

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to Go Cobalt at the address set forth above, at any time up to and including the last Business Day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Go Cobalt Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Go Cobalt Shares represented will be voted or withheld from the vote on that matter accordingly. **The Go Cobalt Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Go Cobalt Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE BOARD FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the Designated Persons with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of Go Cobalt is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Go Cobalt Shares on any matter, the Go Cobalt Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold shares in their own name. Beneficial Shareholders who do not hold their shares in their own name should note that only proxies deposited by Shareholders whose names appear on the records of Go Cobalt as the registered holders of Go Cobalt Shares can be recognized and acted upon at the Meeting. If Go Cobalt Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Go Cobalt Shares will not be registered in the Shareholder's name on the records of Go Cobalt. Such Go Cobalt Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Go Cobalt Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Go Cobalt Shares are communicated to the appropriate person well in advance of the Meeting.**

Go Cobalt does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Go Cobalt Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to Registered Shareholders by Go Cobalt. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Go Cobalt Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Go Cobalt Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Go Cobalt Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Go Cobalt Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Go Cobalt Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for a Registered Shareholder and vote the Go Cobalt Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Go Cobalt Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the proxy well in advance of the Meeting to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent).

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his, her or its Go Cobalt Shares.

The number of directors will be approved if the affirmative vote of the majority of Go Cobalt Shares present or represented by proxy at the Meeting and entitled to vote, are voted in favour to set the number of directors at four (4). **Management recommends the approval of the resolution to set the number of directors of Go Cobalt at four (4).**

Oversight and Description of Named Executive Officer and Director Compensation

The Board is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the executive officers of Go Cobalt. Go Cobalt at this time does not have a formal compensation program with specific performance goals; however, the performance of each executive is considered along with Go Cobalt's ability to pay compensation and its results of operation for the period. Go Cobalt presently has one NEO, Scott Sheldon. Mr. Sheldon has served as CEO, CFO, President and Director of Go Cobalt since April 27, 2012.

However, our directors are required by law to act honestly and in good faith with a view to our best interests and to disclose any interests which they may have in any of our projects or opportunities. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not we will participate in any project or opportunity, that director will primarily consider the degree of risk to which we may be exposed and our financial position at that time.

To the best of our knowledge, there are no known existing or potential conflicts of interest among us and our promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of such other companies.

Orientation and Continuing Education

The Board of Go Cobalt briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any continuing education, but does encourage directors to individually and as a group keep themselves informed on changing corporate governance and legal issues. Directors are individually responsible for updating their skills as required to meet their obligations as directors. In addition, the Board undertakes strategic planning sessions with management.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by Go Cobalt's governing corporate legislation and the common law of Canada and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of Go Cobalt.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of Shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to Go Cobalt, the ability to devote the required time, show support for Go Cobalt's mission and strategic objectives, and a willingness to serve.

Compensation

The Board conducts reviews with regard to the compensation of the directors and CEO once a year. To make its recommendations on such compensation, the Board informally takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

At present, no compensation is paid to the directors of the Company in their capacity as directors. The Board does not currently have a compensation committee.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees. The Board is currently responsible for assessing its own effectiveness, the effectiveness of individual directors and the effectiveness of the Audit Committee.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed elsewhere in this Circular, no director or executive officer of Go Cobalt who was a director or executive officer since the beginning of Go Cobalt's last financial year, each proposed nominee for election as a director of Go Cobalt, or any associate or affiliates of any such directors, officers or nominees, has any material interest, direct or indirect, by way of beneficial ownership of Go Cobalt Shares or other securities in Go Cobalt or otherwise, in any matter to be acted upon at the Meeting other than the election of directors.

APPOINTMENT OF AUDITOR

At the Meeting, Shareholders will be asked to pass an ordinary resolution re-appointing Adam Sung Kim Ltd. as the auditor to hold office until the next annual meeting of the Shareholders or until such firm is removed from office or resigns as provided by law and to authorize the Board to fix the remuneration to be paid to the auditor. Adam Sung Kim Ltd., of Vancouver, British Columbia has served as the auditor for Go Cobalt since October of 2013.

Management recommends that Shareholders vote for the approval of the re-appointment of Adam Sung Kim Ltd. as the auditor for Go Cobalt for the ensuing year at a remuneration to be fixed by the Board.

RATIFICATION OF ACTS OF DIRECTORS

Shareholders will be asked to ratify and approve all acts and deeds of directors, acting in good faith on behalf of Go Cobalt, since the last annual general meeting of the Shareholders.

Management recommends that Shareholders vote for the approval of the ratification of acts of directors.

SUMMARY OF ARRANGEMENT

The purpose of the Plan of Arrangement is to restructure the Company by transferring the New Brenda Property (as described below) to its wholly-owned subsidiary, Spinco (Flow Metals Corp.), in consideration of Spinco Shares, and to distribute the Spinco Shares to the Shareholders (other than Dissenting Shareholders). As a result of the foregoing, on the completion of the Plan of Arrangement, two companies will exist, the Company and Spinco, and Spinco will become a reporting issuer in British Columbia, Alberta and Ontario.

The Plan of Arrangement will occur by statutory arrangement under Division 5 of Part 9 of the BCBCA involving the Company and Spinco. The principal features of the Plan of Arrangement are summarized below, and the following is qualified in its entirety by reference to the full text of the Arrangement Agreement and the Plan of Arrangement attached as Schedule "A" to the Arrangement Agreement, which may be reviewed on SEDAR at www.sedar.com under the Company's profile. The Plan of Arrangement is also attached as Schedule "B" to this Circular.

Steps of the Arrangement

Pursuant to the Arrangement, and in a transaction outside the ordinary course of its business, Go Cobalt will reorganize its business by transferring to Spinco the New Brenda Property in exchange for proceeds of disposition consisting of a number of Spinco Shares based on one Spinco Share being issued for every six Go Cobalt Shares that are held by Shareholders on the Share Distribution Record Date. Go Cobalt will distribute the Spinco Shares to the Shareholders, other than Dissenting Shareholders, as return of paid-up capital in respect of the existing issued Go Cobalt Shares.

Each Shareholder of record as of the Share Distribution Record Date, other than a Dissenting Shareholder, will, immediately after the Arrangement, hold both Go Cobalt Shares and Spinco Shares distributed under the Arrangement on the basis of one Spinco Share for every six Go Cobalt Shares held. See "The Arrangement – Details of the Arrangement".

Recommendation and Approval of the Board of Directors

The Board has unanimously concluded that the terms of the Arrangement are fair and reasonable to, and in the best interests of, the Company and the Shareholders. The Board has therefore approved the Arrangement and authorized the submission of the Arrangement to the Shareholders and the Court for approval. The Board recommends that Shareholders vote FOR the approval of the Arrangement. See "The Arrangement – Recommendation of Directors".

Benefits of the Arrangement

The Board believes that holding and developing the New Brenda Property in a separate public company offers benefits to the Company and the Shareholders, including the following:

1. The Arrangement will allow the Company to focus on the exploration and development of the Monster Property.

2. The Company can avoid dilution of Go Cobalt Shares held by Shareholders that would result from financing the New Brenda Property in the Company.
3. The Arrangement will allow the Shareholders to participate in the further exploration of the New Brenda Property through a separate public company.
4. It is expected that holding the Monster Property in Go Cobalt and the New Brenda Property in Spinco will accelerate development of the properties.
5. The Arrangement is expected to maximize shareholder value by allowing the market to value each property independently of the other property.
6. Because Go Cobalt and Spinco will be focused on separate exploration properties with separate metal prospects, they will be more readily understood by public investors, allowing each company to be better positioned to raise capital and align management and employee incentives with the interests of shareholders.

Effect of the Arrangement on Go Cobalt Share Commitments

1. As of the Effective Date, the outstanding Go Cobalt Share Commitments will be exercisable to acquire Spinco Shares as well as GOCO Shares on the basis that the holder will receive, upon exercise, one Spinco Share for every six Go Cobalt Shares so acquired. No fractional Spinco Shares will be distributed to the Shareholders or the holders of Go Cobalt Share Commitments and as a result all fractional share amounts will be rounded down to the nearest whole number.
2. Spinco has agreed, pursuant to the Spinco Commitment, to issue the required number of Spinco Shares upon the exercise of Go Cobalt Share Commitments as is directed by Go Cobalt.
3. The Company will, as the agent of Spinco, collect and pay to Spinco a portion of the proceeds received for each Go Cobalt Share Commitment so exercised, with the balance of the exercise price to be retained by Go Cobalt.
4. No fractional Spinco Shares will be distributed to the holders of Go Cobalt Share Commitments and as a result all fractional share amounts will be rounded down to the nearest whole number.

Conduct of Meeting and Shareholder Approval

The Interim Order provides that in order for the Arrangement to proceed, the Arrangement Resolution must be passed, with or without variation, by at least 66 and 2/3rds of the eligible votes cast with respect to the Arrangement Resolution by Shareholders present in person or by proxy at the Meeting. See "The Arrangement – Shareholder Approval".

Court Approval

The Arrangement requires the approval of the Court. Prior to the mailing of this Circular and other proxy-related materials, the Company obtained the Interim Order authorizing the calling and holding of the Meeting and providing for certain other procedural matters. The Interim Order does not constitute approval of the Arrangement or the contents of this Circular by the Court.

The Notice of Hearing of the Petition with respect to the Final Order is attached to this Circular as Schedule "D". In hearing the petition for the Final Order, the Court will consider, among other things, the fairness of the Arrangement to the Shareholders. Assuming approval of the Arrangement by the Shareholders at the Meeting, the hearing for the Final Order is scheduled to take place at 9:45 a.m. (Vancouver time) on or after September 10, 2018, at the Courthouse located at 800 Smithe Street, Vancouver, British Columbia. At this hearing, any Shareholder or director, creditor, auditor or other interested party of the Company who wishes to participate or to be represented or who wishes to present

evidence or argument may do so, subject to filing an application response and satisfying certain other requirements. See “The Arrangement – Court Approval of the Arrangement”.

Certain Canadian Federal Income Tax Considerations

Canadian federal income tax considerations for Shareholders who participate in the Arrangement or who dissent from the Arrangement are set out in the summary entitled “Certain Canadian Federal Income Tax Considerations”.

Shareholders resident in Canada or elsewhere should carefully review the tax considerations applicable to them under the Arrangement and are urged to consult their own legal, tax and financial advisors in regard to their particular circumstances.

Right to Dissent

Registered Shareholders have the right to dissent with respect to the proposed Plan of Arrangement and to be paid the fair value of their Go Cobalt Shares upon strict compliance with the provisions of the Interim Order and applicable law. See “Rights of Dissenting Shareholders”. It is a condition of the Plan of Arrangement that Dissent Rights will not have been exercised for more than 5% of the outstanding Go Cobalt Shares.

Stock Exchange Listing

The Go Cobalt Shares will continue to be listed on the CSE following completion of the Arrangement.

The Spinco Shares will not be listed on the CSE as a result of the completion of the Arrangement, however, management of Spinco is considering applying to list the Spinco Shares on the CSE in future.

Information Concerning the Company and Spinco after the Arrangement

Following completion of the Arrangement, the Company will continue to carry on its primary business activities and will focus on the Monster Property. See “The Company after the Arrangement” for a summary description of the Company assuming completion of the Arrangement.

Following completion of the Arrangement, each Shareholder of record as of the Share Distribution Record Date (other than a Dissenting Shareholder) will hold one Spinco Share for every six Go Cobalt Shares held before the Effective Date. No fractional Spinco Shares will be distributed to the Shareholders or the holders of Go Cobalt Share Commitments and as a result all fractional share amounts will be rounded down to the nearest whole number. Any Spinco Shares not distributed as a result of this rounding down will be dealt with as determined by the Board in its absolute discretion. Each Shareholder will continue to be a Shareholder of Go Cobalt. Spinco will own all of Go Cobalt's right, title and interest in the New Brenda Property and will conduct further exploration on the New Brenda Property. See “Spinco after the Arrangement” for a description of the New Brenda Property, Spinco's corporate structure and business, including selected unaudited pro-forma financial information of Spinco assuming completion of the Arrangement.

Risk Factors

In considering whether to vote for the approval of the Arrangement, Shareholders should be aware that there are various risks, including those described in the section entitled “Risk Factors” in this Circular. Shareholders should carefully consider these risk factors, together with other information included in this Circular, before deciding whether to approve the Arrangement.

THE ARRANGEMENT

General

The Arrangement has been proposed to facilitate the separation of the Company's primary exploration activities on the Monster Property from exploration activities on the New Brenda Property. Pursuant to the Arrangement, the Company will transfer the New Brenda Property to Spinco, currently its wholly-owned subsidiary, in consideration of the issuance of Spinco Shares on the basis of one Spinco Share for every six Go Cobalt Shares issued and outstanding on the Share Distribution Record Date. No fractional Spinco Shares will be distributed to the Shareholders or the holders of Go Cobalt Share Commitments and as a result all fractional share amounts will be rounded down to the nearest whole number. Any Spinco Shares not distributed as a result of this rounding down will be dealt with as determined by the Board in its absolute discretion. Following the Arrangement, the Company will continue to focus on further evaluation and exploration of the Monster Property and Spinco will focus on exploration of the New Brenda Property.

See “The Company After the Arrangement” for more information regarding the Monster Property. See “Spinco After the Arrangement” for more information regarding the New Brenda Property.

Benefits of the Arrangement

The Board believes that holding and developing the New Brenda Property in a separate public company offers benefits to the Company and the Shareholders, including the following:

1. The Arrangement will allow the Company to focus on the exploration and development of the Monster Property.
2. The Company can avoid dilution of Go Cobalt Shares held by Shareholders that would result from financing the New Brenda Property in the Company.
3. The Arrangement will allow the Shareholders to participate in the further exploration of the New Brenda Property through a separate public company.
4. It is expected that holding the Monster Property in Go Cobalt and the New Brenda Property in Spinco will accelerate development of the properties.
5. The Arrangement is expected to maximize shareholder value by allowing the market to value each property independently of the other property.

6. Because Go Cobalt and Spinco will be focused on separate exploration properties with separate metal prospects, they will be more readily understood by public investors, allowing each company to be better positioned to raise capital and align management and employee incentives with the interests of shareholders.

Recommendation of Directors

After careful consideration, the Board has unanimously concluded that the terms of the Arrangement are fair and reasonable to, and in the best interests of, the Company and the Shareholders, and recommends that the Shareholders vote FOR the Arrangement Resolution at the Meeting. The Board has therefore approved the Arrangement and authorized the submission of the Arrangement to the Shareholders and the Court for approval. In reaching this conclusion, the Board considered, among other things, the benefits of the Arrangement to the Company and the Shareholders, the fairness of the Arrangement to the Shareholders, as well as the financial position, opportunities and future potential of the Company and Spinco.

