MANAGEMENT INFORMATION CIRCULAR

For the Annual General and Special Meeting of Shareholders to be held on December 16, 2014

GENERAL PROXY INFORMATION

Solicitation of Proxies

THIS MANAGEMENT PROXY AND INFORMATION CIRCULAR (“**Information Circular**”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY MANAGEMENT OF CORPORATE CATALYST ACQUISITION INC. (the “**Corporation**”) for use at the annual general and special meeting of shareholders of the Corporation (the “**Meeting**”) to be held at 181 Bay Street, Suite 4400 in the City of Toronto, Province of Ontario, on December 16, 2014, at 10:00 a.m. (Toronto time) and at any adjournments thereof, for the purposes set out in the accompanying notice of meeting (the “**Notice of Meeting**”). The cost of solicitation of proxies will be borne by the Corporation.

Appointment and Revocation of Proxies

The persons named in the form of proxy accompanying this Information Circular are directors and/or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for the shareholder at the Meeting, other than the persons designated in the form of proxy, and may exercise such right by inserting the name in full of the desired person in the blank space provided in the form of proxy.** To be effective, the proxy must be received by the transfer agent of the Corporation, Computershare Trust Company of Canada, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, by no later than 10:00 a.m. on December 12, 2014 (Toronto time) or, if the Meeting is adjourned, 48 hours (excluding Saturdays, Sundays and statutory holidays) before any adjourned meeting.

A shareholder may revoke a proxy by (i) depositing an instrument in writing, executed by such shareholder or his or her attorney authorized in writing, or, if the shareholder is a corporation, under its corporate seal or signed by a duly authorized officer or attorney for such corporation; (ii) transmitting, by telephonic or electronic means, a revocation executed by such shareholder or his or her authorized attorney, by electronic signature, if the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of the shareholder or the attorney, as the case may be; or (iii) in any other manner permitted by law:

- (a) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of the Meeting, at which the proxy is to be used; or
- (b) with the Chair of the Meeting on the day of the Meeting or any adjournment of the Meeting.

Signature of Proxy

A proxy shall be in writing and executed by the shareholder or, if such shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney. A proxy signed by a person acting as attorney or in some other representative capacity should reflect such person’s capacity following his signature and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Corporation).

Voting of Proxies

The persons named in the accompanying form of proxy will vote or withhold from voting, or vote for or against, the shares in respect of which they are appointed proxy in accordance with the instructions specified by the shareholder appointing them on any ballot which may be called for and if the shareholder specifies a choice with respect to any

matter to be acted upon, the shares will be voted accordingly. **If a choice is not specified with respect to any matter, the shares represented by the accompanying form of proxy will be voted in favour of such matter.** The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing this Information Circular, management knows of no such amendment, variation or other matter expected to come before the Meeting, other than the matters referred to in the Notice of Meeting. If any matters, which are not now known, should properly come before the Meeting, the persons named in the accompanying form of proxy will vote on such matters in accordance with their best judgment.

Voting By Non-Registered (Beneficial) Shareholders

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, common shares of the Corporation (“**Common Shares**”) beneficially owned by a person are registered either:

- (i) in the name of an intermediary (an “**Intermediary**”) (which may include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of registered retirement savings plans, registered retirement income funds, registered education savings plans and similar plans); or
- (ii) in the name of a clearing agency (such as CDS Clearing and Depository Securities Inc.) of which the Intermediary is a participant.

Such beneficial shareholders who hold their Common Shares through an Intermediary are referred to herein as “**Beneficial Holders**”.

