RE: NI 43-101 Compliant Technical Report Dated 30 July, 2013

Reference is made to the technical report (the “**Technical Report**”) dated 30 July, 2013 entitled “Update Report on the Appia Energy Corp. Uranium-Rare Earth Property, Elliot Lake District, North-Central Ontario, Canada”, with certificate pages dated 30 July, 2013, which I have co-authored with Al Workman, P.Geo. and Kurt Breede, P. Eng., for the Corporation. I hereby consent to the filing of the Technical Report, the inclusion of extracts from, or a summary of, the Technical Report in the news release of the Corporation dated 14 August, 2013 (the “**News Release**”) under the heading “**The Property**”, the references to my name and the Technical Report in the News Release.

I also certify that I have read the News Release, including the disclosure set forth therein and that: (i) it fairly and accurately represents the information in the Technical Report that supports the disclosure; and (ii) I do not have any reason to believe that there are any misrepresentations in the information contained in the News Release that are derived from the Technical Report, or that are within my knowledge as a result of the services which I performed in connection with the Technical Report.

DATED this 14th day of August, 2013.

John Goode, P. Eng.