Fairness of the Arrangement

The Arrangement was determined by the Board to be fair to the Shareholders based upon the following factors, among others:

1. the procedures by which the Arrangement will be approved, including the requirement for 66 and 2/3rds Shareholder approval and approval by the Court after a hearing at which fairness will be considered;
2. the possibility of pursuing a proposed listing of the Spinco Shares, on a stock exchange and the continued listing of the Go Cobalt Shares on the CSE;
3. the opportunity for Shareholders who are opposed to the Arrangement, upon compliance with certain conditions, to dissent from the approval of the Arrangement in accordance with the Interim Order, and to be paid fair value for their Go Cobalt Shares; and
4. each Shareholder of record as of the Share Distribution Record Date, other than a Dissenting Shareholder, will participate in the Arrangement on a *pro-rata* basis and, upon completion of the Arrangement, will continue to hold substantially the same *pro-rata* interest that such Shareholder held in the Company prior to completion of the Arrangement and a substantial *pro-rata* interest in Spinco through its direct holdings of Spinco Shares rather than indirectly through the Company's holding of Spinco Shares.

Steps of the Arrangement

The following description of the Arrangement is qualified in its entirety by reference to the full text of the Arrangement Agreement, which may be reviewed on SEDAR at www.sedar.com under the Company's profile, and the Plan of Arrangement, which is attached as Schedule "A" to the Arrangement Agreement and also as Schedule "B" to this Circular. Each of these documents should be read carefully in their entirety.

Pursuant to the Plan of Arrangement, except for Dissent Shares, and in a transaction outside the ordinary course of its business, the following principal steps will occur and be deemed to occur in the following chronological order as part of the Arrangement:

- (a) Go Cobalt will reorganize its business by transferring the New Brenda Property to Spinco in consideration for proceeds of disposition consisting of Spinco Shares on the basis of one Spinco Share for every six Go Cobalt Shares that are issued and outstanding on the Share Distribution Record Date, and Go Cobalt will be added to the central securities register of Spinco as the only holder of such Spinco Shares;

- (b) the 100 Spinco Shares held by Go Cobalt prior to the step described in (a) above will be cancelled;
- (c) Go Cobalt will distribute to the Shareholders of record (other than Dissenting Shareholders) on the Share Distribution Record Date all of the Spinco Shares (excluding those Spinco Shares held by Go Cobalt which will have been cancelled in the step described in (b) above) by way of a reduction of the paid-up capital of Go Cobalt, in accordance with the terms of the Plan of Arrangement, and Go Cobalt will be removed from the central securities register of Spinco;
- (d) upon completion of the transactions set forth above, each Shareholder of record as of the Share Distribution Record Date, other than a Dissenting Shareholder, will hold both GOCO Shares and Spinco Shares on the basis of one Spinco Share for every six Go Cobalt Shares held; and
- (e) the Spinco Shares distributed to the Shareholders pursuant to (c) above will be registered in the names of such Shareholders and appropriate entries will be made in the central securities register of Spinco.

Each Dissent Share in respect of which a Shareholder has validly exercised the Dissent Right in accordance with the Dissent Procedures will be deemed to have been repurchased by Go Cobalt for cancellation in consideration for a debt-claim against Go Cobalt to be paid the fair value of such Dissent Share in accordance with the Plan of Arrangement, net of any applicable withholding tax, and such Dissent Share will be cancelled. See "Rights of Dissenting Shareholders".

Effect of the Arrangement on Go Cobalt Share Commitments

1. As of the Effective Date, the outstanding Go Cobalt Share Commitments will be exercisable, in accordance with the corporate reorganization provisions of such securities, to acquire Spinco Shares as well as GOCO Shares on the basis that the holder will receive, upon exercise, one Spinco Share for every six Go Cobalt Shares so acquired.
2. Spinco has agreed, pursuant to the Spinco Commitment, to issue the required number of Spinco Shares upon the exercise of Go Cobalt Share Commitments as is directed by Go Cobalt.
3. The Company will, as the agent of Spinco, collect and pay to Spinco a portion of the proceeds received for each Go Cobalt Share Commitment so exercised, with the balance of the exercise price to be retained by Go Cobalt.
4. No fractional Spinco Shares will be issued to the holders of Go Cobalt Share Commitments and all fractional Spinco Shares will be rounded down to the nearest whole number.

For information concerning the number of outstanding Go Cobalt Share Commitments as at the date of this Circular, see "The Company after the Arrangement – Changes in Share Capital".

Authority of the Board

By passing the Arrangement Resolution, the Shareholders will also be giving authority to the Board to use its best judgment to proceed with and cause the Company to complete the Arrangement without any requirement to seek or obtain any further approval of the Shareholders.

The Arrangement Resolution also provides that the Plan of Arrangement may be amended by the Board before or after the Meeting without further notice to Shareholders. The Board has no current intention to amend the Plan of Arrangement, however it is possible that the Board may determine that it is appropriate that amendments be made.

Conditions to the Arrangement

The Arrangement Agreement provides that completion of the Arrangement will be subject to the fulfillment of certain conditions, including the following mutual conditions:

1. the Arrangement Resolution having been passed by the Shareholders at the Meeting in the manner set out in the Interim Order and this Circular;
2. the Final Order having been received;
3. all other consents, orders, and approvals necessary or desirable for the completion of the Arrangement having been obtained or received;
4. there not being in force any order or decree restraining or enjoining the consummation of the Arrangement;
5. the Arrangement Agreement not having been terminated; and
6. Dissent Rights not having been exercised by Shareholders holding more than 5% of the issued and outstanding Go Cobalt Shares.

If any of the conditions set out in the Arrangement Agreement are not fulfilled or performed, the Arrangement Agreement may be terminated, or in certain cases the Company or Spinco, as the case may be, may waive the condition in whole or in part. As soon as practicable after the fulfillment of the conditions contained in the Arrangement Agreement, the Board intends to cause a certified copy of the Final Order to be filed with the Registrar under the BCBCA, together with such other material as may be required by the Registrar, in order that the Arrangement will become effective.

Covenants of Go Cobalt in the Arrangement Agreement

In addition to the terms and conditions of the Arrangement Agreement set out elsewhere in this Circular, the Arrangement Agreement contains covenants of Go Cobalt and Spinco described below and other additional terms. The description of the Arrangement Agreement, both below and elsewhere in this Circular, is summary only, not comprehensive and is qualified in its entirety by reference to the terms of the Arrangement Agreement which may be found on SEDAR at <http://www.sedar.com> under the Company's profile.

From the date of the Arrangement Agreement until the Effective Date, Go Cobalt and Spinco will use all reasonable efforts to satisfy (or cause the satisfaction of) the conditions precedent to its respective obligations under the Arrangement Agreement and to take, or cause to be taken, all other action and to do, or cause to be done, all other things necessary, proper or advisable under applicable laws to complete the Arrangement, including using reasonable efforts:

1. to obtain all necessary waivers, consents and approvals required to be obtained by it from other parties to loan agreements, leases and other contracts;
2. to obtain all necessary consents, assignments, waivers and amendments to or terminations of any instruments and take such measures as may be appropriate to fulfill its obligations under the Arrangement Agreement and to carry out the transactions contemplated by the Arrangement Agreement; and
3. to effect all necessary registrations and filings and submissions of information requested by governmental authorities required to be effected by it in connection with the Arrangement.

Go Cobalt has also agreed that it will not issue any new Go Cobalt Share Commitments until the Effective Date, without a prior written approval of Spinco.

Shareholder Approval

In order for the Arrangement to become effective, the Arrangement Resolution must be passed, with or without variation, by a special resolution of at least 66 and 2/3rds of the eligible votes cast in respect of the Arrangement Resolution by Shareholders present in person or by proxy at the Meeting.

The Company, as sole shareholder of Spinco, has approved the Arrangement by consent resolution.

Court Approval of the Arrangement

The Arrangement as structured requires the approval of the Court. Prior to the mailing of this Circular, the Company obtained the Interim Order authorizing the calling and holding of the Meeting and providing for certain other procedural matters. The Interim Order is attached as Schedule "C" to this Circular. The Notice of Hearing for the Final Order is attached to this Circular as Schedule "D".

Assuming approval of the Arrangement Resolution by the Shareholders at the Meeting, the hearing for the Final Order is scheduled to take place at 9:45 a.m. (Vancouver time) on or after September 10, 2018 at the Courthouse located at 800 Smithe Street, Vancouver, British Columbia or at such other date and time as the Court may direct. At this hearing, any security holder, director, auditor or other interested party of the Company who wishes to participate or to be represented or present evidence or argument may do so, subject to filing an appearance and satisfying certain other requirements.

In hearing the petition for the Final Order, the Court will consider, among other things, the fairness of the Arrangement to the Shareholders. The Court will also be advised that based on the Court's approval of the Arrangement, the Company and Spinco will rely on an exemption from registration pursuant to Section 3(a)(10) of the U.S. Securities Act for the issuance of the Spinco Shares to any Shareholders resident in the United States.

The Court has broad discretion under the BCBCA when making orders in respect of arrangements and the Court may approve the Arrangement as proposed or as amended in any manner the Court may direct, subject to compliance with such terms and conditions, if any, as the Court thinks appropriate. The Court, in hearing the application for the Final Order, will consider, among other things, the fairness of the terms and conditions of the Arrangement to the Shareholders.

Final Court Approval:	On or after September 10, 2018
Share Distribution Record Date:	On or about September 17 2018

Notice of the actual Share Distribution Record Date and Effective Date will be given to the Shareholders through one or more press releases. The boards of directors of the Company and Spinco, respectively, will determine the Effective Date depending upon satisfaction that all of the conditions to the completion of the Arrangement.

Expenses of Arrangement

Pursuant to the Arrangement Agreement, the costs relating to the Arrangement, including without limitation, financial, advisory, accounting and legal fees, will be borne by the Company.

SECURITIES LAWS CONSIDERATIONS

The following is a brief summary of the securities law considerations that apply to the transactions contemplated in this Circular.

Canadian Securities Laws

Exemption from Canadian Prospectus Requirements and Resale Restrictions

The distribution of the Spinco Shares pursuant to the Arrangement will be made pursuant to exemptions from the prospectus requirements contained in applicable Canadian securities laws. With certain exceptions, the Spinco Shares may generally be resold in each of the provinces of Canada provided the trade is not a "control distribution" as defined in National Instrument 45-102 – *Resale of Securities* of the Canadian Securities Administrators, no unusual effort is made to prepare the market or create a demand for those securities, no extraordinary commission or consideration is paid to a person or company in respect of the trade and, if the selling security holder is an insider or officer of Spinco, the insider or officer has no reasonable grounds to believe that Spinco is in default of securities legislation.

The foregoing discussion is only a general overview of the requirements of Canadian securities laws related to the resale of the Spinco Shares received upon completion of the Arrangement. All Shareholders are urged to consult with their own legal counsel to ensure that any resale of their Spinco Shares complies with applicable securities laws.

United States Securities Laws

Exemption from the Registration Requirements of the U.S. Securities Act

The Spinco Shares to be issued to the Shareholders under the Arrangement will not be registered under the U.S. Securities Act, or under the securities laws of any state of the United States, and will be issued to Shareholders resident in the United States in reliance on the exemption from registration set forth in Section 3(a)(10) of the U.S. Securities Act and exemptions provided under the securities laws of each state of the United States in which U.S. Shareholders reside. Section 3(a)(10) of the U.S. Securities Act exempts from registration the distribution of a security that is issued in exchange for outstanding securities where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange have the right to appear, by a court or by a governmental authority expressly authorized by law to grant such approval. Accordingly, the Final Order will, if granted, constitute a basis for the exemption from the registration requirements of the U.S. Securities Act with respect to the Spinco Shares distributed in connection with the Arrangement.

The Court will be advised that the Court's approval, if obtained, will constitute the basis for an exemption from the registration requirements of the U.S. Securities Act.

U.S. Resale Restrictions

Spinco Shares to be issued to a Shareholder who is an “affiliate” of either the Company or Spinco prior to the Arrangement or will be an “affiliate” of Spinco after the Arrangement will be subject to certain restrictions on resale imposed by the U.S. Securities Act. Pursuant to Rule 144 under the U.S. Securities Act, an “affiliate” of an issuer for the purposes of the U.S. Securities Act is a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such issuer. Persons who are affiliates of Go Cobalt on completion of the Arrangement will be deemed to be “affiliates” of Spinco for at least 90 days thereafter.

Persons who were not affiliates of Go Cobalt upon completion of the Arrangement (or during the 90 days immediately before completion), and are not affiliates of Spinco after the completion of the Plan of Arrangement, may resell the Spinco Shares that they receive in connection with the Arrangement in the United States, as well as outside the United States pursuant to Regulation S (described below), without restriction under the U.S. Securities Act.

The foregoing discussion is only a general overview of certain requirements of United States securities laws applicable to the Spinco Shares received upon completion of the Arrangement. All Shareholders resident in the United States are urged to consult with their own legal counsel to ensure that any resale of their Spinco Shares complies with applicable securities laws. U.S. Shareholders reselling their Spinco Shares in Canada must comply with Canadian securities laws, as outlined elsewhere in this Circular.

Rule 144

In general, Rule 144 under the U.S. Securities Act provides that persons who are affiliates of Spinco after the Arrangement or, at any time during the 90 day period immediately following completion of the Arrangement, persons who were affiliates of Go Cobalt upon completion of the Arrangement, will be entitled to sell **inside** the United States, during any three-month period, a portion of the Spinco Shares that they receive in connection with the Arrangement, provided that the number of such Spinco Shares sold does not exceed the greater of one percent of the number of then outstanding Spinco Shares or, if such Spinco Shares are listed on a United States securities exchange (which Spinco does not intend to seek at this time), the average weekly trading volume of such securities during the four-week period preceding the date of sale, subject to specified restrictions on manner of sale, notice requirements, aggregation rules and the availability of current public information about Spinco. Persons who are affiliates of Spinco after the Arrangement will continue to be subject to the resale restrictions described in this paragraph for so long as they continue to be affiliates of Spinco.

Regulation S

Subject to certain limitations, all holders of Spinco Shares may immediately resell such securities **outside** the United States, without registration under the U.S. Securities Act, pursuant to Regulation S under the U.S. Securities Act. Generally, subject to certain limitations, holders of Spinco Shares who are not its affiliates, or who are its affiliates solely by virtue of being its officer and/or director and who pay nothing other than a usual and customary broker’s commission in connection with the transaction, may, under the securities laws of the United States, resell their Spinco Shares in an “offshore transaction” (which would include a sale through a stock exchange) if neither the seller, any affiliate of the seller, nor any person acting on their behalf engages in any “directed selling efforts” in the United States. For the purposes of Regulation S, “directed selling efforts” means “any activity undertaken for the purpose of, or that could reasonably be expected to have the effect of, conditioning the market in the United States for any of the securities being offered” in the resale transaction. Under Regulation S, certain additional restrictions and qualifications are applicable to holders of Spinco Shares who are its affiliates other than by virtue of being its officer and/or director.