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Corporation has distributed copies of this Information Circular and the Notice of Meeting together with a form of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. Frequently, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived their right to receive Meeting Materials will either:

- (i) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is not otherwise completed. Since the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified above under “General Proxy Information - Appointment and Revocation of Proxies”; or
- (ii) more typically, be given a voting instruction form which must be completed and signed by the Beneficial Holder and returned to the Intermediary or its service company in accordance with the directions accompanying the voting instruction form. **A Beneficial Holder receiving a voting instruction form cannot use that form to vote the Common Shares held by such Beneficial Holder directly at the Meeting.**

In either case, the purpose of these procedures is to permit Beneficial Holders to direct the voting of the Common Shares they beneficially own. **A Beneficial Holder who wishes to attend and vote at the Meeting in person (or to have another person attend and vote on behalf of the Beneficial Holder) should print the Beneficial Holder’s (or such other person’s) name in the blank space provided for that purpose in the first paragraph of the form of proxy or, in the case of a voting instruction form, follow the corresponding instructions on that form. In either case, Beneficial Holders should carefully follow the instructions of their Intermediary and its service company, as applicable.**

Non-Objecting Beneficial Owners

The Meeting Materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding securities on your behalf.

Objecting Beneficial Owners

Management of the Corporation does not intend to pay for intermediaries to forward to objecting beneficial owners under NI 54-101 the Meeting Materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. Accordingly, an objecting beneficial owner will not receive such materials unless the objecting beneficial owner's intermediary assumes the cost of delivery.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth herein or as previously disclosed, the Corporation is not aware of any material interests, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer, nominee for election as a director, or an associate or affiliate of any of the foregoing, in any matter to be acted upon other than the election of directors and the cancellation of the seed shares, as described below.

EXECUTIVE COMPENSATION

Named Executive Officers

Pursuant to applicable securities regulations, the Corporation must disclose the compensation paid to its Named Executive Officers ("NEOs") for the three most recently completed financial years. NEOs include the Corporation's Chief Executive Officer, the Corporation's Chief Financial Officer and the other three most highly compensated executive officers, provided that disclosure is not required for those executive officers, other than the Chief Executive Officer and the Chief Financial Officer, whose total compensation did not exceed \$150,000. The Corporation's only NEO is Paul Kelly, as Chief Executive Officer and Chief Financial Officer of the Corporation.

Compensation Discussion and Analysis

Other than the grant of stock options, the Corporation did not compensate the NEOs during the period from incorporation (March 19, 2012) up until the date of this Information Circular. The Corporation does not have a formal compensation plan or strategy. As a Capital Pool Company (“CPC”), the Corporation has been focused on preserving funds in order to complete its Qualifying Transaction and compensates the directors and the NEO through the grant of stock options, as discussed below.

Risks of Compensation Policies and Practices

There are no formal practices in place to identify and mitigate excessive risks other than through informal discussion at meetings of the board of directors of the Corporation (the “Board”). The Board has considered the risks of the current compensation program as set out herein and has determined that, at this stage in the development of the Corporation and having consideration to the Corporation’s status as a CPC, the risks are not material.

Purchase of Financial Instruments

The Corporation currently does not have in place any formal policies to prevent a director or NEO from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held directly or indirectly by such director or NEO.

Option-Based Awards

Long-term incentive in the form of options to purchase Common Shares is intended to align the interests of the Corporation’s directors and its executive officers with those of its shareholders and to provide a long-term incentive that rewards these individuals for their contribution to the creation of shareholder value. The stock option plan of the Corporation (the “Plan”) is administered by the Board. In establishing the number of incentive stock options to be granted to the NEO, reference is made to the number of stock options granted to officers of other similar publicly traded companies. The Board also considers the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options. The level of effort, time, responsibility, ability, experience and level of commitment of the executive officer is also considered in determining the level of incentive stock option compensation.

Summary Compensation Table

The following table sets forth compensation earned by the NEOs during the financial years ended December 31, 2013 and December 31, 2012. There has been no additional compensation from December 31, 2013 to the date of this Information Circular.

MATTERS TO BE ACTED UPON AT THE MEETING

Election of Directors

The articles of the Corporation provide that the Board shall consist of a minimum of one (1) and a maximum of ten (10) directors, the number of which may be fixed from time to time by a resolution of the Board. The Corporation currently has seven (7) directors. The number of directors of the Corporation proposed to be elected at the Meeting is seven (7). The term of office of the current seven (7) directors will end at the conclusion of the Meeting. Unless a director’s office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (Ontario) (the “**OBCA**”), each director will hold office until the conclusion of the next annual meeting of the Corporation or, if no director is then elected, until a successor is elected.

