which change or new material fact is, or could reasonably be expected to be, of such a nature as:

- (i) to render this Agreement or any of the Ancillary Documents, as they exist taken together in their entirety immediately prior to such change or new material fact, misleading or untrue in any material respect or would result in any of such documents, as they exist taken together in their entirety immediately prior to such change or material fact, containing a misrepresentation;
- (ii) would result in this Agreement or any of the Ancillary Documents, as they exist taken together in their entirety immediately prior to such change or material fact, not complying with any Applicable Securities Laws; or
- (iii) would reasonably be expected to have a material and adverse effect on the market price or value of the Common Shares or constitute a Material Adverse Effect.

In such regard to "material changes", the Corporation will comply with Part 7 of NI 51-102, and the Corporation will prepare and will file promptly any document which may be necessary, and will otherwise comply with all applicable filing and other requirements under Applicable Securities Laws arising as a result of such fact or change;

- (l) the Corporation will keep proper and complete books, records and accounts in accordance with Canadian generally accepted accounting principles showing true and accurate records of all expenditures of the gross proceeds of the Flow-Through Offering and make such books, records and accounts reasonably available for inspection and audit by or on behalf of the Underwriter and/or the Flow-Through Subscribers;
- (m) the Corporation will during the Expenditure Period retain its status as a “principal-business corporation” within the meaning of subsection 66(15) of the Tax Act, and carry out exploration activities on resource properties in Canada beneficially owned by the Corporation, or on any resource properties in which the Corporation has an interest or the right to acquire an interest, so as to incur or be deemed to incur Resource Expenses in an amount not less than the Commitment Amount;
- (n) the Corporation will incur Resource Expenses in an aggregate amount equal to or greater than the Commitment Amount, and will refrain from entering into transactions or taking deductions which would otherwise reduce its cumulative CEE to an extent that would preclude a renunciation to the Flow-Through Subscribers of Resource Expenses under the Flow-Through Subscription Agreements in an amount equal to the Commitment Amount effective on or before December 31, 2021;
- (o) the Corporation will not be subject to the provisions of subsection 66(12.67) of the Tax Act in a manner which impairs its ability to renounce Resource Expenses to each Flow-Through Subscriber in an amount equal to the portion of the Commitment Amount paid by each such Flow-Through Subscriber;
- (p) the Corporation will, not later than February 28, 2022, renounce to the Flow-Through Subscribers, in priority to any persons acquiring any flow-through shares after the date hereof (in accordance with the Tax Act, this Agreement and the Flow-Through Subscription Agreements) effective on or before December 31, 2021, Resource Expenses incurred or to be incurred during the Expenditure Period equal to the Commitment Amount;

- (s) if the Corporation receives, or becomes entitled to receive, any government assistance which is described in paragraph (a) of the definition of "excluded obligation" in subsection 6202.1(5) of the regulations to the Tax Act and the receipt of or entitlement to receive such government assistance may have the effect of reducing the amount of CEE that may be renounced to the Flow-Through Subscribers to less than the Commitment Amount, the Corporation will incur additional Resource Expenses using funds from other sources in an amount equal to any such assistance, such that the aggregate Resource Expenses renounced to the the Flow-Through Subscribers will equal the Commitment Amount;
- (t) the Corporation will incur and renounce Resource Expenses pursuant to the Flow-Through Subscription Agreements (*pro rata* by the number of Flow-Through Units issued under the Flow-Through Subscription Agreements) before incurring and renouncing Resource Expenses pursuant to any other agreement which the Corporation shall enter into with any person with respect to the issue of flow-through securities; (ii) the Corporation will not, without the prior written consent of the Underwriters (which consent may be withheld in the sole discretion of the Underwriters) enter into any other agreement which would prevent or restrict its ability to renounce Resource Expenses to the Flow-Through Subscribers in the aggregate amount of the Commitment Amount; and (iii) if the Corporation is required under the Tax Act or otherwise to reduce the Resource Expenses renounced to the Flow-Through Subscribers, the reduction will be made *pro rata* by the number of Flow-Through Units issued pursuant to the Flow-Through Subscription Agreements, but the Corporation will not reduce Resource Expenses renounced to the Flow-Through Subscribers until it has first reduced to the extent possible all CEE renounced to persons other than the Flow-Through Subscribers;
- (u) if the Corporation fails to renounce CEE to the Flow-Through Subscribers in an amount equal to the Commitment Amount with an effective date no later than December 31, 2021, or if the amount renounced is reduced pursuant to subsection 66(12.73) of the Tax Act, the Corporation will indemnify the Flow-Through Subscribers as to, and pay in settlement thereof to the Flow-Through Subscribers, as sole recourse to the Flow-Through Subscribers, an amount equal to the amount of any tax (within the meaning of paragraph (b) of the definition of "excluded obligation" in subsection 6202.1(5) of the regulations to the Tax Act) payable by the Flow-Through Subscribers (and each of the partners thereof if any Flow-Through Subscriber is a partnership or a limited partnership) as a consequence of such failure to renounce or such reduction, as the case may be; and