Residents of the United States should be aware that such requirements are different than those of the United States applicable to proxy statements under the United States *Securities Exchange Act of 1934*. Likewise, information concerning the operations of the Company and Spinco and their assets have been prepared in accordance with Canadian standards, and may not be comparable to similar information for United States companies.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular Shareholder. This summary is not exhaustive of all Canadian federal income tax considerations. No representation with respect to the Canadian federal income tax consequences to any particular Shareholder is made in this Circular. Accordingly, Shareholders should consult their own tax advisors with respect to their particular circumstances including, where relevant, the application and effect of the income and other taxes of any country, province, territory, state or local tax authority.

The following summarizes the principal Canadian federal income tax considerations relating to the Arrangement applicable to a Shareholder (in this summary, a "**Holder**") who, at all material times for purposes of the Tax Act:

1. holds all Go Cobalt Shares, and will hold all Spinco Share solely as capital property;
2. deals at arm's length with Go Cobalt and Spinco;
3. is not "affiliated" with Go Cobalt or Spinco;
4. is not a "financial institution" for the purposes of the mark-to-market rules in the Tax Act;
5. has not elected to report its "Canadian tax results" in a currency other than Canadian dollars;
6. has not entered or will not enter into a "derivative forward agreement" in respect of its Go Cobalt Shares;
7. is not a person or partnership an interest in which is a "tax shelter investment"; and
8. has not acquired Go Cobalt Shares on the exercise of an employee stock option.

Go Cobalt Shares and Spinco Shares generally will be considered to be capital property of the Holder unless the Holder holds the shares in the course of carrying on a business or acquired them in a transaction considered to be an adventure in the nature of trade.

This summary is based on the current provisions of the Tax Act, the regulations thereunder (the "**Regulations**") and management's understanding of the current administrative practices and policies of the Canada Revenue Agency (the "**CRA**"). It also takes into account specific proposals to amend the Tax Act and Regulations (the "**Proposed Amendments**") announced by the Minister of Finance (Canada)

prior to the date of this Circular. It is assumed that all Proposed Amendments will be enacted in their present form, and that there will be no other relevant change to any relevant law or administrative practice, although no assurances can be given in these respects. This summary does not take into account any provincial, territorial, or foreign income tax considerations which may differ from the Canadian federal income tax considerations discussed below. An advance income tax ruling will not be sought from the CRA in respect of the Arrangement.

This summary also assumes that at the Effective Date under the Arrangement and all other material times thereafter, the paid-up capital of the Go Cobalt Shares as computed for the purposes of the Tax Act will not be less than the fair market value of the New Brenda Property to be transferred to Spinco pursuant to the Arrangement, and is qualified accordingly. Go Cobalt expects that the fair market value at the Effective Date of the Spinco Shares distributed to Shareholders under the Arrangement will not exceed the paid-up capital as computed for the purposes of the Tax Act of the Go Cobalt Shares.

This summary is of a general nature only, and is not exhaustive of all possible Canadian federal income tax considerations. This summary is not intended to be, and should not be construed to be, legal or tax advice to any Holder. Accordingly, Holders should each consult their own tax and legal advisers for advice as to the income tax consequences of the Arrangement applicable to them in their particular circumstances.

Holders Resident in Canada

This portion of the summary is generally applicable to a Holder who, at all relevant times, for purposes of the application of the Tax Act is, or is deemed to be, resident in Canada (a "**Resident Holder**"). Certain Resident Holders whose Go Cobalt Shares or Spinco Shares might not otherwise qualify as capital property may be entitled to have such shares, and every other "Canadian security" (as defined in the Tax Act) owned by them in the taxation year and any subsequent taxation year, deemed to be capital property by making an irrevocable election in accordance with subsection 39(4) of the Tax Act. Resident Holders considering making such an election should consult their own tax advisors for advice as to whether the election is available or advisable in their own particular circumstances.

Distribution of Spinco Shares

A Resident Holder who receives Spinco Shares pursuant to the Arrangement will be deemed to have received a taxable dividend equal to the amount, if any, by which the fair market value of the Spinco Shares distributed to the Resident Holder exceeds the paid-up capital as computed for purposes of the Tax Act of the Resident Holder's Go Cobalt Shares at that time. Go Cobalt expects that the fair market value of the Spinco Shares distributed to Shareholders under the Arrangement will not exceed the paid-up capital as computed for purposes of the Tax Act of the Go Cobalt Shares. Accordingly, Go Cobalt does not expect that any Resident Holder will be deemed to receive a taxable dividend as a result of the Arrangement. However, if the fair market value of the Spinco Shares is substantially greater than Go Cobalt's internal valuations, Resident Holders may be deemed to receive a taxable dividend as a result of Spinco Shares being distributed pursuant to the Arrangement. Resident Holders should consult their own tax advisors concerning the taxation of any such taxable dividend having regard to their own circumstances.

A Resident Holder who receives Spinco Shares pursuant to the Arrangement will realize a capital gain equal to the amount, if any, by which the fair market value of those Spinco Shares at the time of the distribution, less the amount of any taxable dividend deemed to be received by the Resident Holder as described in the preceding paragraph, exceeds the adjusted cost base ("**ACB**") of the Resident Holder's Go Cobalt Shares determined immediately before such distribution.

Any deemed dividend received by a Resident Holder and any capital gain or capital loss realized by the Resident Holder, as described above, will generally be treated in the same manner as described under "Taxation of Dividends on Spinco Shares" and "Taxation of Capital Gains and Losses" below.

Each Resident Holder will acquire the Spinco Shares received pursuant to the Arrangement at a cost equal to their fair market value at that time.

Disposition of Spinco Shares

A Resident Holder who disposes of a Spinco Share will realize a capital gain (capital loss) equal to the amount by which the proceeds of disposition of the Spinco Share, less reasonable costs of disposition, exceed (are exceeded by) the ACB of the Spinco Share to the Resident Holder determined immediately before the disposition. Any capital gain or loss so arising will be subject to the usual rules applicable to the taxation of capital gains and losses described below.

Taxation of Capital Gains and Losses

A Resident Holder who realizes a capital gain (capital loss) in a taxation year must include one half of the capital gain ("**taxable capital gain**") in income for the year, and may deduct one half of the capital loss ("**allowable capital loss**") against taxable capital gains realized in the year, and to the extent not so deductible, against taxable capital gains arising in any of the three preceding taxation years or any subsequent taxation year.

The amount of any capital loss arising from a disposition or deemed disposition of a Go Cobalt Share and a Spinco Share by a Resident Holder that is a corporation may, to the extent and under circumstances specified in the Tax Act, be reduced by the amount of certain dividends received or deemed to be received by the corporation on the share. Similar rules may apply if the corporation is a member of a partnership or beneficiary of a trust that owns shares, or where a partnership or trust of which the corporation is a member or beneficiary is a member of a partnership or a beneficiary of a trust that owns shares.

A Resident Holder that is a "Canadian-controlled private corporation" for the purposes of the Tax Act may be required to pay an additional refundable tax of 10 $\frac{2}{3}$ % on its "aggregate investment income", which includes taxable capital gains, for the year.

Taxation of Dividends on Spinco Shares

A Resident Holder who is an individual will be required to include in income any dividends received or deemed to be received on the Resident Holder's Spinco Shares and will be subject to the gross-up and dividend tax credit rules applicable to taxable dividends received from taxable Canadian corporations, including the enhanced gross-up and dividend tax credit rules applicable to any dividends designated by Spinco as "eligible dividends", as defined in the Tax Act. There may be limitations on the ability of Spinco to designate dividends as eligible dividends.

A Resident Holder that is a corporation will be required to include in income any dividend that it receives or is deemed to be received on the Resident Holder's Spinco Shares and generally will be entitled to deduct an equivalent amount in computing its taxable income. Resident Holders that are corporations should consult their own tax advisors having regard to their own circumstances.

A "private corporation" or a "subject corporation" (as defined in the Tax Act) may be liable under Part IV of the Tax Act to pay a refundable tax on any dividend that it receives or is deemed to receive on Spinco Shares to the extent that the dividend is deductible in computing the corporation's taxable income.

Taxable dividends received by an individual or trust, other than certain specified trusts, may give rise to minimum tax under the Tax Act.

Alternative Minimum Tax on Individuals

A capital gain realized, or deemed to be realized, by a Resident Holder who is an individual (including certain trusts and estates) may give rise to liability to alternative minimum tax under the Tax Act.

Dissenting Resident Holders

A Resident Holder who validly exercises the Dissent Right in respect of the Arrangement (a “**Dissenting Resident Holder**”) and who disposes of Go Cobalt Shares in consideration for a cash payment from Go Cobalt will be deemed to have received a dividend from Go Cobalt equal to the amount by which the cash payment (other than any portion of the payment that is interest awarded by a court) exceeds the paid-up capital (computed for the purpose of the Tax Act) of the Dissenting Resident Holder’s Go Cobalt Shares. The balance of the payment (equal to the paid-up capital computed for purposes of the Tax Act of the Dissenting Resident Holder’s Go Cobalt Shares) will be treated as proceeds of disposition. The Dissenting Resident Holder will also realize a capital gain (or capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the ACB of the Dissenting Resident Holder’s Go Cobalt Shares. In certain circumstances, the full payment received by a Dissenting Resident Holder that is a corporation resident in Canada may be treated under the Tax Act as proceeds of disposition.

Any deemed dividend received by a Dissenting Resident Holder and any capital gain or capital loss realized by the Dissenting Resident Holder, will generally be treated in the same manner as described under “Dividends on Spinco Shares” and “Taxation of Capital Gains and Losses” above.

A Dissenting Resident Holder will be required to include in computing its income any interest awarded by a court in connection with the Arrangement. In addition, a Dissenting Resident Holder that, throughout the relevant taxation year, is a “Canadian controlled private corporation” (as defined in the Tax Act) may be liable to pay a refundable tax on its “aggregate investment income” (as defined in the Tax Act), including any taxable capital gains and interest income. Dissenting Resident Holders should consult their own tax advisors with respect to the Canadian federal income tax consequences of exercising their Dissent Rights.

Eligibility for Investment

Based on the current provisions of the Tax Act, the Spinco Shares will be qualified investments under the Tax Act for trusts governed by a registered retirement savings plan (“**RRSP**”), a registered retirement income fund (“**RRIF**”), a deferred profit sharing plan, a registered education savings plan, a registered disability savings plan or a tax-free savings account (“**TFSA**”) (each as defined in the Tax Act), at any particular time, provided that, at that time, the Spinco Shares are listed on a “designated stock exchange” or Spinco is a “public corporation” (each as defined in the Tax Act).

Notwithstanding that Spinco Shares may be qualified investments for a trust governed by a RRSP, RRIF or TFSA, the annuitant under an RRSP or RRIF, or the holder of a TFSA, will be subject to a penalty tax on such shares if such shares are a “prohibited investment” (as defined in subsection 207.01(1) of the Tax Act). The Spinco Shares will generally not be a “prohibited investment” for a trust governed by a TFSA, RRSP or RRIF provided that (i) the holder of the TFSA or the annuitant under the RRSP or the RRIF, as the case may be, deals at arm’s length with Spinco for purposes of the Tax Act and does not have a “significant interest” (as defined in subsection 207.01(4) of the Tax Act) in Spinco, or (ii) the Spinco Shares are “excluded property” (as defined in subsection 207.01(1) of the Tax Act) for the TFSA, RRSP or RRIF. An annuitant under the RRSP or RRIF, or a holder of a TFSA should consult its own tax advisor in this regard.

Other Tax Considerations

This Circular does not address any tax considerations of the Arrangement other than certain Canadian income tax considerations. Holders of securities who are resident in jurisdictions other than Canada should consult their own tax advisors with respect to the tax implications of the Arrangement, including any associated filing requirements in such jurisdictions and with respect to the tax implications in such jurisdictions of owning Spinco Shares after the Arrangement. Holders of securities should also consult their own tax advisors regarding provincial, territorial or state tax considerations of the Arrangement or of holding Spinco Shares.

Holders Not Resident in Canada

This portion of the summary is generally applicable to a Holder who, at all relevant times, for the purposes of the application of the Tax Act, is not, and is not deemed to be, resident in Canada and does not use or hold, and is not deemed to use or hold, the Go Cobalt Shares or Spinco Shares in a business carried on in Canada (a "**Non-Resident Holder**"). Special rules, which are not discussed in this summary, may apply to certain holders that are insurers carrying on an insurance business in Canada and elsewhere or an "authorized foreign bank" (as defined in the Tax Act).

Distribution of Spinco Shares

A Non-Resident Holder who receives Spinco Shares pursuant to the Arrangement will be deemed to have received a taxable dividend equal to the amount, if any, by which the fair market value of the Spinco Shares distributed to the Non-Resident Holder exceeds the paid-up capital as computed for purposes of the Tax Act of the Non-Resident Holder's Go Cobalt Shares at that time. Any such taxable dividend will be taxable as described below under "Taxation of Dividends". Go Cobalt expects that the fair market value of the Spinco Shares distributed to Shareholders under the Arrangement will not exceed the paid-up capital as computed for purposes of the Tax Act of the Go Cobalt Shares. Accordingly, Go Cobalt does not expect that any Non-Resident Holder will be deemed to receive a taxable dividend as a result of the Arrangement. However, if the fair market value of the Spinco Shares is substantially greater than Go Cobalt's internal valuations, Non-Resident Holders may be deemed to receive a taxable dividend as a result of Spinco Shares being distributed pursuant to the Arrangement.

Taxation of Dividends

Dividends paid or credited, or deemed to be paid or credited, to a Non-Resident Holder will be subject to withholding tax under the Tax Act at a rate of 25% unless the rate is reduced under the provisions of an applicable income tax treaty or convention. In the case of a beneficial owner of dividends who is a resident of the United States for purposes of the *Canada-US Tax Convention (1980)* and is entitled to the benefits of that treaty, and who holds less than 10% of the voting stock of the dividend-paying corporation, the withholding tax rate will be 15%. The payor of the dividend will be required to withhold the Canadian withholding tax from the dividend and remit the withheld amount to the CRA for the Non-Resident Holder's account. Non-Resident Holders should consult their own tax advisors in this regard.

Taxation of Capital Gains and Losses

This summary assumes that the Go Cobalt Shares and the Spinco Shares (following their distribution to a Non-Resident Holder) will not at any time be "taxable Canadian property" of a Non-Resident Holder.

A share of a corporation listed on a "designated stock exchange" as defined in the Tax Act (which includes the CSE) generally will not be taxable Canadian property to a Non-Resident Holder at any particular time unless, at any time during the 60 months immediately preceding the particular time, (a) the Non-Resident Holder, one or more persons with whom the Non-Resident Holder does not deal at arm's length, partnerships in which the Non-Resident Holder or persons with whom the Non-Resident Holder does not deal at arm's length hold a membership interest in directly or indirectly through one or more partnerships, or any combination thereof, owned 25% or more of the issued shares of any class of the capital stock of the corporation, and (b) the share derived more than 50% of its fair market value directly or indirectly from, or from any combination of, real property situated in Canada, "Canadian resource properties", "timber resource properties" (as those terms are defined in the Tax Act), and interest, rights or options in or in respect of any of the foregoing. Non-Resident Holders should consult their own tax advisors in this regard.

