NOT FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

Vancouver, BC – April 7, 2022 – FTC Cards Inc. (“**FTC Cards**”) is pleased to announce that, further to the news releases dated September 27, 2021 and February 14, 2022, it has closed the third and final tranche of its non-brokered private placement financing (the “**Concurrent Financing**”) that is being undertaken in connection with its reverse takeover transaction (the “**Transaction**”) with Beyond Oil Ltd. (“**Beyond Oil**”).

The third tranche of the Concurrent Financing was comprised of 2,258,402 special warrants (“**Special Warrants**”), at a price of C\$0.75 per Special Warrant, for gross proceeds of C\$1,693,801.50. The total funds raised in all three tranches of the Concurrent Financing was C\$3,500,000.25.

“We are pleased to have completed our public listing financing, fully subscribed, demonstrating investors’ interest in our unique patented solution that we expect will disrupt the global vegetable oil industry,” said Robert Kiesman, CEO of FTC Cards. “We are looking forward to completing the merger with Beyond Oil so they can execute their business plan and bring this exciting technology to the global food industry.”

It is intended that the net proceeds from the Concurrent Financing will be used to complete the Transaction, to continue to implement Beyond Oil’s business plan, including sales & marketing, product development, and for general working capital.

Each Special Warrant will automatically convert, without the payment of any additional consideration (other than the proceeds paid by FTC Cards in accordance with the Concurrent Financing), into one unit (“**Unit**”), on the date that is the earlier of: (a) the third business day after receipt of the non-offering prospectus being filed in connection with the Transaction; and (b) four months and a day after the issue date of the Special Warrants.

Each Unit will be comprised of one common share of FTC Cards (each, a “**Share**”) and one half of one common share purchase warrant (each whole warrant, a “**Concurrent Warrant**”), with each Concurrent Warrant being exercisable for one Share at an exercise price of C\$1.25 per share for a period of 12 months after the closing date of the Transaction (the “**Closing Date**”).

Pursuant to the final tranche of the Concurrent Financing, FTC Cards paid an aggregate of C\$73,499.53 in cash commissions to certain finders and issued such finders an aggregate of 98,001 Share purchase warrants (the “**Finders’ Warrants**”). Each Finders’ Warrant will be exercisable for one Share at an exercise price of C\$1.25 for a period of 12 months after the date of issuance.
