

ICESoft Technologies Canada Corp.
MANAGEMENT INFORMATION CIRCULAR
DATED AS OF MAY 30, 2019

SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation by the Management of ICESoft Technologies Canada Corp. (the “**Corporation**”) of proxies to be used at the Annual Meeting of shareholders (the “**Meeting**”) of the Corporation to be held at the Calgary Petroleum Club, 319 5th Av SW, Calgary, Alberta at 10:00 AM (Mountain Time) on June 27, 2019, and at any adjournment thereof. The information contained in this Management Information Circular is given as of May 30, 2019 unless otherwise indicated. The solicitation is made by the Management of the Corporation (the “**Management**”). It is expected that the solicitation of proxies will be primarily by mail. Proxies may also be solicited personally or by telephone, by directors, officers or regular employees of the Corporation, at nominal cost, for the purposes set forth in the accompanying Notice of Annual Meeting (the “**Notice of Meeting**”). The total cost of the solicitation will be borne by the Corporation.

APPOINTMENT OF PROXIES

The individuals named in the accompanying form of proxy are directors and/or officers of the Corporation. **A shareholder wishing to appoint some other person (who need not be a shareholder) to attend and act for the shareholder and on the shareholder’s behalf at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the form of proxy and striking out the two printed names, or by completing another form of proxy.** A proxy will not be valid unless the completed, dated and signed form of proxy is delivered to Alliance Trust Company, #1010, 407 - 2nd Street SW, Calgary, Alberta T2P 2Y3, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof.

REVOCAION OF PROXIES

In addition to revocation in any manner permitted by law, a proxy may be revoked by an instrument in writing signed by the shareholder or by the shareholder’s attorney duly authorized in writing or, if the shareholder is a corporation or association, the instrument in writing should bear the seal of such corporation or association and must be executed by an officer or by an attorney duly authorized in writing, and deposited at the registered office of the Corporation, Suite 370, 3553 31st ST N.W, Calgary, Alberta, Attention: Brian McKinney, at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or, as to any matter in respect of which a vote shall not already have been cast pursuant to such proxy, with the Chairman of the Meeting on the day of the Meeting, or at any adjournment thereof, and upon either of such deposits the proxy is revoked.

VOTING OF PROXIES

All shares represented at the Meeting by properly executed proxies will be voted or withheld from voting (including the voting on any ballot), in accordance with the instructions specified in the enclosed Form of Proxy. **In the absence of any such specification, the Proxy confers discretionary authority on the proxyholder with respect to such matter. It is intended that the Management designees, if named as proxyholder, will vote in favour of each matter referred to in the Proxy and for the nominees of Management for directors and for auditor.**

The Management designees named in the enclosed Form of Proxy are Mr. Brian McKinney and Mr. S. Mark Francis, both directors of the Corporation, and the Management designees, and have indicated their willingness to represent as proxyholder, the shareholder who appoints them.

The enclosed Form of Proxy, when properly signed, confers discretionary authority upon the persons named therein with respect to amendments or variations of matters identified in the Notice of Meeting and any other matters which may properly be brought before the Meeting. As of the date hereof, Management of the Corporation is not aware of any such amendments to or variations of matters identified in the Notice of

Meeting or of other matters to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, then the Management designees intend to vote in accordance with the judgment of the Management of the Corporation.

SPECIAL INSTRUCTIONS FOR VOTING BY NON-REGISTERED HOLDERS

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the Meeting. Shareholders of the Corporation may be “non-registered” shareholders if the shares of the Corporation they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s, TFSA’s and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. The Corporation is not sending proxy-related materials directly to non-objecting beneficial owners (Non-Registered Holders who do not object to their identity being made known to the issuers of the securities they own). In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators (“**NI 54-101**”), the Corporation has, if applicable, distributed copies of the Notice of Meeting, this Management Information Circular, the Form of Proxy and Notes to Proxy and related documents together with the Audited Financial Statements of the Corporation for the year ended December 31, 2018 and 2017 and related Management Discussion and Analysis (“**MD&A**”) (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders (and is not sending proxy-related materials using notice-and-access this year). The Corporation does not intend to pay for Intermediaries to deliver the proxy-related materials and request for voting instructions form to objecting beneficial owners (Non-Registered Holders who object to their identity being known to the issuers of securities which they own) and objecting beneficial owners will not receive the materials unless the objecting beneficial owner’s intermediary assumes the cost of delivery.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless, in the case of certain proxy-related materials, a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. With those Meeting Materials, Intermediaries or their service companies should provide Non-Registered Holders with a request for voting instruction form which, when properly completed and signed by the Non-Registered Holder and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. **Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered.**