Based on the foregoing assumption, a Non-Resident Holder will not be subject to Canadian federal income tax in respect of any capital gain arising on an actual or deemed disposition of Go Cobalt Shares or Spinco Shares. Based on the foregoing assumption, a Non-Resident Holder will also not be subject to Canadian federal income tax in respect of any capital gain arising on the distribution of Spinco Shares pursuant to the Arrangement.

Dissenting Non-Resident Holders

A Non-Resident Holder who exercises the Dissent Right in respect of the Arrangement (a “**Dissenting Non-Resident Holder**”) and disposes of Go Cobalt Shares to Go Cobalt in consideration for cash payment from Go Cobalt will realize a dividend and capital gain or loss in the same manner as discussed above under “*Holder Resident in Canada - Dissenting Resident Holders*”.

Any deemed dividend received by a Dissenting Non-Resident Holder will be subject to Canadian withholding tax as described above under “*Taxation of Dividends*”.

A Dissenting Non-Resident Holder will generally not be subject to income tax under the Tax Act in respect of any capital gain realized on a disposition of Go Cobalt Shares pursuant to the exercise of their Dissent Rights unless such Go Cobalt Shares are considered to be “taxable Canadian property”, as discussed above under “*Taxation of Capital Gains and Losses*”, to such Dissenting Non-Resident Holder that is not exempt from tax under the Tax Act pursuant to the terms of an applicable income tax convention between Canada and the country in which the Dissenting Non-Resident Holder is resident. Dissenting Non-Resident Holders whose Go Cobalt Shares may constitute “taxable Canadian property” should consult their own tax advisors.

This summary is of a general nature only, and is not exhaustive of all possible Canadian federal income tax considerations. This summary is not intended to be, nor should it be construed to be, legal or tax advice to any Holder. Accordingly, Holders should consult their own tax advisors for advice as to the income tax consequences to them of the Arrangement in their particular circumstances.

APPROVAL OF SPINCO'S STOCK OPTION PLAN

Stock Option Plan of Spinco

The board of directors of Spinco established the Spinco Option Plan as a rolling stock option plan. The maximum number of Spinco Shares reserved for issuance under the Spinco Option Plan is 10% of the issued and outstanding Spinco Shares on a “rolling” basis. See “*Spinco after the Arrangement – Stock Options and Warrants*”.

Purpose of the Spinco Stock Option Plan

The purpose of the Spinco Option Plan is to provide an incentive to directors, officers, employees and consultants of Spinco or its affiliates to continue their involvement with Spinco, to increase their efforts on Spinco's behalf and to attract new qualified employees, while at the same time reducing the cash compensation Spinco would otherwise have to pay. The Spinco Option Plan is also intended to assist in aligning management and employee incentives with the interests of shareholders.

General Description

The following is a brief description of the principal terms of the Spinco Option Plan, which description is qualified in its entirety by the terms of the Spinco Option Plan. A full copy of the Spinco Option Plan is available to Shareholders upon request and will be available at the Meeting.

Number of Shares Reserved. The number of Spinco Shares which may be issued pursuant to options granted under the Spinco Option Plan will not exceed 10% of the issued and outstanding Spinco Shares from time to time at the date of grant.

Maximum Term of Options. The term of any options granted under the plan is fixed by the board of directors of Spinco and may not exceed five years from the date of grant. The options are non-assignable and non-transferable.

Exercise Price. The exercise price of options granted under the plan is determined by the board of directors of Spinco, provided that:

- (a) if the Spinco Shares are not listed on any stock exchange or quotation system, the exercise price may not be less than the fair market value of the Spinco Shares as may be determined by the board of directors of Spinco on the day immediately preceding the date of the grant of such option; or
- (b) if the Spinco Shares are listed on a stock exchange or quotation system, the exercise price may not be less than the price permitted by such stock exchange or a quotation system.

Amendment. The board of directors of Spinco may, by resolution, amend or terminate the Spinco Option Plan, but no such amendment or termination may, except with the written consent of the holders of the options concerned, affect the terms and conditions of options previously granted under the Spinco Option Plan which have not then been exercised or terminated.

Vesting. Subject to the discretion of the board of directors of Spinco, the options granted to an optionee under the Spinco Option Plan fully vest on the date of grant of such options.

Termination. Options granted under the Spinco Option Plan can only be exercised by the optionee as long as the optionee remains an eligible optionee pursuant to the Spinco Option Plan or within 90 days (or as otherwise determined by the board of directors of Spinco) after ceasing to be an eligible optionee, or, if the optionee dies, within one year from the date of the optionee's death.

Administration. The Spinco Option Plan is administered by the board of directors of Spinco or, if the board of Spinco so elects, by a committee (the "**Committee**"), which Committee will consist of at least two board members, appointed by the board of directors of Spinco.

Board Discretion. The Spinco Option Plan provides that, generally, the number of Spinco Shares subject to each option, the exercise price, the expiry date, the extent to which such option is exercisable, including vesting schedules and other terms and conditions relating to such options will be determined by the board of directors of Spinco or the Committee and in accordance with the requirements of a stock exchange or quotation system where the Spinco Shares may be listed.

The Shareholders will be asked at the Meeting to ratify and approve the Spinco Option Plan by ordinary resolution in the following form:

"BE IT RESOLVED THAT:

1. The stock option plan of Flow Metals Corp. ("**Spinco**") is ratified and approved with such changes and variations as may be deemed necessary by the board of directors of Spinco; and
2. any one director or officer of Spinco is authorized and directed, for and on behalf of Spinco, to execute and deliver all such documents and do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to this ordinary resolution, the execution and delivery of any such document or the doing of any such other act or thing being conclusive evidence of such determination."

The Board unanimously recommends that Shareholders vote FOR the approval of the Spinco Option Plan.

RIGHTS OF DISSENTING SHAREHOLDERS

Shareholders who wish to dissent should take note that the procedures for dissenting to the Plan of Arrangement (the "Dissent Procedures") require strict compliance with Sections 237 to 247 of the BCBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement.

A brief summary of the Dissent Rights and the Dissent Procedures is set out below.

Dissent Right

As indicated in the Notice of Meeting, any registered Shareholder of record on the Share Distribution Record Date is entitled to be paid the fair value of such Shareholder's Go Cobalt Shares in accordance with Section 245 of the BCBCA if such holder duly dissents in respect of the Plan of Arrangement and the Plan of Arrangement becomes effective. A Shareholder is not entitled to dissent with respect to such holder's Go Cobalt Shares if such holder votes any of such shares in favour of the Arrangement Resolution.

If a registered Shareholder exercises the Dissent Right, Go Cobalt will on the Effective Date set aside and not distribute that portion of the Spinco Shares that is attributable to the Go Cobalt Shares for which the Dissent Right has been exercised.

Any registered Shareholder who duly exercises the Dissent Right and who is ultimately entitled to be paid for his, her or its Dissent Shares will be deemed not to have participated in the Plan of Arrangement and such Dissent Shares will be deemed to have been repurchased by Go Cobalt for cancellation at the effective time of the Arrangement in consideration for a debt-claim against Go Cobalt to be paid the fair value of such Dissent Shares, which fair value will be determined as of the close of business on the Business Day before the day on which the Arrangement Resolution is passed. Such Dissenting Shareholder will not be entitled to any other payment or consideration for such Dissent Shares and the name of such Dissenting Shareholder will be removed from the register of Shareholders.

Any Shareholder that is ultimately not entitled, for any reason, to be paid fair value for their Go Cobalt Shares will be deemed to have participated in the Plan of Arrangement on the same basis as any non-dissenting Shareholder as at and from the effective time of the Arrangement and will be treated in the same manner as such Shareholder, on the basis set out in the Plan of Arrangement.

No Shareholder who has voted in favour of the Arrangement Resolution will be entitled to dissent with respect to the Plan of Arrangement.

Dissent Procedures

If a registered Shareholder wishes to exercise the Dissent Right, a written notice of dissent from the Arrangement Resolution pursuant to Section 242 of the BCBCA, must be sent to Go Cobalt by such Shareholder by 4:00 p.m., Vancouver time, on Monday, August 27, 2018 or on the Business Day that is two Business Days before any date to which the Meeting may be postponed or adjourned. The notice of dissent should be delivered by registered mail to Go Cobalt at the address for notice described below. After the Arrangement Resolution is approved by Shareholders and within one month after Go Cobalt notifies the Dissenting Shareholder of Go Cobalt's intention to act upon the Arrangement Resolution pursuant to Section 243 of the BCBCA, the Dissenting Shareholder must send to Go Cobalt, a written notice that such Dissenting Shareholder requires the purchase of all of the Go Cobalt Shares in respect of which such Dissenting Shareholder has given notice of dissent, together with the share certificate or certificates representing those Go Cobalt Shares (including a written statement prepared in accordance with Section 244(1)(c) of the BCBCA if the dissent is being exercised by the Dissenting Shareholder on behalf of a Beneficial Shareholder).

Any Dissenting Shareholder who has duly complied with Section 244(1) of the BCBCA or Go Cobalt may apply to the Court, and the Court may determine the fair value of the Dissent Shares and make consequential orders and give directions as the Court considers appropriate. There is no obligation on Go Cobalt to apply to the Court. The Dissenting Shareholder will be entitled to receive the fair value of the Dissent Shares held immediately before the passing of the Arrangement Resolution.

Addresses for Notice

All notices of dissent to the Plan of Arrangement pursuant to Section 242 of the BCBCA should be sent to Go Cobalt at:

Go Cobalt Mining Corp
Attention: The Secretary
Suite 810 – 789 West Pender Street
Vancouver, BC V6C 1H2

Strict Compliance with Dissent Provisions Required

The foregoing summary does not purport to provide a comprehensive statement of the procedures to be followed by a Shareholder who exercises the Dissent Right and seeks payment of the fair value of the Go Cobalt Shares held by such Shareholder and is qualified in its entirety to do so by reference to Sections 237 to 247 of the BCBCA, as modified by the Interim Order, the Final Order and the Plan of Arrangement. A copy of the Interim Order is attached to this Information Circular as Schedule "C". Sections 237 to 247 of the BCBCA are reproduced in Schedule "E" to this Information Circular. The Dissent Procedures must be strictly adhered to and any failure by a Shareholder to do so may result in the loss of that Shareholders' Dissent Right. Accordingly, each Shareholder who wishes to exercise the Dissent Right should carefully consider and comply with the Dissent Procedures and consult such Shareholder's legal advisers.

RISK FACTORS

In evaluating the Arrangement, Shareholders should carefully consider, in addition to the other information contained in this Circular, the following risk factors associated with Go Cobalt and Spinco. These risk factors are not a definitive list of all risk factors associated with Go Cobalt and the business to be carried out by Spinco.

Prior to making an investment decision, investors should consider the investment risks set out below and those described elsewhere in this Circular, which are in addition to the usual risks associated with an investment in a business at an early stage of development. The Board considers the risks set out below to be the most significant to potential investors of the Company, but not all of the risks associated with an investment in Go Cobalt Shares or Spinco Shares may be described below. If any of these risks materialize into actual events or circumstances or other possible additional risks and uncertainties of which the Board is currently unaware or which the Board considers not to be material in relation to the business of Go Cobalt or Spinco, actually occur, the assets, liabilities, financial conditions, results of operations (including future results of operations), business and business prospects of Go Cobalt or Spinco, are likely to be materially and adversely affected. In such circumstances, the price of the Go Cobalt Shares or the Spinco Shares could decline and investors may lose all or part of their investment.

Proposed Plan of Arrangement not Approved

The completion of the Arrangement is subject to the approval of the Shareholders and the Supreme Court of British Columbia. There can be no assurance that all of the necessary approvals will be obtained. If the Arrangement is not approved, the Company will continue to search for other opportunities; however, it will have incurred significant costs associated with the Arrangement.

The Court may refuse to approve the Plan of Arrangement if the Company fails to meet the statutory or common law tests required to approve the Plan of Arrangement.

Exploration and Mining Risks

Development of mineral properties depends on satisfactory exploration results. Exploration and development involves a high degree of risk and few properties which are explored are ultimately

developed into producing mines. There is no assurance that expenditures made on future exploration by the Company or Spinco will result in new discoveries of commercial quantities.

The long-term profitability of the operations of the Company and Spinco will be in part directly related to the cost and success of its exploration programs, which may be affected by a number of factors beyond their control.

Exploration involves many risks, which even a combination of experience, knowledge and careful evaluation may not be able to overcome. Operations in which the Company and Spinco have a direct or indirect interest will be subject to all of the hazards and risks normally incidental to exploration, development and production of mineral resources, any of which could result in work stoppages, damage to property, and possible environmental damage.

Hazards such as unusual or unexpected formations and other conditions such as formation pressures, fire, power outages, labour disruptions, flooding, explorations, cave-ins, landslides and the inability to obtain suitable machinery, equipment or labour are involved in mineral exploration, development and operation. The Company and Spinco may become subject to liability for pollution, cave-ins or hazards against which it cannot insure or against which it may elect not to insure. The payment of such liabilities may have a material adverse effect on the financial position of the Company and Spinco.

The Company and Spinco will continue to rely upon consultants and others for exploration and development expertise. Substantial expenditures are required to establish mineral reserves through drilling, to develop metallurgical processes to extract minerals from the ore and, in the case of new properties, to develop the mining and processing facilities and infrastructure at any site chosen for mining. Although substantial benefits may be derived from the discovery of a major mineralized deposit, no assurance can be given that gold, cobalt or other metals will be discovered in sufficient quantities to justify commercial operations or that funds required for development can be obtained on a timely basis. The economics of developing gold and cobalt properties is affected by many factors including the cost of operations, variations in the grade of ore mined, fluctuations in mineral markets, allowable production, importing and exporting of minerals and metals and environmental protection. The Company has no earnings record, no reserves and producing resource properties.

Financing Risks

The Company and Spinco are limited in both financial resources and sources of operating cash flow and neither have any assurance that additional funding will be available to it for further exploration and development of its projects or to fulfill its obligations under any applicable agreements. There can be no assurance that the Company or Spinco will be able to obtain adequate financing in the future or that the terms of such financing will be favourable. Failure to obtain such additional financing could result in delay or indefinite postponement of further exploration and development of their projects with the possible loss of such properties.

Uninsurable Risks

In the course of exploration and development of mineral properties, certain risks, and in particular, unexpected or unusual geological operating conditions, including rock bursts, cave-ins, fires, flooding and earthquakes may occur. It is not always possible to fully insure against such risks and the Company and Spinco may decide not to take out insurance against such risks as a result of high premiums or other reasons. Should such liabilities arise, they could reduce or eliminate any future profitability and result in increasing costs and a decline in the value of the Go Cobalt Shares and the Spinco Shares.

