**Re Refiling of Second Quarter FTC Cards Inc. financial statements**

**Dear Sir/Madam:**

On August 25, 2017, we sought to file on SEDAR the complete financial statements of FTC Cards Inc. for the quarter ended June 30, 2017. Through a technical error, only the first page of the statements was filed on SEDAR. We are today filing the complete financial statements.

Thank you.

Regards,