Should a Non-Registered Holder wish to vote at the Meeting in person, the Non-Registered Holder must insert their name (or such other person as the Non-Registered Holder wishes to attend and vote on their behalf) in the blank space provided for that purpose on the request for voting instructions form and return the completed request for voting instructions form to the Intermediary or its service company or the Non-Registered Holder must submit, to their Intermediary, any other document in writing that requests that the Non-Registered Holder or a nominee of the Non-Registered Holder be appointed as proxyholder. In such circumstances an Intermediary who is the registered holder of, or holds a proxy in respect of, securities owned by a Non-Registered Holder is required under NI 54-101 to arrange, without expense to the Non-Registered Holder, to appoint the Non-Registered Holder or a nominee of the Non-Registered Holder as a proxyholder in respect of those securities. Under NI 54-101, if an Intermediary appoints a Non-Registered Holder or the nominee of the Non-Registered Holder as a proxyholder as aforesaid, the Non-Registered Holder or nominee of the Non-Registered Holder, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of the Intermediary, in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless corporate law does not permit the giving of that authority. Pursuant to NI 54-101 an Intermediary who appoints a Non-Registered Holder or its nominee as proxyholder as aforesaid is required under NI 54-101 to deposit the proxy within the timeframe specified above for the deposit of proxies if the Intermediary obtains the instructions at least one (1) business day before the termination of that time. **If the Non-Registered Holder or a nominee of the Non-Registered Holder is appointed a proxyholder pursuant to such request, the appointed proxyholder will need to attend the Meeting in person in order for their votes to be counted.**

Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As at the date of this Management Information Circular, there are 51,725,739 Common Shares issued and outstanding, each such share carrying the right to one vote at the Meeting. The Corporation has no other classes of shares outstanding.

Each shareholder of record on May 23, 2019 (the “**Record Date**”) is entitled to receive notice of, to attend and to vote at the Meeting.

The By-laws of the Corporation provide that a quorum for the transaction of business at the Meeting is at least two persons present in person or by proxy and each entitled to vote at the Meeting, holding in the aggregate not less than 10% of the issued shares entitled to be voted at the Meeting.

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

Compensation of Directors

The Directors were not awarded compensation in 2018. During 2016, the Independent Directors were each awarded 200,000 stock options of the corporation striking at \$0.25 per option. Each option allows for the purchase of one common share. 20% of the options vested on April 15, 2016 and an additional 20% vest every six months thereafter. The options expire on April 14, 2021.

Compensation of Named Executive Officers

In assessing the compensation of its NEOs (as defined below), the Corporation does not currently have in place any formal objectives, criteria or analysis; instead, it relies mainly on discussions of the Board.

The Board considers the implications of the risks associated with the Corporation's compensation policies and practices. The Board does not believe that its current compensation practices create a material risk that the NEOs or any employee would be encouraged to take inappropriate or excessive risks, and no such risks have been detected to date. The Board will continue to include this consideration in its deliberations, and believes that it would detect actions of Management and employees of the Corporation that constitute or would lead to inappropriate or excessive risks

The Corporation does not have a policy that would prohibit NEOs or directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The Corporation currently does not have a compensation committee in place but may establish a compensation committee in the future to assist the Board in fulfilling its responsibility to shareholders, potential shareholders and the investment community by reviewing and providing recommendations to the Board regarding executive compensation, succession plans for executive officers, and the Corporation's overall compensation and benefits policies, plans and programs. The Corporation does not use specific peer groups in determining compensation or any element of compensation.

Elements of NEO Compensation

Mr. McKinney received a base salary in 2018 of \$45,000 representing 100% of his total compensation. No significant element of his total compensation was tied to performance criteria, goals or milestones. There have been no significant changes to the Corporations compensation policies during or subsequent to FY 2018 that could or will have an effect on Mr. McKinney's total compensation.

Forge Capital Ltd. received \$36,000 in 2018 for Mr. Gordon's services as a financial advisor and CFO. This represents 100% of the cash compensation made to Forge Capital Ltd.. No significant element of the compensation paid to Forge Capital for Mr. Gordon's services was tied to performance criteria, goals or milestones. No significant events occurred during FY 2018 that affected Forge Capital Ltd. total compensation. Subsequent to year end, Forge Capital Ltd. was reinstated as CFO.