Title Matters

The Company has performed due diligence with respect to the titles of the Monster Property, the New Brenda Property or the Wels Property, however, no title opinion has been obtained regarding these

properties. The properties may be subject to prior unregistered agreements or transfers or native land claims and title may be affected by undetected defects.

Permits and Licenses

The operations of the Company and Spinco may require licenses and permits from various governmental authorities. There can be no assurance that such licenses and permits as may be required to carry out exploration, development and mining operations at their projects will be granted.

Competition

Significant and increasing competition exists in the area of exploration of mineral properties. Go Cobalt and Spinco will compete with other mineral exploration companies which may have better expertise and financial and human resources. The existence of competition could adversely affect Go Cobalt's, and Spinco's ability to attract financing, develop existing projects and acquire new projects.

In addition, there is no assurance that a ready market will exist for the sale of commercial quantities of ore. Factors beyond the control of the Company and Spinco may affect the marketability of any substances discovered. These factors include market fluctuations, the proximity and capacity of natural resource markets and processing equipment, government regulations, including regulations relating to prices, taxes, royalties, land tenure, land use, importing and exporting of ore and environmental protection. The exact effect of these factors cannot be accurately predicted, but the combination of these factors may result in the Company or Spinco not receiving an adequate return on invested capital or losing its investment capital.

Environmental Regulations

The operations of the Company and Spinco may be subject to environmental Laws promulgated by government agencies from time to time. Environmental Laws provide for restrictions and prohibitions on spills, releases or emissions of various substances produced in association with certain mining industry operations, such as seepage from tailings disposal areas, which would result in environmental pollution. A breach of such legislation may result in imposition of fines and penalties. In addition, certain types of operations require the submission and approval of environmental impact assessments. Environmental legislation is evolving in a manner which will require stricter standards and enforcement, increased fines and penalties for non-compliance, more stringent environmental assessments of proposed projects and a heightened degree of responsibility for companies and their officers, directors and employees. The cost of compliance with changes in Laws and governmental regulations has a potential to reduce the profitability of operations. There is no assurance that future changes in environmental Laws, if any, will not adversely affect the operations of the Company or Spinco. The Company and Spinco intend to fully comply with all environmental Laws.

Fluctuating Price of Metals

The revenues of the Company and Spinco, if any, are expected to be in large part derived from the mining and sale of metals and other mineral resources. The price of those commodities has fluctuated widely, particularly in recent years, and is affected by numerous factors beyond the Company's and Spinco's control including international economic and political trends, expectations of inflation, currency exchange fluctuations, interest rates, and improved mining and production methods. The effect of these factors on the price of mineral resources and therefore the economic viability of any of the exploration projects of the Company or Spinco cannot be accurately predicted.

Stage of Development

On completion of the Arrangement, the Company and Spinco will be in the business of exploring for, with the ultimate goal of developing and producing, metals from their mineral exploration properties. None of the Company's or Spinco's properties will have commenced commercial production and the Company and Spinco will have no history or earnings or cash flow from their operations. As a result

of the foregoing, there can be no assurance that the Company or Spinco will be able to develop any of their properties profitably or that their activities will generate positive cash flow. The Company and Spinco will not have paid any dividends and are unlikely to enjoy earnings or pay dividends in the immediate or foreseeable future. The Company and Spinco will have limited cash and other assets. A prospective investor in the Company or Spinco must be prepared to rely solely upon the ability, expertise, judgment, discretion, integrity and good faith of the management of the Company and Spinco in all aspects of the development and implementation of the business activities of the Company and Spinco.

There can be no assurance that an active trading market in Go Cobalt Shares or Spinco Shares will be established and sustained. The market price for these shares could be subject to wide fluctuations. Factors such as commodity prices, government regulation, interest rates, share price movements of peer companies and competitors, as well as overall market movements, may have a significant impact on the market price of the Go Cobalt Shares and the Spinco Shares. The stock market has from time to time experienced extreme price and volume fluctuations, particularly in the mining sector, which have often been unrelated to the operating performance of particular companies.

No History of Earnings or Dividends

Go Cobalt and Spinco have no history of earnings, and there is no assurance that they will generate earnings, operate profitably or provide a return on investment in the future. Go Cobalt and Spinco have no plans to pay dividends for the foreseeable future.

The Market Price for the Shares may Fluctuate Widely

The market price of the Go Cobalt Shares may be subject to wide fluctuation in response to many factors, including variations in the operating results of the Company, divergence in financial results from analysts' expectations, changes in earnings estimates by stock market analysts, changes in the business prospects of the Company, general economic conditions, changes in mineral reserve or resource estimates, results of exploration, changes in results of mining operations, changes in Laws, and other events and factors outside of the Company's control.

At this time there is no market for the Spinco Shares. There can be no guarantee that Spinco Shares will be listed on a stock exchange or that there will be market for these shares.

Securities of Spinco and Dilution

Spinco plans to focus on the development of the New Brenda Property as well as other properties and interests it may acquire from time to time, and will use its working capital to carry out such activities. However, Spinco will require additional funds to further such activities. To obtain such funds, Spinco may sell additional securities including, but not limited to, Spinco Shares or some form of convertible security, the effect of which would result in substantial dilution of the equity interests of the holders of Spinco Shares.

There is no assurance that additional funding will be available to Spinco to explore and develop the New Brenda Property, to acquire additional properties or for the substantial capital that is typically required to expand operations to generate increased revenues. There is no assurance that Spinco will be able to obtain adequate financing in the future or that the terms of such financing will be favourable. Failure to obtain such additional financing could result in the delay or indefinite postponement of further development of the New Brenda Property or any other properties that Spinco may acquire.

The Spinco Shares will not be listed on the CSE as a result of the completion of the Arrangement and there can be no guarantee that the Spinco Shares will ever be listed on a stock exchange or quotation system.

Conflicts of Interest

Certain directors and officers of Go Cobalt or Spinco are and may continue to be, involved in acquiring assets through their direct and indirect participation in corporations, partnerships or joint ventures which are potential competitors of Go Cobalt or Spinco. Situations may arise in connection with potential acquisitions or investments where the other interests of these directors and officers may conflict with the interests of Go Cobalt or Spinco. The directors of Go Cobalt and Spinco are required by law, however, to act honestly and in good faith with a view to the best interests of Go Cobalt, Spinco and their shareholders and to disclose any personal interest which they may have in any material transaction which is proposed to be entered into with Go Cobalt or Spinco and to abstain from voting as a director for the approval of any such transaction.

Dependency on a Small Number of Management Personnel

Go Cobalt and Spinco are dependent on a number of key personnel, the loss of any of whom could have an adverse effect on Go Cobalt or Spinco and their business operations. Go Cobalt and Spinco also need to retain qualified technical and sales personnel.

Business of the Company

The Company's principal business activity is the acquisition and exploration of mineral properties in the natural resource industry.

On August 14, 2017, the Company purchased a 100% interest in the New Brenda Property pursuant to a purchase agreement (the "**New Brenda Purchase Agreement**") by paying \$65,000 cash and issuing 5,220,000 Go Cobalt Shares.

On February 13, 2018, the Company purchased a 100% interest in the Monster Property pursuant to a purchase and sale agreement (the “**Monster Purchase Agreement**”) by paying \$45,000 cash and issuing 1,600,000 Go Cobalt Shares with a deemed value of \$0.09 per share.

The Company has the right to buy back the NSR for a cash payment of \$750,000 for each 1%, to a maximum of \$1,500,000, at any time. Upon exercise of the option by K2 Gold, the parties have agreed to form a joint venture.

Business of the Company Following the Arrangement

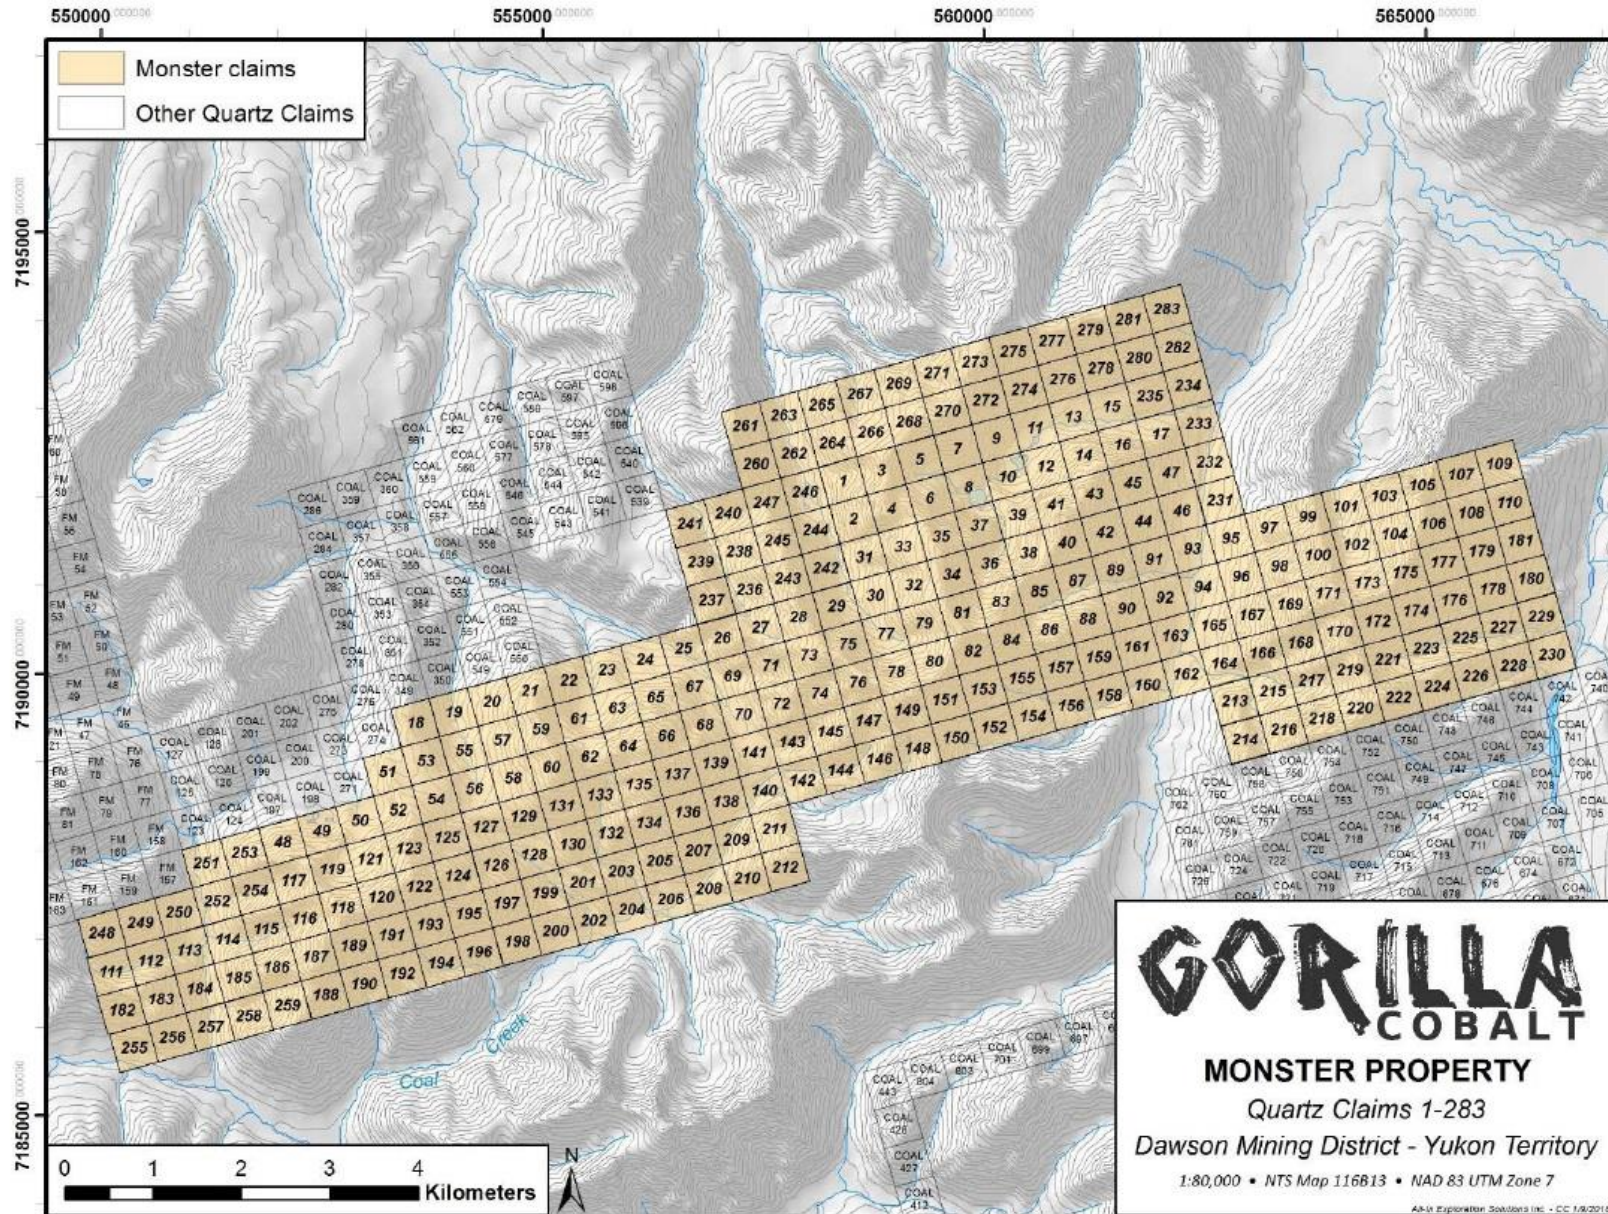

Following completion of the Arrangement, Go Cobalt will continue to operate as a publicly traded company focused on the exploration and, if warranted, development of the Monster Property.

Summary of Monster Property

The following information regarding the Monster Property has been derived from the Monster Report. The Monster Report has been prepared in accordance with NI 43-101 and the report writer is an independent “Qualified Person” (as defined under NI 43-101). A full-text version of the Monster Report may be reviewed on SEDAR at www.sedar.com under the Company’s profile.

