

Koios Partners with Food Co-Op to Capture Northern Colorado Natural Food Market

/THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES FOR DISSEMINATION IN THE UNITED STATES/

VANCOUVER, Oct. 16, 2018 /CNW/ - Koios Beverage Corp. (CSE: KBEV; OTC: KBEVF:US) (the "Company" or "Koios"), is pleased to announce a distribution deal with Northern Colorado's FC Food Co-Op, Mountain Avenue Market, exposing the Company's products to thousands of new customers each week.

"It's a great fit," says Chris Miller, CEO and founder of Koios. "This is truly a Colorado company and a community grocer, with more than 2,000 local items for sale in the store," said Miller. "Founded in Fort Collins by the community for the community, the Food Co-Op shares our values and is dedicated to things like sustainability, organic products, recycling, and most of all, to its members."

The Co-Op is a vital part of the natural food scene in Fort Collins, situated in the Rocky Mountain foothills about 97 km north of Denver. It was started in the early '70's by a group of university students who wanted to bring healthy, affordable food to Northern Colorado.

Koios's unique blend of nootropics and natural organic compounds help enhance brain function such as focus, memory retention, mental capacity and concentration, without using harmful chemicals or artificial stimulants. Its formula includes superfoods such as lion's mane mushroom, which contains bioactive substances with beneficial effects on the body, brain, heart and gut.

Koios's line of beverages are now available for sale at the Co-Op.

About Koios Beverage Corp.

The company is an emerging functional beverage company which has an available distribution network of more than 2,000 retail locations across the United States in which to sell its products. Koios has relationships with some of the largest and most reputable distributors in the United States, including Europa Sports, Muscle Foods USA, KeHE and Wishing-U-Well. Koios is also the sole owner of Cannavated Beverage Corp., a subsidiary that develops beverage products and formulas for the expanding cannabis market. Through its agreement with Keef Brands, the largest producer of cannabis beverages in North America, Cannavated enjoys distribution throughout the state of Colorado and is preparing for distribution in additional U.S. states where cannabis use is legal.

Koios is one of the only drinks in the world to infuse its products with MCT oil. MCT oil is derived from coconuts and has been shown to help the body burn fat more effectively, create lasting energy from a natural food source, produce ketones in the brain, allowing for greater brain function and clarity, support healthy hormone production and improve immunity. Forward-Looking Statements

This news release contains forward-looking statements. All statements, other than statements of historical fact that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future are forward-looking statements. Forward-looking statements in this news release include statements regarding the timing for resumption of trading for the Company's stock. The forward-looking statements reflect management's current expectations based on information currently available and are subject to a number of risks and uncertainties that may cause outcomes to differ materially from those discussed in the forward-looking statements.

Although the Company believes that the assumptions inherent in the forward-looking statements are reasonable, forward-looking statements are not guarantees of future performance and, accordingly, undue reliance should not be put on such statements due to their inherent uncertainty. Factors that could cause actual results or events to differ materially from current expectations include general market conditions and other factors beyond the control of the Company. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by applicable law.

Koios has not conducted any scientific studies on the effects of Koios's products which have not been evaluated by Health Canada or the U.S. Food and Drug Administration. As each individual is different, the benefits, if any, of taking Koios's products will vary from person to person. No claims or guarantees can be made as to the effects of Koios's products on an individual's health and wellbeing.