- (v) the Corporation has not breached any flow-through share agreement to which it is or was a party and, in particular, the Corporation has not failed to incur or renounce expenses which it covenanted to incur or renounce nor has the Minister of National Revenue or the Corporation reduced pursuant to subsection 66(12.73) of the Tax Act any amount renounced by the Corporation;
- (w) neither the Corporation nor any of its subsidiaries has committed an act of bankruptcy or sought protection from the creditors thereof before any court or pursuant to any legislation, proposed a compromise or arrangement to the creditors thereof generally, taken any proceeding with respect to a compromise or arrangement, taken any proceeding to be declared bankrupt or wound up, taken any proceeding to have a receiver appointed of any of the assets thereof, had any person holding any encumbrance, lien, charge, hypothec, pledge, mortgage, title retention agreement or other security interest or receiver take possession of any of the property thereof, had an execution or distress become enforceable or levied upon any portion of the property thereof or had any petition for a receiving order in bankruptcy filed against it;
- (x) the Corporation shall use reasonable best efforts to maintain its status as a "reporting issuer" in, not in default of any requirement of the securities laws of, the Reporting Provinces for a period of at least 24 months after the Closing Date; and
- (y) the Corporation shall use commercially reasonable efforts to remain, for a period of a least 24 months after the Closing Date, a corporation validly subsisting under the laws of its jurisdiction of incorporation, licensed, registered or qualified as an extra-provincial or foreign corporation in all jurisdictions where the character of its properties owned or leased or the nature of the activities conducted by it make such licensing, registration or qualification necessary and shall carry on its business in the ordinary course and in compliance in all material respects with all applicable laws, rules and regulations of each such jurisdiction.

ARTICLE 9– TERMINATION OF PURCHASE OBLIGATION

- 9.1 It is understood that the Underwriter may waive, in whole or in part, or extend the time for compliance with, any of the terms and conditions of this Agreement without prejudice to its rights in respect of any other of such terms and conditions or any other subsequent breach or non-compliance; provided, however, that to be binding on the Underwriter any such waiver or extension must be in writing and signed by the Underwriter. No act of the Underwriter in offering the Offered Securities will constitute a waiver or estoppel against the Underwriter.
- 9.2 Without limiting any of the foregoing provisions of this Agreement, and in addition to any other remedies which may be available to them, the Underwriter will be entitled, at the Underwriter's option, to terminate and cancel, without any liability, their obligations under this Agreement to purchase Offered Securities, by giving written notice to the Corporation at any time through to the Time of Closing if:
- (a) any order or ruling is issued, any inquiry, investigation or other proceeding (whether formal or informal) in relation to the Corporation or any of its directors or officers is made, threatened or announced by any officer or official of any stock exchange, Securities Commission or other Governmental Authority (other than an order based solely upon the activities or alleged activities of the Underwriter) or

- (c) there should occur any material change or change in a material fact in respect of the Corporation (on a consolidated basis), or the Underwriter becomes aware of any undisclosed material fact relating to the Corporation of the nature contemplated in Section 5.1(i) (and for greater certainty, whether it arose before or after the date of this Agreement) which, in the reasonable opinion of the Underwriter, impacts materially and adversely on the market price or value of the Offered Securities; or
- (d) the Corporation is in material breach of any term, condition or covenant of this Agreement or any representation or warranty given by the Corporation in this Agreement becomes, is discovered to be or is materially false, and such material breach or such materially false representation (i) is in the reasonable opinion of the Underwriter not capable of being cured prior to the Time of Closing, (ii) would, at the Time of Closing, result in the failure of any condition precedent set out in Article 6 hereof, or (iii) has not been rectified to the satisfaction of the Underwriter (acting reasonably) within 48 hours of when the Underwriter provide written notice to the Corporation of the same,

the occurrence or non-occurrence of any of the foregoing events or circumstances to be determined in the sole discretion of the Underwriter, acting reasonably and in good faith.