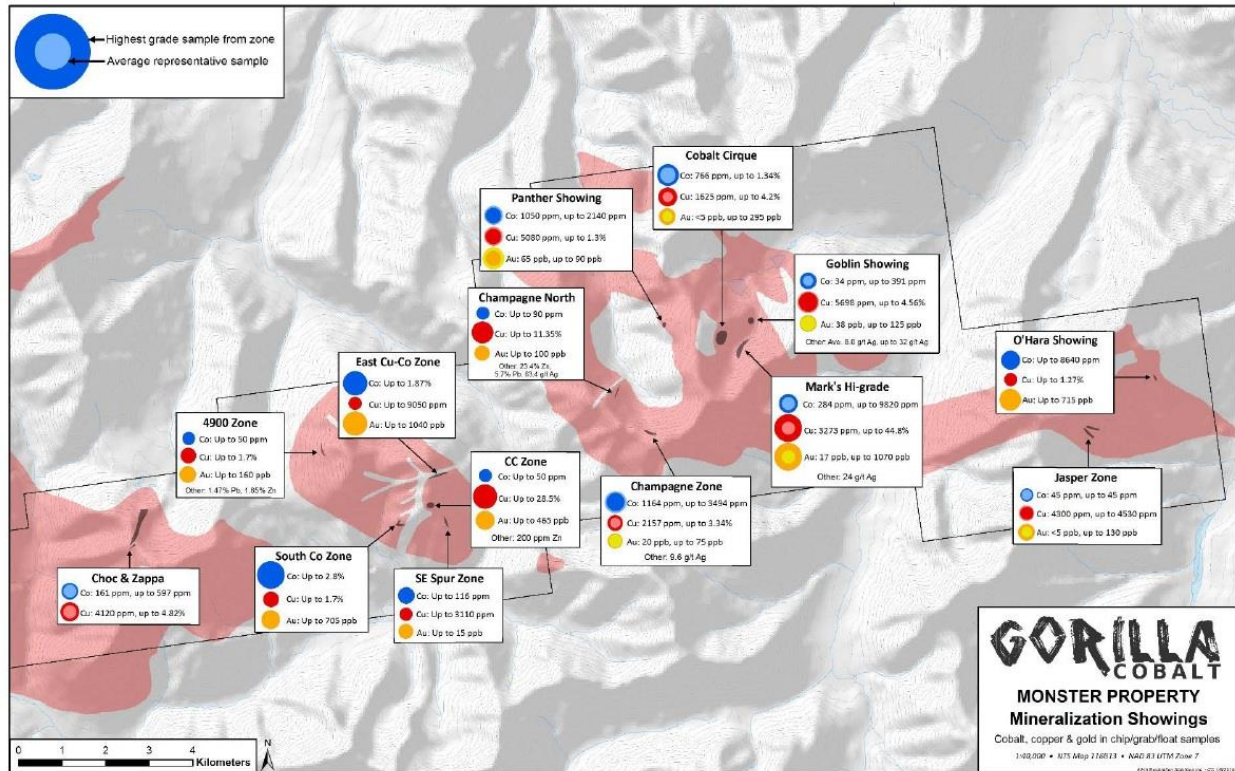

The Monster Property is an exploration stage Cu-Co property located in central-Yukon, approximately 85 km northeast of Dawson City, Yukon. The Monster Property consists of 283 contiguous 1500 x 1500 foot claim blocks and has a total surface area of 59.2 square km. The claim block encompasses part of the northern Wernecke Breccia belt, a roughly linear east-to-west trending belt of hematitic Iron Oxide Copper & Gold (IOCG) mineralized breccia zones.

The Monster Property is accessible by helicopter. The nearest road to the Monster Property is the Dempster Highway, 75 km east of the Monster Property. The nearest fixed wing airstrip is a 600 meter (m) long gravel airstrip on the South Tatonduk River about 10 km north of the Monster Property (64°55.7' N 139°52.3' W). The nearest helicopter base is in Dawson City, 85 km southwest of the Monster Property.

All mineralization on the Monster Property occurs within or immediately adjacent to the Wernecke Breccia. The Wernecke Breccia has been correlated to the Olympic Dam deposit based on age, lithological similarity and on the presence of similar fallback sediments. The IOCG deposit type was recently recognized for its potential to contain significant cobalt resources.

Historical work has resulted in the description of 14 mineralized showings of chalcopyrite, bornite, erythrite, and/or cobaltite. These minerals commonly occur in stringers, veins, veinlets and as disseminations and blebs and are locally associated with potassic alteration. Historical grab samples taken on these showings contain up to 44.8% Cu and 2.80% Co. Gold in historical grab samples range up to 1070 parts per billion Au.

Historical soil sampling, aeromagnetic, radiometric and surface geological surveys are available. The Monster Report states that the Monster Property is a property of merit based on favourable geology and the presence of 14 mineralized showings of chalcopyrite, bornite, erythrite, and/or cobaltite. There is no mineral resource or reserve present on the Monster Property. The Monster Property has one drill hole completed in 2003 by Monster Copper Resources. The hole intersected one clast of copper-mineralized andesite within Wernecke breccia returning 1.7% Cu over 0.5 m.

A two-phase work program on the Monster Property is recommended in the Monster Report. The objective of the work program is to: 1) increase the resolution of existing datasets, 2) use new techniques to probe the subsurface (IP and resistivity), and 3) to drill the anomalies that may result from these combined datasets.

The first phase of the work program would include UAV photogrammetric and/or LiDAR (light detection and ranging) survey, surface mapping, soil sampling, IP & TEM survey and airborne electromagnetic survey. The estimated budget for the first phase is \$693,635. A breakdown of the proposed program and budget for the first phase is set out in the following table:

Phase 1			
Survey	Duration (days)	cost/day	Total cost
UAV and photogrammetric survey @ 40 m AGL	21	NA	\$149,740.00

- (b) the holders of Preferred Shares are entitled to non-cumulative dividends as and when declared by the Board. The Preferred Shares were expressly created in order to dividend, on a pro rata basis, to holders of the Preferred Shares, the net proceeds from the sale of the shares of K2 Gold (each, a “**K2 Share**”) that the Company received from K2 Gold in connection with the option and joint venture of its Wels Property as evidenced by the K2 Option Agreement.

Each holder of Preferred Shares (a “**Preferred Shareholder**”) who was entitled to receive a board lot of 500 K2 Shares or more received the nearest whole number of K2 Shares, rounded down, (with fractions of a K2 Share retained by the Company), and each Preferred shareholder that would otherwise receive less than a board lot of K2 Shares received a cash dividend equal to the number of K2 Shares to which the Preferred Shareholder was entitled multiplied by \$0.50.

The Company has outstanding 5,960,000 Go Cobalt Warrants exercisable at \$0.075 per Go Cobalt Share until July 28, 2019, 2,000,000 Go Cobalt Warrants exercisable at \$0.075 per Go Cobalt Share until December 22, 2019, and 12,000,000 Go Cobalt Warrants exercisable at \$0.15 per Go Cobalt Share until February 12, 2020.

SPINCO AFTER THE ARRANGEMENT

The following is a description of Spinco assuming completion of the Arrangement.

Name, Address and Incorporation

Spinco was incorporated as "Flow Metals Corp." pursuant to the BCBCA on July 12, 2018 for the purposes of the Arrangement. Spinco is currently a private company and a wholly-owned subsidiary of Go Cobalt. Spinco's head office and registered and records offices are located at Suite 810, 789 West Pender Street, Vancouver, British Columbia V6C 1H2.

Inter-corporate Relationships

Spinco does not have any subsidiaries.

Significant Acquisition and Dispositions

Spinco has not completed a fiscal year. There are no significant acquisitions or dispositions, completed or probable, for which financial statements would be required under applicable securities Laws, other than the Arrangement. Details of the Arrangement are provided under "The Arrangement". The Arrangement, if successfully completed, will result in Spinco owning a 100% interest in the New Brenda Property. The future operating results and financial position of Spinco cannot be predicted. Shareholders may review Spinco's unaudited pro-forma financial statements attached as Schedule "F".

Trends

Spinco plans to become a mineral exploration company; however, it may pursue other business opportunities. Spinco's principal business following the Arrangement will be the exploration and, if warranted, development of the New Brenda Property and the potential acquisition of other mineral exploration properties. Accordingly, Spinco's financial success may be dependent upon the extent to which it can explore and develop mineral properties or other types of business.

The success of Spinco is largely dependent upon factors beyond Spinco's control. See "Risk Factors".

Other than as disclosed in this Circular, Spinco is not aware of any trends, uncertainties, demands, commitments or events which are reasonably likely to have a material effect upon its revenues, income from continuing operations, profitability, liquidity or capital resources, or that would cause reported financial information not necessarily to be indicative of future operating results or financial condition.

General Development of Spinco's Business

Spinco does not yet have a business history. Spinco will acquire the New Brenda Property from Go Cobalt as part of the Arrangement, will further explore the New Brenda Property and may pursue other business opportunities.

Summary of New Brenda Property

The following information regarding the New Brenda Property has been derived from the New Brenda Report. The New Brenda Report has been prepared in accordance with NI 43-101 and the report writer is an independent "Qualified Person" (as defined under NI 43-101). A full-text version of the New Brenda Report may be reviewed on SEDAR at www.sedar.com under the Company's profile. Disclosure regarding the New Brenda Property may also be reviewed in the Listing Statement of the Company, filed with the CSE on December 12, 2017, at www.thecse.com under the Company's profile.

The New Brenda Property is comprised of 15 contiguous mineral claims covering an area of 10,010 hectares west of the past producing Brenda Cu-Mo open pit mine located in southern British Columbia, approximately 40 km west of Kelowna. The New Brenda Property is readily vehicle accessible via a well-developed network of forest service roads connected to Highway 97c or from the community of Peachland.

LOCATION MAP

New Brenda Project

Southern British Columbia, Canada

Project:	By:
Scale: As Shown	Drawn: AS
Figure:	Date: May 2017

The New Brenda Property lies within the Quesnellia Terrane, on the eastern edge of the Intermontane tectonic belt of south-central British Columbia within the North American Cordillera and is composed of the Quesnellia, Stikinia and Cache Creek terranes. The New Brenda Property is underlain by Upper Palaeozoic sedimentary and volcanic rocks of the Cache Creek Group that have been intruded by Jurassic granitic to dioritic plutons of the Pennask and Osprey Lake batholiths. The Jurassic plutons are cross-cut by stocks and dykes of the Tertiary Otter intrusives.

The Quesnellia Terrane is, in part, an interwoven layer of Paleozoic and Mesozoic arcs and back-arcs. The magmatism occurred in multiple pulses with a significant pulse in the Late Triassic–Early Jurassic associated with multiple Cu-Mo-Au porphyry deposits including Highland Valley and Gibraltar; Copper Mountain, Afton, and Mountain Polley; and Brenda located east of the New Brenda Property, adjacent to the claim boundary.

Presently, the New Brenda Property features several large areas with gold soil geochemical anomalies. Currently the only records available show gold only analysis over the majority of the property area. Highly anomalous gold values occur in five clusters across the 10 km by 6 km property. There has not been any significant mineralization outlined on the New Brenda Property to date and the property is considered to be an early stage exploration property. However, the previous exploration programs on the New Brenda Property, as well as favourable geological settings, allows for inferences concerning potentially significant mineralization hosted in bedrock on the New Brenda Property. Exploration concepts are based, predominantly, on geological setting and known occurrences of mineralization in the area. The primary deposit types of interest to be explored for are Porphyry Copper ± Molybdenum ± Gold deposits and Polymetallic Gold ± Silver deposits. Information and evidence available to date suggest there is currently a lack of significant exploration data to draw any conclusions of an economic nature concerning the New Brenda Property at this stage.

The authors of the New Brenda Report concluded that several target areas meriting further exploration exist upon the New Brenda Property and recommended that further exploration be conducted in two phases. Phase 1 would consist of IP surveying, trenching, soil sampling, prospecting and geological mapping with an estimated budget totaling \$100,200, as reflected in the following table:

Dividends

Spinco does not anticipate paying any dividends on its common shares in the short or medium term. Any decision to pay dividends on the Spinco Shares in the future will be made by the board of directors of Spinco on the basis of the earnings, financial requirements and other conditions existing at such time.

Liquidity and Capital Resources

Pursuant to the Arrangement, Go Cobalt will transfer to Spinco all of Go Cobalt's interest in the New Brenda Property in exchange for Spinco Shares, which will be distributed to the Shareholders who hold Go Cobalt Shares as of the Share Distribution Record Date.

Spinco is a start-up company and therefore has no regular source of income. As a result, Spinco's ability to conduct operations, including the exploration of the New Brenda Property, is based on its ability to raise funds, primarily from equity sources, and there can be no assurance that Spinco will be able to do so.

See "Selected Unaudited Pro-forma Financial Information" for information concerning the financial assets of Spinco resulting from the Arrangement.

Results of Operations

Spinco has not carried out any commercial operations to date.

Available Funds

Pursuant to the Arrangement, Go Cobalt will transfer to Spinco all of Go Cobalt's interest in the New Brenda Property. The unaudited pro-forma working capital of Spinco was \$1.00 as of April 30, 2018 based on the assumption that, among other things, the Arrangement had occurred on April 30, 2018.

On the Effective Date, Spinco will not have sufficient working capital necessary to fulfill its needs. Go Cobalt will need to complete equity or debt financings to increase its working capital to, among other things, provide the operating funds necessary to explore, and if warranted, develop the New Brenda Property. There can be no assurance that Spinco will be able to obtain adequate financing in the future or that the terms of such financing will be favourable to Spinco. See "Risk Factors".

Share Capital of Spinco

Spinco is authorized to issue an unlimited number of common shares without par value. The holders of Spinco Shares ("**Spinco Shareholders**") are entitled to one vote for each Spinco Share held on all matters to be voted on by Spinco Shareholders. Spinco Shareholders are entitled to receive such dividends as may be declared by the directors of Spinco out of funds legally available for that purpose. Each Spinco Share is equal to every other Spinco Share and all Spinco Shares participate equally on liquidation or distribution of assets. There are no pre-emptive, redemption, purchase or conversion rights attached to the Spinco Shares.

The following table describes the share capitalization of Spinco, both prior to and assuming completion of the Arrangement:

AND ON HEARING Shaun Driver, counsel for the Petitioner.

AND UPON READING the Petition herein dated July 19, 2018 and the Affidavit #1 of Scott Sheldon sworn and filed on the 19th day of July, 2018. This court orders that:

THE MEETING

1. Go Cobalt Mining Corp. ("**GOCO**") is authorized and directed to call, hold and conduct an annual general and special meeting (the "**Meeting**") of the holders of common shares (the "**Shareholders**") of GOCO (each, a "**GOCO Share**") to be held at 10 a.m. on Wednesday, August 29, 2018 at Suite 810, 789 West Pender Street, Vancouver, British Columbia or such other location in Vancouver, British Columbia to be determined by GOCO.
2. At the Meeting, Shareholders will, inter alia, consider, and if deemed advisable, approve, with or without variation, a special resolution (the "**Arrangement Resolution**") adopting, with or without amendment, the proposed plan of arrangement (the "**Arrangement**") involving GOCO, the Shareholders, and Flow Mining Corp., ("**Flow**") as set forth more

particularly in the plan of arrangement (the "**Plan of Arrangement**") attached as Schedule "A" to the arrangement agreement between GOCO and Flow dated for reference July 16, 2018, which is attached as Exhibit "B" to the Affidavit #1 of Scott Sheldon sworn July 19, 2018 (the "**Affidavit**") and filed herein.