Advance Notice Provision

By-Law No. 1 of the Corporation contains advance notice provisions (the “**Advance Notice Provision**”), which provides for advance notice to the Corporation in circumstances where nominations of persons for election to the Board are made by shareholders of the Corporation other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the OBCA or (ii) a shareholder proposal made pursuant to the provisions of the OBCA.

The purpose of the Advance Notice Provision is to foster a variety of interests of the shareholders and the Corporation by ensuring that all shareholders - including those participating in a meeting by proxy rather than in person - receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Corporation prior to any annual or special

meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision which is available under the Corporation's profile on SEDAR at www.sedar.com.

Transfer of the Corporation's Listing to the NEX Exchange

The Corporation is a CPC under the policies of the Exchange. As a CPC, the Corporation is required to complete a Qualifying Transaction within 24 months of the date of listing on the Exchange. This 24 month period will end on December 29, 2014. If a Qualifying Transaction is not completed within 90 days of the expiry of this 24 month time period, the Corporation will be forced to wind-up and liquidate its assets and distribute its remaining assets on a pro rata basis to its shareholders without completing a Qualifying Transaction unless, within such period, shareholders of the Corporation, pursuant to a majority vote, exclusive of non-arm's length parties (as defined below), approve listing of the Corporation on the NEX Exchange (the “**NEX**”). If the Corporation is forced to dissolve without completing a Qualifying Transaction, the amount of cash distributed to shareholders upon dissolution will be substantially less than the amount of the shareholders' original investment into the Corporation. However, upon

listing on the NEX, the Corporation may continue to seek completion of a Qualifying Transaction and potentially regain listing status on the Exchange without winding-up or dissolving.

The NEX is a separate and distinct trading board of the Exchange designed for issuers previously listed on the TSX or the Exchange that have been unable to meet the ongoing financial listing standards of those markets. The NEX provides a trading forum for publicly listed companies while they seek and undertake transactions which will result in carrying on an active business. A CPC that transfers to the NEX must continue to comply with all of the requirements and restrictions of Exchange Policy 2.4. Accordingly, in the event that the listing of the Common Shares is transferred to the NEX, the Corporation will be required to continue searching for and evaluating potential assets and/or businesses to acquire and, in the process of doing so, may deplete its current assets. There is no assurance that the Corporation will be able to complete a Qualifying Transaction before depleting its assets or at all.

Exchange Policy 2.4 requires that in order for the Corporation to list on the NEX, the Corporation must do the following:

- (a) obtain majority shareholder approval for the transfer to NEX exclusive of the votes of non-arm's length parties of the Corporation; and
- (b) cancel a portion of the seed shares of the Corporation issued to non-arm's length parties of the Corporation so that the average cost of the remaining seed shares is at least equal to the price of the initial public offering of the Corporation or cancel all of the seed shares.

The seed shares of the Corporation were issued for \$0.10 per share and the initial public offering was \$0.20 per share.

Under the policies of the Exchange, the Corporation is required to obtain majority shareholder approval for the transfer to NEX exclusive of votes of (collectively, the "**non-arm's length parties**"):

- (a) promoters, officers, directors, other insiders or control persons of the Corporation and any Associates or Affiliates (as such terms are defined in the policies of the Exchange) of any such persons; and
- (b) another entity or an Affiliate of that entity, if that entity or its Affiliate have the same promoter, officer, director, insider or control person at the Corporation.