- 9.3 The Underwriter will give prompt notice to the Corporation (in writing or by other means) of the occurrence of any of the events referred to in Section 9.2, provided that neither the giving nor the failure to give such notice will in any way affect the Underwriter's entitlement to exercise this right at any time through to the Time of Closing.
- 9.4 The Underwriter's rights of termination contained in this section are in addition to any other rights or remedies it may have in respect of any default, act or failure to act or non-compliance by the Corporation in respect of any of the matters contemplated by this Agreement.

- 9.5 If the obligations of the Underwriter are terminated under this Agreement pursuant to the termination rights provided for in Section 9.2, the Corporation's liabilities to the Underwriters will be limited to the Corporation's obligations under the indemnity, contribution and expense provisions of Article 10, Article 11 and Article 12, respectively, of this Agreement.

ARTICLE 10- INDEMNITY

- 10.1 The Corporation covenants and agrees to protect, indemnify, and save harmless the Underwriter and its directors, officers, employees, agents and affiliates and each person, if any, who controls the Underwriter (individually, an "**Indemnified Party**" and collectively, the "**Indemnified Parties**"), against all losses (other than loss of profits), claims, damages, suits, liabilities, costs, or expenses of any third party (collectively, a "**Claim**") caused or incurred, whether directly or indirectly, by reason of:
- (a) any statement (including, for greater certainty, any of the representations and warranties) other than a statement relating solely to, and provided by, the Underwriters, contained in this Agreement or the Ancillary Documents or the Corporation's Information Record which, at the time and in the light of the circumstances under which it was made, contains or is alleged to contain a misrepresentation;
 - (b) the omission or alleged omission to state in any certificate of the Corporation delivered hereunder or pursuant hereto or in this Agreement or the Ancillary Documents or the Corporation's Information Record any material fact (other than a material fact omitted in reliance upon information furnished to the Corporation by or on behalf of the Underwriter) required to be stated therein or necessary to make any statement therein not misleading in light of the circumstances under which it was made;
 - (c) any order made or inquiry, investigation or proceeding commenced or threatened by any Securities Commission or other competent authority based upon any misrepresentation or alleged misrepresentation in the Corporation's Information Record (other than a statement included in reliance upon information furnished to the Corporation by or on behalf of the Underwriter) which prevents or restricts the trading in the Offered Securities or Warrant Shares or the distribution of the Offered Securities or Warrant Shares, in any of the Canadian Offering Jurisdictions;
 - (d) the material non-compliance by the Corporation with any requirement of any Applicable Securities Laws or regulatory requirements (including any private placement filing or other requirement under any of the Applicable Securities Laws) in connection with the Offering; or
 - (e) any material breach of any representation or warranty of the Corporation contained herein or the failure of the Corporation to comply with any of its obligations hereunder.

- 10.2 Notwithstanding any other provision of this Agreement, no Indemnified Party shall be indemnified under this Article 10 in respect of any Claim to the extent such Claim is attributable to the Indemnified Party being a Flow-Through Subscriber.
- 10.3 The Corporation agrees that in case any legal proceeding is brought against the Corporation and the Underwriter by any Governmental Authority, or any stock exchange or other entity having regulatory authority, either domestic or foreign, shall investigate the Corporation and the Underwriter, and any personnel of the Underwriter are required to testify in connection therewith or to respond to procedures designed to discover information regarding, in connection with, or by reason of, the performance of professional services rendered to the Corporation by the Underwriter, the Underwriter will have the right to employ its own counsel in connection therewith, and the reasonable fees and expenses of such counsel as well as the reasonable costs (including an amount to reimburse the Underwriter for time spent by its personnel in connection therewith) and out-of-pocket expenses reasonably incurred by their personnel in connection therewith will be paid by the Corporation as they occur unless caused pursuant to the Indemnified Party having been negligent or dishonest or having committed any fraudulent act in the course of such performance, or having breached applicable Laws.
- 10.4 Promptly after receipt of notice of the commencement of any legal proceeding against any of the Indemnified Parties or after receipt of notice of the commencement of any investigation, which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Corporation under this Agreement, the Underwriter will notify the Corporation in writing of the commencement thereof and, throughout the course thereof, will provide copies of all relevant documentation to the Corporation, will keep the Corporation advised of the progress thereof and will discuss with the Corporation all significant actions proposed. The omission to so notify the Corporation will not relieve the Corporation of any liability which the Corporation may have to the Indemnified Parties except only to the extent that any such delay in giving or failure to give notice as herein required materially prejudices the defence of such action, suit, proceeding, claim or investigation or results in any material increase in the liability which the Corporation would otherwise have under this indemnity had the Underwriter not so delayed in giving or failed to give the notice required hereunder.
- 10.5 The Corporation will be entitled, at its own expense, to participate in and, to the extent it may wish to do so, assume the defence thereof, provided such defence is conducted by experienced and competent counsel. Upon the Corporation notifying the Underwriter in writing of its election to assume the defence and retaining counsel, the Corporation will not be liable to the Underwriter for any legal expenses subsequently incurred by the Underwriter in connection with such defence. If such defence is assumed by the Corporation, the Corporation throughout the course thereof will provide copies of all relevant documentation to the Underwriter, will keep the Underwriter advised of the progress thereof and will discuss with the Underwriters all significant actions proposed.
- 10.6 Notwithstanding the foregoing paragraph, the Underwriter will have the right, at the Corporation's expense, to employ one counsel of the Underwriter's choice, in respect of the defence of any action, suit, proceeding, claim or investigation if: (i) the employment of