3. The Meeting will be called, held and conducted in accordance with the notice of Annual General and Special Meeting, an information circular (the "**Information Circular**") and form of proxy (together, the "**Meeting Materials**") to be delivered to the Shareholders in substantially the form attached as Exhibit "D" to the Affidavit, and in accordance with applicable provisions of the BCBCA, the Articles of GOCO, the *Securities Act* (British Columbia), R.S.B.C. 1996, c. 418, as amended (the "**Securities Act**"), and related rules and policies, the terms of this Order (the "**Interim Order**") and any further Order of this Court, the rulings and directions of the Chairman of the Meeting, and, to the extent of any inconsistency or discrepancy between the Interim Order and the terms of any of the foregoing, the Interim Order will govern.

RECORD DATE FOR NOTICE

4. The record date for determination of the Shareholders entitled to receive the Meeting Materials will be the close of business (Vancouver time) on Wednesday, July 25, 2018 (the "**Record Date**") or such other date as the directors of GOCO may determine in accordance with the Articles of GOCO, the BCBCA and the Securities Act, and as disclosed in the Meeting Materials.

NOTICE OF MEETING

5. GOCO will mail or deliver to the Shareholders in paper or electronic format or any combination of those, the Meeting Materials with such amendments as counsel for GOCO may advise are necessary or desirable, provided they are not inconsistent with the terms of the Interim Order in this proceeding. GOCO will mail or deliver the Meeting Materials to the Shareholders at least 21 days before the date of the Meeting, excluding the dates of mailing or delivery and the Meeting, in accordance with the BCBCA and National Instrument 54-101 of the Canadian Securities Administrators – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. That mailing or delivery will be valid and timely notice of the Meeting by GOCO to Shareholders.
6. The accidental failure or omission by GOCO to give notice of the Meeting or the Petition to any person in accordance with this Interim Order, as a result of mistake or of events beyond the reasonable control of GOCO (including, without limitation, any inability to utilize postal services) shall not constitute a breach of this Interim Order or a defect in the calling of the Meeting and shall not invalidate any resolution passed or proceeding taken at the Meeting, but if any such accidental failure or omission is brought to the attention of GOCO, then it shall use reasonable best efforts to rectify it by the method and in the time most reasonably practicable in the circumstances. Such rectified notice shall be deemed to be good and sufficient notice of the Meeting and/or the Petition, as the case may be.
7. The Arrangement Resolution approving the Arrangement as set forth in the Plan of Arrangement will be effective if passed by not less than 66 2/3% of the votes cast by the

Shareholders of record as of the close of business on the Record Date, either present in person or by proxy at the Meeting.

8. GOCO is hereby authorized to make such amendments, revisions or supplements to the Meeting Materials ("**Additional Information**") in accordance with the terms of the Arrangement, as GOCO may determine to be necessary or desirable and notice of such Additional Information may be communicated to Shareholders by news release, newspaper advertisement or one of the methods by which the Meeting Materials will be distributed.

DEEMED RECEIPT OF MEETING MATERIALS

9. The mailing or delivery of the Meeting Materials will be valid and timely service of the Petition and the Affidavit on, and notice of hearing of the Petition to, all Shareholders entitled to be served or receive notice. No other form of service or notice need be made or given. No other material need be served on Shareholders in respect of this proceeding.

PERMITTED ATTENDEES

10. The persons entitled to attend the Meeting will be Shareholders of record as of the close of business (Vancouver time) on the Record Date, their respective proxies, the officers, directors and advisors of GOCO and such other persons who receive the consent of the Chairman of the Meeting to attend.

VOTING AT THE MEETING

11. The only persons permitted to vote at the Meeting will be the registered Shareholders as of the close of business (Vancouver time) on the Record Date or their valid proxy holders as described in the Information Circular and as determined by the Chairman of the Meeting upon consultation with the Scrutineer (as hereinafter defined) and legal counsel to GOCO.
12. A quorum for the Meeting will be the quorum required by the Articles of GOCO.
13. In all other respects, the terms, restrictions and conditions of the constating documents of GOCO will apply in respect of the Meeting.
14. For the purposes of the Meeting, any spoiled votes, illegible votes, defective votes and abstentions shall be deemed to be votes not cast. Proxies that are properly signed and dated but which do not contain voting instructions shall be voted in favour of the Arrangement Resolution.

ADJOURNMENT OF MEETING

15. Notwithstanding any provision of the BCBCA or the Articles of GOCO, GOCO may adjourn or postpone the Meeting from time to time without the need for the approval of this Court, and without the necessity of first convening the Meeting or first obtaining any vote of the Shareholders respecting the adjournment or postponement, and notice of any such adjournment or postponement of the Meeting shall be given by press release, by

newspaper advertisement, by email or by mail, as determined by GOCO to be the most appropriate method of communication.

16. The Record Date for Shareholders entitled to notice of and to vote at the Meeting will not change in respect of adjournments or postponements of the Meeting.
17. At any subsequent reconvening of the Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Meeting, except for any proxies that have been effectively revoked or withdrawn prior to the subsequent reconvening of the Meeting.
18. In all other respects, the terms, restrictions and conditions of GOCO's constating documents, including quorum requirements, apply in respect of the Meeting.

AMENDMENTS

19. GOCO may make, subject to the terms of the Arrangement Agreement, such amendments, modifications or supplements to the Plan of Arrangement at any time and from time to time prior to the Meeting, without any additional notice to the Shareholders, and the Arrangement and Plan of Arrangement, as so amended, modified or supplemented shall be the Arrangement and Plan of Arrangement to be submitted to Shareholders at the Meeting and shall be the subject of the Arrangement Resolution. Amendments, modifications or supplements may be made following the Meeting, but shall be subject to review and approval by this Court at the final hearing for the approval of the Arrangement and, if the Court directs, approved by and communicated to the Shareholders, unless the amendments, modifications or supplements concern a matter which, in the reasonable opinion of GOCO and Flow, is of an administrative nature required to better give effect to the implementation of the Arrangement and is not materially adverse to the financial or economic interests of any Shareholder.

SCRUTINEER

20. A representative of GOCO's registrar and transfer agent (or any agent thereof) (the "**Scrutineer**") will be authorized to act as scrutineer for the Meeting.

PROXY SOLICITATION

21. GOCO is authorized to permit the Shareholders to vote by proxy using the form of proxy, in substantially the same form as attached as Exhibit "D" to the Affidavit. GOCO is authorized, at its expense, to solicit proxies, directly and through its officers, directors and employees, and through such agents or representatives as it may retain for the purpose, and by mail or such other forms of personal or electronic communications as it may determine.
22. GOCO may in its discretion waive the time limits for deposit of proxies by Shareholders if GOCO deems it reasonable to do so.

DISSENT RIGHTS

23. Registered Shareholders will have the right to dissent from the Arrangement Resolution and to be paid the fair value of their GOCO Shares, as if ss. 237 to 247 of the BCBCA, as modified by Article 5 of the Plan of Arrangement, the Interim Order and the Final Order (as defined below), applied to the proposed Arrangement. A dissenting Shareholder who does not strictly comply with the dissent procedures in s.237 to 247 of the BCBCA, as modified by Article 5 of the Plan of Arrangement, the Interim Order and the Final Order, will be deemed to have participated in the Arrangement on the same basis as a non-dissenting Shareholder.

SERVICE OF COURT MATERIALS

24. GOCO will include in the Meeting Materials a copy of this Interim Order and the Notice of Hearing of Petition and will make available to any Shareholder requesting same, a copy of the Petition herein and the accompanying Affidavit (collectively, the "**Court Materials**"). The service of the Petition and Affidavit in support of the within proceedings to any Shareholder requesting same is hereby dispensed with.
25. Delivery of the Court Materials given in accordance with this Interim Order will constitute good, sufficient and timely service of such Court Materials upon all persons who are entitled to receive the Court Materials pursuant to this Interim Order and no other form of service need be made and no other material need to be served on such persons in respect of these proceedings.

FINAL APPROVAL HEARING

26. Upon the approval by the Shareholders of the Plan of Arrangement in the manner set forth in this Interim Order, GOCO may apply for an order of this Honourable Court approving the Plan of Arrangement (the "**Final Order**") and that the Petition be set down for hearing before the presiding Judge in Chambers at the Courthouse at 800 Smithe Street, Vancouver, British Columbia at 9:45 a.m. on Monday, September 10, 2018 or such later date as counsel for GOCO may be heard.
27. Any Shareholder may appear on the application for approval of the proposed Arrangement by this Court, provided they file with this Court and deliver to the solicitors for GOCO by 4:00p.m. (Vancouver time) on September 6, 2018 a Response to Petition setting out their address for service, and all evidence they intend to present to this Court.
28. If the application for approval of the proposed Arrangement is adjourned, only those persons who have filed and delivered a Response to Petition, in accordance with paragraph 27 above, need to be notified of the adjourned date.
29. The Court shall consider at the hearing for the Final Order, the fairness of the terms and conditions of the Arrangement, as provided for in the Arrangement, and the rights and interest of every person affected thereby.

30. Rules 8-1, 8-2 and 16-1 of the Supreme Court Civil Rules will not apply to any further applications in respect of this proceeding, including the application for approval of the proposed Arrangement application and any application to vary the Interim Order.

VARIANCE

31. GOCO is at liberty to vary the Interim Order.

32. This Court shall seek and request the aid and recognition of any court or judicial, regulatory or administrative body in any Province of Canada, and judicial, regulatory or administrative tribunal or other court constituted pursuant to the Parliament of Canada or legislature of any Province, and any court or judicial, regulatory, or administrative body of the United States or any other country, to act in aid of, and to assist this Honourable Court in carrying out, the terms of this Interim Order.

PROCEDURES FOR EXERCISE OF DISSENT RIGHT

Division 2 — Dissent Proceedings of Part 8 of the Business Corporations Act (British Columbia)

Definitions and application

237 (1) In this Division:

“**dissenter**” means a shareholder who, being entitled to do so, sends written notice of dissent when and as required by section 242;

“**notice shares**” means, in relation to a notice of dissent, the shares in respect of which dissent is being exercised under the notice of dissent;

“**payout value**” means,

(a) in the case of a dissent in respect of a resolution, the fair value that the notice shares had immediately before the passing of the resolution,

(b) in the case of a dissent in respect of an arrangement approved by a court order made under section 291(2)(c) that permits dissent, the fair value that the notice shares had immediately before the passing of the resolution adopting the arrangement,

(c) in the case of a dissent in respect of a matter approved or authorized by any other court order that permits dissent, the fair value that the notice shares had at the time specified by the court order,

(d) in the case of a dissent in respect of a community contribution company, the value of the notice shares set out in the regulations,

excluding any appreciation or depreciation in anticipation of the corporate action approved or authorized by the resolution or court order unless exclusion would be inequitable, or

(2) This Division applies to any right of dissent exercisable by a shareholder except to the extent that

(a) the court orders otherwise, or

(b) in the case of a right of dissent authorized by a resolution referred to in section 238(1)(g), the court orders otherwise or the resolution provides otherwise.

Right to dissent

238 (1) A shareholder of a company, whether or not the shareholder's shares carry the right to vote, is entitled to dissent as follows:

(a) under section 260, in respect of a resolution to alter the articles

(i) to alter restrictions on the powers of the company or on the business the company is permitted to carry on, or

(ii) without limiting subparagraph (i), in the case of a community contribution company, to alter any of the company's community purposes within the meaning of section 51.91;

- (b) under section 272, in respect of a resolution to adopt an amalgamation agreement;
 - (c) under section 287, in respect of a resolution to approve an amalgamation under Division 4 of Part 9;
 - (d) in respect of a resolution to approve an arrangement, the terms of which arrangement permit dissent;
 - (e) under section 301(5), in respect of a resolution to authorize or ratify the sale, lease or other disposition of all or substantially all of the company's undertaking;
 - (f) under section 309, in respect of a resolution to authorize the continuation of the company into a jurisdiction other than British Columbia;
 - (g) in respect of any other resolution, if dissent is authorized by the resolution;
 - (h) in respect of any court order that permits dissent.
- (2) A shareholder wishing to dissent must
- (a) prepare a separate notice of dissent under section 242 for
 - (i) the shareholder, if the shareholder is dissenting on the shareholder's own behalf, and
 - (ii) each other person who beneficially owns shares registered in the shareholder's name and on whose behalf the shareholder is dissenting,
 - (b) identify in each notice of dissent, in accordance with section 242 (4), the person on whose behalf dissent is being exercised in that notice of dissent, and
 - (c) dissent with respect to all of the shares, registered in the shareholder's name, of which the person identified under paragraph (b) of this subsection is the beneficial owner.
- (3) Without limiting subsection (2), a person who wishes to have dissent exercised with respect to shares of which the person is the beneficial owner must
- (a) dissent with respect to all of the shares, if any, of which the person is both the registered owner and the beneficial owner, and
 - (b) cause each shareholder who is a registered owner of any other shares of which the person is the beneficial owner to dissent with respect to all of those shares.

Waiver of right to dissent

239 (1) A shareholder may not waive generally a right to dissent but may, in writing, waive the right to dissent with respect to a particular corporate action.

- (2) A shareholder wishing to waive a right of dissent with respect to a particular corporate action must
- (a) provide to the company a separate waiver for
 - (i) the shareholder, if the shareholder is providing a waiver on the shareholder's own behalf, and
 - (ii) each other person who beneficially owns shares registered in the shareholder's name and on whose behalf the shareholder is providing a waiver, and

(b) identify in each waiver the person on whose behalf the waiver is made.

(3) If a shareholder waives a right of dissent with respect to a particular corporate action and indicates in the waiver that the right to dissent is being waived on the shareholder's own behalf, the shareholder's right to dissent with respect to the particular corporate action terminates in respect of the shares of which the shareholder is both the registered owner and the beneficial owner, and this Division ceases to apply to

(a) the shareholder in respect of the shares of which the shareholder is both the registered owner and the beneficial owner, and

(b) any other shareholders, who are registered owners of shares beneficially owned by the first mentioned shareholder, in respect of the shares that are beneficially owned by the first mentioned shareholder.

(4) If a shareholder waives a right of dissent with respect to a particular corporate action and indicates in the waiver that the right to dissent is being waived on behalf of a specified person who beneficially owns shares registered in the name of the shareholder, the right of shareholders who are registered owners of shares beneficially owned by that specified person to dissent on behalf of that specified person with respect to the particular corporate action terminates and this Division ceases to apply to those shareholders in respect of the shares that are beneficially owned by that specified person.

Notice of resolution

240 (1) If a resolution in respect of which a shareholder is entitled to dissent is to be considered at a meeting of shareholders, the company must, at least the prescribed number of days before the date of the proposed meeting, send to each of its shareholders, whether or not their shares carry the right to vote,

(a) a copy of the proposed resolution, and

(b) a notice of the meeting that specifies the date of the meeting, and contains a statement advising of the right to send a notice of dissent.