At the Meeting, shareholders that are not non-arm's length parties will be asked to consider, and if thought appropriate, pass an ordinary resolution substantially in the form noted below to approve the transfer of the Corporation's listing to the NEX if the Corporation does not complete a Qualifying Transaction by such date as may be agreed to by the Exchange (the "**NEX Resolution**"):

"RESOLVED, as an ordinary resolution of arm's length shareholders, that:

- (a) the Corporation is hereby authorized to make an application to the TSX Venture Exchange (the "**Exchange**") to transfer its listing to the NEX Exchange (the "**NEX**") as an alternative to delisting if it is unable to complete its Qualifying Transaction (as defined in the policies of the Exchange) within the time period required by the Exchange;
- (b) the Corporation is hereby authorized to prepare such disclosure documents and make such submissions and filings as the Corporation may be required to make with the Exchange to obtain Exchange acceptance of the transfer to the NEX;
- (c) despite the foregoing authorization, the board of directors of the Corporation may, at its absolute discretion, determine when the transfer to the NEX will take place and may further, at its discretion, without further approval of the shareholders of the Corporation, determine to abandon or terminate this resolution if the board of directors decides not to proceed with the transfer of the Corporation's listing to the NEX; and

- (cd) any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing.”

The Board will only take the steps necessary to list the Common Shares on the NEX if a Qualifying Transaction does not occur for any reason whatsoever, prior to such date that the Exchange may permit.

The NEX Resolution will require the affirmative vote of a majority of the votes cast thereon at the Meeting, exclusive of votes of non-arm’s length parties of the Corporation. Management of the Corporation recommends that shareholders vote in favour of the NEX Resolution. **Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the NEX Resolution.**

Irrespective of whether the NEX Resolution is passed by shareholders of the Corporation, the Board may elect not to proceed with the NEX Resolution and other transactions contemplated in the NEX Resolution.

Cancellation of Seed Shares

In order to be eligible to list on the NEX, the Corporation must also, pursuant to the policies of the Exchange, either (a) cancel all seed shares purchased by non-arm’s length parties to the Corporation at a discount to the initial public offering; or (b) subject to disinterested shareholder approval, cancel an amount of seed shares purchased by non-arm’s length parties to the Corporation so that the average cost of the remaining seed shares is at least equal to the initial public offering price. Prior to completing its initial public offering, the Corporation issued 5,000,000 Common Shares as seed shares to certain of non-arm’s length parties at a price of \$0.10 per share for gross proceeds of \$500,000. The following chart sets out the issuance of seed shares and the number that would need to be cancelled in order to bring the average cost of the remaining seed shares to \$0.20:

Name and Municipality of Residence of Shareholder	Number of Seed Shares	Price Paid for Seed Shares	Seed Shares to be Cancelled	Seed Shares Remaining
Paul Kelly Oakville, Ontario	1,000,000 ⁽¹⁾	\$0.10	500,000	500,000

Boyd Taylor Oakville, Ontario	500,000	\$0.10	250,000	250,000
Carolyn A. Davis Mississauga, Ontario	100,000	\$0.10	50,000	50,000
TOTAL	5,000,000		2,500,000	2,500,000

Notes:

- (1) These shares are held by Paul Kelly Investments Limited, a company controlled by Paul Kelly.
- (2) These shares are held by Fourfourtwo Investments Limited, a company controlled by Anthony F. Griffiths.

At the Meeting, shareholders that are not non-arm’s length parties will be asked to consider, and if thought appropriate, pass an ordinary resolution substantially in the form noted below to approve the cancellation of half of the seed shares of the Corporation upon the transfer of the Corporation’s listing to the NEX (the “**Seed Share Resolution**”):

“RESOLVED, as an ordinary resolution of arm’s length shareholders, that:

- (a) as a condition of the proposed transfer of the Corporation’s listing to the NEX Exchange (the “NEX”), the Corporation is hereby authorized to cancel 2,500,000 common shares of the Corporation issued by the Corporation as seed shares before its initial public offering (the “Seed Shares”), as more particularly described in the Corporation’s management information circular dated November 17, 2014;
- (b) despite the foregoing authorization, the board of directors of the Corporation may, at its absolute discretion, determine when the cancellation of the Seed Shares will take place and may further, at its discretion, without further approval of the shareholders of the Corporation, determine to abandon or terminate this resolution if the board of directors decides not to proceed with the cancellation of the Seed Shares; and
- (b) any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing.”