such counsel has been authorized by the Corporation; or (ii) the Corporation has not assumed the defence and employed counsel therefor within 30 days after receiving notice of such action, suit, proceeding, claim or investigation; or (iii) counsel retained by the Corporation or the Underwriter has advised that representation of both parties by the same counsel would be inappropriate for any reason, including because there may be legal defences available to the Corporation which are different from or in addition to those available to the Indemnified Parties (in which event and to that extent, the Corporation will not have the right to assume or direct the defence on the Underwriter's behalf) or that there is a conflict of interest between the Corporation and the Underwriter or the subject matter of the action, suit, proceeding, claim or investigation may not fall within the indemnity set forth herein (in either of which events the Underwriter will not have the right to assume or direct the defence on the Corporation's behalf).

- 10.7 No admission of liability and no settlement of any action, suit, proceeding, claim or investigation will be made without the consent of the Underwriter or other parties affected (such consent not to be unreasonably withheld or delayed). No admission of liability will be made and the Corporation will not be liable for any settlement of any action, suit, proceeding, claim or investigation made without its consent (such consent not to be unreasonably withheld or delayed).
- 10.8 The indemnity and contribution obligations of the Corporation will be in addition to any liability which the Corporation may otherwise have, will extend upon the same terms and conditions to all Indemnified Parties and will be binding upon and enure to the benefit of any of the respective successors, assigns, heirs and personal representatives of the Corporation and the Indemnified Parties. The foregoing provisions will survive the completion of professional services rendered under this agreement and the termination of this Agreement.
- 10.9 To the extent that any Indemnified Party is not a party to this Agreement, the Underwriter will obtain and hold the right and benefit of this section in trust for and on behalf of such Indemnified Party.
- 10.10 The foregoing indemnity will cease to apply in respect of a claim if and to the extent that a court of competent jurisdiction in a final judgment that has become non-appealable will determine that such Claim to which the Indemnified Party may be subject was caused by the negligence, dishonesty, bad faith, fraud, fraudulent misrepresentation or wilful misconduct of the Indemnified Party or the Indemnified Party being in breach of this Agreement or the Ancillary Documents.

ARTICLE 11- CONTRIBUTION

- 11.1 If for any reason the indemnity provided for in Article 10 is unavailable or insufficient to hold the Indemnified Party harmless, then the Corporation shall contribute to the aggregate of all losses, claims, costs, damages, expenses or liabilities of the nature provided for above such that the Underwriter will be responsible for that portion represented by the percentage equal to the Underwriting Fee payable by the Corporation to the Underwriter, and the Corporation will be responsible for the balance; provided that, in no event, will the

Underwriter be responsible for any amount in excess of the portion of the Underwriting Fee actually received by the Underwriter. In the event that the Corporation may be held to be entitled to contribution from the Underwriter under the provisions of any statute or law, the Corporation will be limited to contribution from the Underwriter in an amount not exceeding the lesser of: (a) the portion of the full amount of losses, claims, costs, damages, expenses or liabilities giving rise to such contribution for which the Underwriter are responsible; and (b) the amount of the Underwriting Fee actually received by the subject Underwriter. Notwithstanding the foregoing, a person guilty of negligence, dishonesty, bad faith, fraud, fraudulent misrepresentation or wilful misconduct will not be entitled to contribution from any other party. Any party entitled to contribution will, promptly after receiving notice of commencement of any Claim, action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this section, notify such party or parties from whom contribution may be sought, but the omission to so notify such party will not relieve the party from whom contribution may be sought from any obligation it may have otherwise under this section, except to the extent that the party from whom contribution may be sought is prejudiced by such omission. The right to contribution provided herein will be in addition and not in derogation of any other right to contribution which the Underwriter may have by statute or otherwise by law.