(2) If a resolution in respect of which a shareholder is entitled to dissent is to be passed as a consent resolution of shareholders or as a resolution of directors and the earliest date on which that resolution can be passed is specified in the resolution or in the statement referred to in paragraph (b), the company may, at least 21 days before that specified date, send to each of its shareholders, whether or not their shares carry the right to vote,

(a) a copy of the proposed resolution, and

(b) a statement advising of the right to send a notice of dissent.

(3) If a resolution in respect of which a shareholder is entitled to dissent was or is to be passed as a resolution of shareholders without the company complying with subsection (1) or (2), or was or is to be passed as a directors' resolution without the company complying with subsection (2), the company must, before or within 14 days after the passing of the resolution, send to each of its shareholders who has not, on behalf of every person who beneficially owns shares registered in the name of the shareholder, consented to the resolution or voted in favour of the resolution, whether or not their shares carry the right to vote,

(a) a copy of the resolution,

(b) a statement advising of the right to send a notice of dissent, and

(c) if the resolution has passed, notification of that fact and the date on which it was passed.

(4) Nothing in subsection (1), (2) or (3) gives a shareholder a right to vote in a meeting at which, or on a resolution on which, the shareholder would not otherwise be entitled to vote.

Notice of court orders

241 If a court order provides for a right of dissent, the company must, not later than 14 days after the date on which the company receives a copy of the entered order, send to each shareholder who is entitled to exercise that right of dissent

- (a) a copy of the entered order, and
- (b) a statement advising of the right to send a notice of dissent.

Notice of dissent

242 (1) A shareholder intending to dissent in respect of a resolution referred to in section 238(1)(a), (b), (c), (d), (e) or (f) must,

- (b) if the company has complied with section 240 (3), send written notice of dissent to the company not more than 14 days after receiving the records referred to in that section, or
- (c) if the company has not complied with section 240 (1), (2) or (3), send written notice of dissent to the company not more than 14 days after the later of
 - (i) the date on which the shareholder learns that the resolution was passed, and
 - (ii) the date on which the shareholder learns that the shareholder is entitled to dissent.

(2) A shareholder intending to dissent in respect of a resolution referred to in section 238 (1)(g) must send written notice of dissent to the company

- (a) on or before the date specified by the resolution or in the statement referred to in section 240 (2)(b) or (3)(b) as the last date by which notice of dissent must be sent, or
- (b) if the resolution or statement does not specify a date, in accordance with subsection (1) of this section.

(3) A shareholder intending to dissent under section 238(1)(h) in respect of a court order that permits dissent must send written notice of dissent to the company

- (a) within the number of days, specified by the court order, after the shareholder receives the records referred to in section 241, or
- (b) if the court order does not specify the number of days referred to in paragraph (a) of this subsection, within 14 days after the shareholder receives the records referred to in section 241.

(4) A notice of dissent sent under this section must set out the number, and the class and series, if applicable, of the notice shares, and must set out whichever of the following is applicable:

- (a) if the notice shares constitute all of the shares of which the shareholder is both the registered owner and beneficial owner and the shareholder owns no other shares of the company as beneficial owner, a statement to that effect;

(b) if the notice shares constitute all of the shares of which the shareholder is both the registered owner and beneficial owner but the shareholder owns other shares of the company as beneficial owner, a statement to that effect and

(i) the names of the registered owners of those other shares,

(ii) the number, and the class and series, if applicable, of those other shares that are held by each of those registered owners, and

(iii) a statement that notices of dissent are being, or have been, sent in respect of all of those other shares;

(c) if dissent is being exercised by the shareholder on behalf of a beneficial owner who is not the dissenting shareholder, a statement to that effect and

(i) the name and address of the beneficial owner, and

(ii) a statement that the shareholder is dissenting in relation to all of the shares beneficially owned by the beneficial owner that are registered in the shareholder's name.

(5) The right of a shareholder to dissent on behalf of a beneficial owner of shares, including the shareholder, terminates and this Division ceases to apply to the shareholder in respect of that beneficial owner if subsections (1) to (4) of this section, as those subsections pertain to that beneficial owner, are not complied with.

Notice of intention to proceed

243(1) A company that receives a notice of dissent under section 242 from a dissenter must,

(a) if the company intends to act on the authority of the resolution or court order in respect of which the notice of dissent was sent, send a notice to the dissenter promptly after the later of

(i) the date on which the company forms the intention to proceed, and

(ii) the date on which the notice of dissent was received, or

(b) if the company has acted on the authority of that resolution or court order, promptly send a notice to the dissenter.

(2) A notice sent under subsection (1)(a) or (b) of this section must

(a) be dated not earlier than the date on which the notice is sent,

(b) state that the company intends to act, or has acted, as the case may be, on the authority of the resolution or court order, and

(c) advise the dissenter of the manner in which dissent is to be completed under section 244.

Completion of dissent

244(1) A dissenter who receives a notice under section 243 must, if the dissenter wishes to proceed with the dissent, send to the company or its transfer agent for the notice shares, within one month after the date of the notice,

(a) a written statement that the dissenter requires the company to purchase all of the notice shares,

- (b) the certificates, if any, representing the notice shares, and
 - (c) if section 242(4)(c) applies, a written statement that complies with subsection (2) of this section.
- (2) The written statement referred to in subsection (1)(c) must
- (a) be signed by the beneficial owner on whose behalf dissent is being exercised, and
 - (b) set out whether or not the beneficial owner is the beneficial owner of other shares of the company and, if so, set out
 - (i) the names of the registered owners of those other shares,
 - (ii) the number, and the class and series, if applicable, of those other shares that are held by each of those registered owners, and
 - (iii) that dissent is being exercised in respect of all of those other shares.
- (3) After the dissenter has complied with subsection (1),
- (a) the dissenter is deemed to have sold to the company the notice shares, and
 - (b) the company is deemed to have purchased those shares, and must comply with section 245, whether or not it is authorized to do so by, and despite any restriction in, its memorandum or articles.
- (4) Unless the court orders otherwise, if the dissenter fails to comply with subsection (1) of this section in relation to notice shares, the right of the dissenter to dissent with respect to those notice shares terminates and this Division, other than section 247, ceases to apply to the dissenter with respect to those notice shares.
- (5) Unless the court orders otherwise, if a person on whose behalf dissent is being exercised in relation to a particular corporate action fails to ensure that every shareholder who is a registered owner of any of the shares beneficially owned by that person complies with subsection (1) of this section, the right of shareholders who are registered owners of shares beneficially owned by that person to dissent on behalf of that person with respect to that corporate action terminates and this Division, other than section 247, ceases to apply to those shareholders in respect of the shares that are beneficially owned by that person.
- (6) A dissenter who has complied with subsection (1) of this section may not vote, or exercise or assert any rights of a shareholder, in respect of the notice shares, other than under this Division.

Payment for notice shares

245(1) A company and a dissenter who has complied with section 244 (1) may agree on the amount of the payout value of the notice shares and, in that event, the company must

- (a) promptly pay that amount to the dissenter, or
 - (b) if subsection (5) of this section applies, promptly send a notice to the dissenter that the company is unable lawfully to pay dissenters for their shares.
- (2) A dissenter who has not entered into an agreement with the company under subsection (1) or the company may apply to the court and the court may

- (a) determine the payout value of the notice shares of those dissenters who have not entered into an agreement with the company under subsection (1), or order that the payout value of those notice shares be established by arbitration or by reference to the registrar, or a referee, of the court,
 - (b) join in the application each dissenter, other than a dissenter who has entered into an agreement with the company under subsection (1), who has complied with section 244(1), and
 - (c) make consequential orders and give directions it considers appropriate.
- (3) Promptly after a determination of the payout value for notice shares has been made under subsection (2)(a) of this section, the company must
- (a) pay to each dissenter who has complied with section 244 (1) in relation to those notice shares, other than a dissenter who has entered into an agreement with the company under subsection (1) of this section, the payout value applicable to that dissenter's notice shares, or
 - (b) if subsection (5) applies, promptly send a notice to the dissenter that the company is unable lawfully to pay dissenters for their shares.
- (4) If a dissenter receives a notice under subsection (1)(b) or (3)(b),
- (a) the dissenter may, within 30 days after receipt, withdraw the dissenter's notice of dissent, in which case the company is deemed to consent to the withdrawal and this Division, other than section 247, ceases to apply to the dissenter with respect to the notice shares, or
 - (b) if the dissenter does not withdraw the notice of dissent in accordance with paragraph (a) of this subsection, the dissenter retains a status as a claimant against the company, to be paid as soon as the company is lawfully able to do so or, in a liquidation, to be ranked subordinate to the rights of creditors of the company but in priority to its shareholders.
- (5) A company must not make a payment to a dissenter under this section if there are reasonable grounds for believing that
- (a) the company is insolvent, or
 - (b) the payment would render the company insolvent.

Loss of right to dissent

246 The right of a dissenter to dissent with respect to notice shares terminates and this Division, other than section 247, ceases to apply to the dissenter with respect to those notice shares, if, before payment is made to the dissenter of the full amount of money to which the dissenter is entitled under section 245 in relation to those notice shares, any of the following events occur:

- (e) the arrangement in respect of which the notice of dissent was sent is abandoned or by its terms will not proceed;
- (f) a court permanently enjoins or sets aside the corporate action approved or authorized by the resolution or court order in respect of which the notice of dissent was sent;
- (g) with respect to the notice shares, the dissenter consents to, or votes in favour of, the resolution in respect of which the notice of dissent was sent;
- (h) the notice of dissent is withdrawn with the written consent of the company;
- (i) the court determines that the dissenter is not entitled to dissent under this Division or that the dissenter is not entitled to dissent with respect to the notice shares under this Division.

Shareholders entitled to return of shares and rights

247 If, under section 244 (4) or (5), 245 (4)(a) or 246, this Division, other than this section, ceases to apply to a dissenter with respect to notice shares,

- (a) the company must return to the dissenter each of the applicable share certificates, if any, sent under section 244 (1)(b) or, if those share certificates are unavailable, replacements for those share certificates,
- (b) the dissenter regains any ability lost under section 244 (6) to vote, or exercise or assert any rights of a shareholder, in respect of the notice shares, and
- (c) the dissenter must return any money that the company paid to the dissenter in respect of the notice shares under, or in purported compliance with, this Division.

FLOW METALS CORP.
PRO FORMA STATEMENT OF FINANCIAL POSITION
(Unaudited – Expressed in Canadian dollars)
AS AT APRIL 30, 2018

Note 1 **Basis of Presentation**

This unaudited pro-forma statement of financial position has been compiled for the purposes of inclusion in the Management Information Circular of Go Cobalt Mining Corp. (formerly Gorilla Minerals Corp.) (“Go Cobalt”) dated July 25, 2018, in connection with the reorganization of Go Cobalt’s interest in the New Brenda Property with Flow Metals Corp. (“Flow Metals” or the “Company”) to a separate corporate entity by a Plan of Arrangement (the “Arrangement”). The Company has been incorporated under the *Business Corporations Act* (British Columbia) with 100 common shares issued to its initial and sole shareholder, Go Cobalt. Under the terms of the Arrangement, the Company will own all of Go Cobalt’s interest in the New Brenda Property. As consideration for the New Brenda Property, the Company will be expected to issue 9,767,276 common shares (equal to one common share of the Company for every six common shares of Go Cobalt expected to be outstanding) to Go Cobalt, which will then be distributed to the current shareholders of Go Cobalt pro-rata based on their relative shareholdings of Go Cobalt.

The pro-forma statement of financial position has been prepared as if the Arrangement had occurred on April 30, 2018 and that the adjustments disclosed in Note 2 had occurred on the same date. In the opinion of management, the pro-forma statement of financial position includes all the adjustments necessary for fair presentation in accordance with International Financial Reporting Standards, inclusive of the effect of the assumptions disclosed in Note 3. A pro-forma presentation of operations for the period ending April 30, 2018 is not considered practicable in this circumstance nor would it provide any meaningful information to a financial statement reader.

This pro-forma statement of financial position is not necessarily reflective of the financial position that would have resulted if the events reflected herein under the Arrangement had actually occurred on April 30, 2018, but rather expresses the pro-forma results of specific transactions currently proposed. Further, this pro-forma statement of financial position is not necessarily indicative of the financial position that may be attained in the future.

Note 2 **Pro-forma Adjustments**

The pro-forma statement of financial position gives effect to the following transactions as if they had occurred at April 30, 2018:

- (a) Go Cobalt transfers certain assets, described further in Note 3, to Flow Metals and receives in consideration 9,767,276 common shares of Flow Metals valued at \$326,000.
- (b) The Company redeems the incorporator shares of 100 common shares issued to Go Cobalt.

The costs relating to the Arrangement, including without limitation, financial, advisory, accounting and legal fees, will be borne by Go Cobalt.

FLOW METALS CORP.

PRO FORMA STATEMENT OF FINANCIAL POSITION

(Unaudited – Expressed in Canadian dollars)

AS AT APRIL 30, 2018

Note 3 Pro-forma Assumptions

Pursuant to the Arrangement, the asset to be transferred to Flow Metals, based on its carrying value in the financial statements of Go Cobalt at April 30, 2018, is as follows:

New Brenda Property	\$	326,000
---------------------	----	---------

The Arrangement envisions the transfer of the New Brenda Property from its ownership by Go Cobalt to ownership by Go Cobalt's wholly-owned subsidiary Flow Metals in consideration of Flow Metals common shares and the immediate distribution of such Flow Metals common shares to the current shareholders of Go Cobalt. The shareholders of Go Cobalt at the time of the Arrangement will continue to collectively own the New Brenda Property, albeit through an altered corporate structure. Consequently, given that there will be no substantive change in the beneficial ownership of the asset at the time that it is transferred to Flow Metals; the transfer must be recorded using the historical carrying value of the asset.

The Company will have a 100% interest in the New Brenda Property following the Arrangement.

Further, the pro-forma statement of financial position reflects the assumption that Flow Metals will acquire a tax basis equal to the carrying amount for accounting purposes, such that no liability exists for future income taxes.

Note 4 Share Capital

	Number of Shares	Amount \$
Issued at incorporation	100	5
Redemption of incorporator shares	(100)	(5)
Issued on acquisition of New Brenda Property	9,767,276	326,000
Pro-forma issued and outstanding	9,767,276	326,000

Note 5 Investment Commitments

Go Cobalt's options and warrants outstanding at the effective date of the Arrangement will entitle the holder to acquire Go Cobalt common shares and Flow Metals common shares on the basis that the holder will receive, upon exercise, one Flow Metals share for every six Go Cobalt shares so acquired. Go Cobalt will collect and pay to Flow Metals a portion of the proceeds received for each exercise, with the balance of the exercise price to be retained by Go Cobalt.
