AND COMPLETION OF PRIVATE PLACEMENT AND SHARES FOR DEBT
TRANSACTION**

November 19, 2015 - ICESoft Technologies Canada Corp. (formerly Stinton Exploration Ltd.) (“**ICESoft**” or the “**Company**”) is pleased to announce that on November 18, 2015, the Company consolidated all of the issued and outstanding common shares of the Company on the basis of a ratio of one (1) post-consolidation common share for each sixteen (16) outstanding pre-consolidation common shares (the “**Consolidation**”). Subsequently, on November 19, 2015, the Company changed its name from “Stinton Exploration Ltd” to “ICESoft Technologies Canada Corp.” (the “**Name Change**”) and changed the Province in which the Company’s registered office is situated from Manitoba to British Columbia (the “**Change of Province of Registered Office**”). The Consolidation, Name Change and Change of Province of Registered Office (collectively, the “**Corporate Changes**”) were all approved and authorized at the annual and special meeting of shareholders of the Company held on October 30, 2015.

On November 18, 2015, prior to effecting the Consolidation, the Company closed a private placement (the “**Private Placement**”) of 15,000 units at a price of \$2.00 per unit, raising an aggregate of CAD\$30,000, each unit consisting of 10 common shares (on a post-Consolidation basis) and 5 common share purchase warrants (on a post-Consolidation basis). Each whole warrant is exercisable at a price of CAD\$0.24 per common share (on a post-Consolidation basis) between January 1, 2016 and May 31, 2016 and at a price of CAD\$0.30 per common share (on a post-Consolidation basis) between June 1, 2016 and December 31, 2017. The common shares issued by the Company pursuant to the private placement are subject to resale restrictions in accordance with applicable securities legislation until March 19, 2016.

Concurrently with closing of the Private Placement, the Company completed the previously announced shares for debt transactions pursuant to which certain former directors and one current director of the Company (the “**Lenders**”) agreed to convert their outstanding loans to the Company in the aggregate amount of USD\$102,600 into common shares of the Company. Pursuant to the agreement between the Company and the Lenders, the Lenders received common shares with a value of CAD\$87,295.81 (being USD\$102,600 less CAD\$49,504.19, being 1.1 times the amount of accounts payable not covered by the working capital of the Company at closing of the reverse takeover transaction completed by the Company on September 24, 2015, based on an exchange rate of USD\$0.75 to CAD\$1). In aggregate, the Company has issued approximately 436,479 common shares (on a post-Consolidation basis) to the Lenders at a deemed price of CAD\$0.20 per common share (on a post-Consolidation basis).