ARTICLE 12- EXPENSES

- 12.1 Whether or not the Offering is completed, the Corporation will be responsible for all expenses incurred from time to time in connection with the Offering, including the Underwriters' reasonable out-of-pocket expenses, all reasonable fees and disbursements of legal counsel to the Underwriters, and other expenses incidental to the sale, issue or distribution of the Offered Securities and all matters in connection with the transactions herein. The Corporation will also be responsible for any exigible HST on the foregoing amounts. The Corporation covenants and agrees to fully reimburse the Underwriters for all such reasonable expenses at Closing or in the event that this Agreement is terminated before Closing.

ARTICLE 13- SURVIVAL OF WARRANTIES AND REPRESENTATIONS

- 13.1 All warranties and representations of the Underwriter herein contained will survive the purchase by the Underwriter of the Offered Securities and will continue in full force and effect for the benefit of the Corporation until the Survival Limitation Date. All warranties and representations of the Corporation herein contained or contained in documents submitted or required to be submitted pursuant to this Agreement will survive the purchase by the Underwriter of the Offered Securities and will continue in full force and effect (with respect to representations and warranties, as to their truth and accuracy as at the Time of Closing) for the benefit of the Underwriter and the Subscribers until the Survival Limitation Date.

ARTICLE 14- ADVERTISEMENTS AND PRESS RELEASES

- 14.1 The Corporation and the Underwriter each agree that the Corporation will provide to the Underwriter, in advance any press release concerning the Offering and the Corporation will give effect to any changes reasonably and timely requested by the Underwriter. The Corporation will also ensure that any press release concerning the Offering complies with Applicable Securities Law. At the request of the Underwriter, and to the extent permitted by Law, the Corporation will ensure the Underwriter is disclosed as the sole underwriter for the Offering in any press release relating to the Offering.
- 14.2 At the completion of the Offering, and to the extent permitted by Law, the Underwriter may, at its sole expense and upon consultation with the Corporation, place advertisements or announcements in any newspapers, periodicals or other publications, or otherwise disclose to third parties, that they acted as agents in connection with the Offering.
- 14.3 No press release will be issued in the United States by the Corporation concerning the Offering during the Offering, and any press release issued by the Corporation concerning the Offering will include substantially the following legends and will comply with Rule 135e under the U.S. Securities Act:

“Not for distribution to United States news wire services or dissemination in the United States;” and

“The securities offered have not been and will not be registered under the U.S. Securities Act of 1933 (the “U.S. Securities Act”) or any U.S. state securities laws, as amended, and may not be offered or sold in the “United States” or to “U.S. persons” (as such terms are defined in Regulation S under the U.S. Securities Act) absent registration under the U.S. Securities Act any any applicable U.S. state securities laws or compliance with an applicable exemption from such registration requirements. This press release will not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the securities in any State in which such offer, solicitation or sale would be unlawful.”

ARTICLE 15- CONFLICT OF INTEREST

- 15.1 The Corporation: (i) acknowledges and agrees that the Underwriter has certain statutory obligations as registrants under the Applicable Securities Laws and have fiduciary relationships with their clients; and (ii) consents to the Underwriter acting hereunder while continuing to act for its clients. To the extent that the Underwriter’s statutory obligations as registrant under the Applicable Securities Laws or fiduciary relationships with its clients conflict with their obligations hereunder, the Underwriter will be entitled to fulfil its statutory obligations as registrant under the Applicable Securities Laws and its fiduciary duties to its clients. Nothing in this Agreement will be interpreted to prevent the Underwriter from fulfilling its statutory obligations as registrant under the Applicable Securities Laws or to satisfy its fiduciary duties to its clients. For greater certainty, nothing

in this Section 15.1 shall release the Underwriter from its respective obligations under this Agreement except to the extent reasonably necessary to fulfill their statutory obligations as registrants under the Applicable Securities Laws or satisfy its fiduciary duties to its clients.

ARTICLE 16– GENERAL CONTRACT PROVISIONS

16.1 Except as expressly provided for in this Agreement, the covenants and agreements of the Corporation contained herein and in the Subscription Agreements which by their nature are required to be completed after the Time of Closing will survive the purchase by the Underwriter of the Offered Securities and will continue in full force and effect, regardless of the closing of the sale of the Offered Securities and regardless of any investigation which may be carried on by the Underwriter, or on their behalf. Without limitation of the foregoing, the provisions contained in this Agreement in any way related to the indemnification or the contribution obligations will survive and continue in full force and effect, indefinitely, subject only to the limitation requirements of applicable law.