The Board will only take the steps necessary to cancel the seed shares if the Corporation proceeds with the transfer to the NEX.

The Seed Share Resolution will require the affirmative vote of a majority of the votes cast thereon at the Meeting, exclusive of votes of non-arm’s length parties of the Corporation. Management of the Corporation recommends that shareholders vote in favour of the Seed Share Resolution. **Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the Seed Share Resolution.**

Irrespective of whether the Seed Share Resolution is passed by shareholders of the Corporation, the Board may elect not to proceed with the Seed Share Resolution and other transactions contemplated in the Seed Share Resolution.

ARTICLE 2 – STOCK OPTION PLAN

2.1 Participation

Options shall be granted only to bona fide Eligible Participants.

2.2 Determination of Option Recipients

The Board shall make all necessary or desirable determinations regarding the granting of Options to Eligible Participants and may take into consideration the present and potential contributions of a particular Eligible Participant to the success of the Corporation and any other factors which it may deem proper and relevant.

2.3 Price

The exercise price per Share shall be determined from time to time by the Board but, in any event, shall not be lower than the Discounted Market Price (as defined by the Exchange) of the Shares on the day prior to the grant (or, if an Option is granted prior to the issue of the Final Exchange Bulletin, not less than the greater of such price and \$0.20). Any reduction in the exercise price per Share shall be subject to necessary approvals as set out in Section 3.5 below.

2.4 Grant of Options

The Board may at any time and from time to time grant Options to Eligible Participants and for the number of Shares and on such terms and conditions as it considers appropriate provided that such terms and conditions are not inconsistent with the Plan or the policies of the Exchange.

Each Option granted to an Eligible Participant shall be evidenced by an agreement substantially in the form of the Option Agreement with terms and conditions consistent with the Plan and as approved by the Board (which terms and conditions need not be the same in each case).

2.5 Terms of Options

- (a) The Option Period shall not be greater than a period of ten years after the date such Option is granted. The Option Period may be reduced with respect to any such Option as provided in Section 2.7 hereof.
- (b) Subject to the other terms and conditions of this Plan (including Section 2.8 hereof), the Board at its discretion may determine when any Option will become exercisable and may determine that the Option be exercisable in instalments. The Board may also establish any vesting schedule relative to any Options granted hereunder provided that in no event shall Options vest over a time period that is shorter than any time period prescribed by the Exchange.
- (c) Any Options remaining unexercised after they became eligible for exercise may be exercised in whole or in part at any time during the remainder of the Option Period.
- (d) Except as set forth in Section 2.7, no Option may be exercised unless the Options have vested and the Optionee is at the time of such exercise:
 - (i) in the case of an Eligible Employee, in the employ of the Corporation or a subsidiary of the Corporation and shall have been continuously so employed since the grant of his Option, but absence on leave, having the approval of the Corporation, shall not be considered an interruption of employment for any purpose of the Plan;
 - (ii) in the case of an Eligible Director, a director of the Corporation or a subsidiary of the Corporation and shall have been such a director continuously since the grant of his Option;
 - (iii) in the case of an Eligible Member of Management of the Corporation or a subsidiary of the Corporation and shall have been such Eligible Member of Management continuously since the grant of his Option;
 - (iv) in the case of an Eligible Management Company Employee, an Eligible Management Company Employee of the Corporation or a subsidiary of the Corporation and shall have been such Eligible Management Company Employee continuously since the grant of his Option; or
 - (v) in the case of an Eligible Consultant, a consultant on retainer (whether full time or part time) by the Corporation, and shall have been continuously so retained since the grant of his Option.
- (e) The exercise of any Option will be contingent upon receipt by the Corporation of payment of the full purchase price for the Shares being purchased in cash or by cheque. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares subject to an Option, unless and until certificates for such Shares are issued to him or them under the terms of the Plan.

2.6 Lapsed Option

If Options are surrendered, terminated or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options to the extent permitted by the Exchange.