Determination of Base Salary

The Corporation's Named Executive Officers receive an annual base salary. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his role and to ensure executive retention. The Board determines what the Named Executive Officer's base compensation for the upcoming year will be based on the overall performance of the Company, the performance of the Named Executive Officer and general trends in the industry.

Long Term Incentives (Stock Options)

Long term incentives are performance-based grants of stock options. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options are based on:

- (a) the executive’s performance;
- (b) the executive’s level of responsibility within the Corporation;
- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

Management makes recommendations to the Board concerning the long term incentives based on the above criteria. Stock options are typically granted on an annual basis in connection with the review of executives’ compensation packages. Stock options may also be granted, at the discretion of the Board, throughout the year, as special recognition for extraordinary performance. The Board considers previous grants of options and the overall number of awards that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the NEO.

Annual Bonus

No annual bonuses were approved for any NEO or any other employee of the Corporation for FY 2018.

PENSION PLAN BENEFITS

The Corporation does not have a pension plan in place and therefore there were no pension plan benefit awards made to the Named Executive Officers during the fiscal year ended December 31, 2018.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed herein, the Corporation is not aware of any material transaction involving any director or executive officer of the Corporation, any director or executive officer of any shareholder who holds more than 10% of the voting rights attached to the Common Shares of the Corporation, any proposed nominee for election as a director of the Corporation, or any shareholder who holds more than 10% of the voting rights attached to the Common Shares of the Corporation or any associate or affiliate of any of the foregoing, which has been entered into

since the commencement of the Corporation's last completed financial year or in any proposed transaction which, in either case, has materially affected or will materially affect the Corporation or any of its subsidiaries.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein or in other associated Meeting Materials, no director or executive officer of the Corporation, no proposed nominee for election as a director of the Corporation and no associate or affiliate of the foregoing has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the directors or executive officers of the Corporation has been indebted to the Corporation or its subsidiaries during the financial year ended December 31, 2018.

CORPORATE GOVERNANCE

The following disclosure relates to the Corporation's Corporate Governance Practices as required under National Instrument 58-101 - *Disclosure of Corporate Governance Practices*.

Board of Directors

The Board facilitates its exercise of independent supervision over the Corporation's Management through frequent formal and informal meetings of the Board.

A majority of the members of the Board qualify as "independent", namely Derrick Hunter, Bruce Derrick and S. Mark Francis. An "independent" director is a director who has no direct or indirect "material relationship" with the Corporation. A "material relationship" means a relationship which could, in the view of the Corporation's Board, reasonably interfere with the exercise of a member's independent judgment. Section 1.4 of National Instrument 52-110 - *Audit Committees* ("NI 52-110") contains further clarification of the meaning of "independence" and what constitutes a "material relationship". Brian McKinney is an executive officer of the Corporation and therefore is not an independent director.

Directorships

The following table sets forth information for each director of the Corporation who is presently a director of any other reporting issuers (or the equivalent in another jurisdiction):

| Name of Director | Reporting Issuer(s) or Equivalent |
|-------------------------|--|
| S. Mark Francis | Exploratus Ltd. |

Orientation and Continuing Education

The Board briefs all new directors with respect to the policies of the Board and other relevant corporate and business information. The Board does not provide any formal continuing education.

Ethical Business Conduct

The Board believes that the fiduciary duties placed on individual directors by the common law and the Corporation's governing corporate legislation and the restrictions placed by such legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of Management and in the best interests of the Corporation.

Nomination of Directors

The Board is responsible for identifying individuals qualified to become new Board members and recommending new director nominees. New nominees must have relevant experience in business management, special expertise in an area of strategic interest to the Corporation and the willingness to devote the required time and support the Corporation's objectives.

Compensation

The Board conducts reviews with regard to directors' and chief executive officer's compensation once a year. To make its recommendation on directors' and the chief executive officer's compensation, the Board takes into account the types of compensation and the amounts paid to directors and chief executive officers of comparable publicly traded Canadian companies.

Board Committees

The Corporation has no other committees other than the Audit Committee.

Assessments

To satisfy itself that the Board, the Audit Committee, and its individual directors are performing effectively, the Board monitors the adequacy of information given to directors, communication between the Board and Management and the strategic direction and processes of the Board and Audit Committee.
