**Made Pursuant To
Multilateral Instrument 62-104 – *Take-Over Bids and Issuer Bids* and
National Instrument 62-103 – *The Early Warning System and Related Take-Over Bid and
Insider Reporting Issues***

**RELATING TO THE ACQUISITION OF SECURITIES IN THE CAPITAL OF
SUPER NOVA MINERALS CORP.**

The undersigned hereby certifies:

1. Name and address of the offeror:

Quorum Capital Corp. (Beneficially and solely owned by Wolf Wiese)
Suite 900 – 525 Seymour Street
Vancouver, BC V6B 3H7

2. The designation and number or principal amount of securities and the offeror's security holding percentage in the class of securities of which the offeror acquired ownership or control in the transaction or occurrence giving rise to the obligation to file this Report, and whether it was ownership or control that was acquired in those circumstances:

On February 7, 2014, in its capacity as a director and officer of Super Nova Minerals Corp. (the "Issuer"), the offeror was granted 625,000 incentive stock options, which options are exercisable into 625,000 common shares of the Issuer. These options represent approximately 1.8% of the Issuer's issued common shares on a partially diluted basis.

3. The designation and number or principal amount of securities and the offeror's security holding percentage in the class of securities immediately after the transaction or occurrence:

Following the grant of options referred to in Item 2 above, the offeror owns, directly and indirectly 2,358,733 common shares in the capital of the Issuer representing approximately 7.1% of the Issuer's issued common shares. In addition, the offeror owns, directly and indirectly, warrants entitling the purchase of an aggregate 858,733 common shares of the Issuer and options entitling the purchase of an aggregate of 625,000 common shares, or, assuming exercise of these warrants and options by the offeror, it would own, directly and indirectly, a total of 3,842,466 common shares or approximately 11.1% of the Issuer's issued and outstanding common shares on a partially diluted basis.

4. Value, in Canadian dollars, of any consideration offered per security if the offeror acquired ownership of a security in the transaction of occurrence:

The 625,000 incentive stock options are exercisable into 625,000 common shares of the Issuer at a price of \$0.07/share for a period of five years.

5. Name of the market in which the transaction or occurrence took place:

Not applicable. Please see item 9 below

6. The purpose of the offeror and any joint actors in effecting the transaction or occurrence, including any future intention to acquire ownership of, or control over, additional securities of the reporting issuer:

In effecting the transaction giving rise to the obligation to file this Report, securities were acquired for investment purposes by the offeror and these security holdings will be evaluated by the offeror and the investment increased or decreased from time to time at the discretion of the offeror.

7. The general nature and the material term of any agreement, other than lending arrangements, with respect to securities of the reporting issuer entered into by the offeror, or any joint actor, and the issuer of the securities or any other entity in connection with the transaction or occurrence, including agreements with respect to the acquisition, holding, disposition or voting of any of the securities:

Not applicable.

8. The names of any joint actors in connection with the disclosure required herein:

Not applicable.

9. In the case of a transaction or occurrence that did not take place on a stock exchange or other market that represents a published market for the securities, including an issuance from treasury, the nature and value of the consideration paid by the offeror:

The options were granted by the Issuer. Any common shares issuable under the incentive stock options will be issued from treasury of the Issuer. The exercise price of the options was set at \$0.07/share which is above the current market price of \$0.04/share.

10. If applicable, a description of any change in any material fact set out in a previous report by the entity under the early warning requirements or Part 4 of National Instrument 62 -103 in respect of the reporting issuer's securities:

Not applicable.

11. If applicable, a description of the exemption from securities legislation being relied on by the offeror and the facts supporting that reliance:

Section 2.24 of National Instrument 45-106 – *Prospectus and Registration Exemptions* was relied on with respect to the 625,000 incentive stock options granted by the Issuer, as the distribution to the offeror meets the conditions thereof.