2.7 Effect of Termination of Relationship

- (a) If an Optionee shall die while an Eligible Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee, any vested Option held by him at the date of death shall be exercisable if the Option was issued 10 days or more prior to the date of death, but only by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution. All such Options shall be exercisable only for a period of one year after the date of death or prior to the expiration of the Option Period in respect thereof whichever is sooner.
- (b) If an Optionee ceased to be an Eligible Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee for cause, no Option held by such Optionee may be exercised following the date on which such Optionee ceases to be an Eligible Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee, as the case may be.
- (c) If an Optionee ceased to be an Eligible Employee, Eligible Director, Eligible Consultant, Eligible Member of Management or Eligible Management Company Employee for any reason other than cause or death, any vested Option held by such Optionee may be exercised within a reasonable period (not to exceed one year) following the date on which such Optionee ceases to be an Eligible

Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee, as the case may be, provided such date is no later than the expiration of the applicable Option Period.

- (d) If an Optionee who is an Eligible Consultant ceased to be retained by the Corporation by virtue of a breach of the consulting agreement or the expiry thereof, or such retainer is otherwise terminated (other than for reasons set forth in Sections 2.7(a), (b) or (c) above), no Option held by such Eligible Consultant may be exercised following such breach, expiry or termination, as the case may be.

2.8 Effect of Takeover Bid

If a bona fide offer (the “**Offer**”) for Shares is made to all shareholders of the Corporation generally or for 100 percent of a class of shareholders which includes the Optionee, which Offer, if accepted in whole or part, would result in the offeror exercising control over the Corporation within the meaning of the *Securities Act* (Ontario), then the Corporation shall, immediately upon receipt of notice of the Offer, notify each Optionee currently holding an Option of the Offer, with full particulars thereof, whereupon, subject to approval of the Exchange, notwithstanding that such Option may not be fully vested at such time in accordance with Section 2.5 hereof, such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise (the “**Optioned Shares**”) pursuant to the Offer. If:

- (a) the Offer is withdrawn by the offeror; or
- (b) the Optionee does not tender the Optioned Shares pursuant to the Offer; or
- (c) all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror in respect thereof,

then the Optioned Shares or, in the case of Section 2.8(c) above, the Optioned Shares that are not taken up and paid for, shall be returned by the Optionee to the Corporation and reinstated as authorized but unissued Shares and the terms of the Option as set forth in Section 2.5 shall again apply to the Option. If any Optioned Shares are returned to the Corporation under this Section, the Corporation shall refund the exercise price to the Optionee for such Optioned Shares. In no event shall the Optionee be entitled to sell the Optioned Shares otherwise than pursuant to the Offer.

2.9 Withholding Taxes

The Corporation may, in its sole discretion, adopt and apply from time to time such rules and guidelines that in its opinion will facilitate the Corporation’s compliance with applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or any other deductions in respect of the amount, if any, included in the income of a Participant in connection with the exercise of any option (the “**Withholding Obligation**”). Without limiting the generality of the foregoing, the Corporation may refuse to honour the exercise of an Option unless the Participant pays to the Corporation the Withholding Obligation. Subject to the Plan and applicable law, the Board may, in its sole discretion, permit the Participant to satisfy the Withholding Obligation in whole or in part, by paying cash or by electing to have the Corporation withhold Shares in such amounts as are equivalent to the market price in order to satisfy the withholding obligation. In the event that such Participant has not paid to the Corporation a sum sufficient for the Corporation to comply with such Withholding Obligation, the Corporation shall have the right to: (a) withhold from any Shares issuable pursuant to an Option or from any cash amounts otherwise due or to become due from the Corporation to the Participant an amount equal to such Withholding Obligation, and such withheld Shares shall be cancelled if required by any applicable law or regulatory authority; or (b) deduct from any Option any other amounts due from the Participant to the Corporation.

2.10 Effect of Amalgamation, Consolidation or Merger

If the Corporation amalgamates, consolidates or merges (including by way of an arrangement) with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Participant would have received upon such amalgamation, consolidation or merger if the Participant had exercised his Option immediately prior to the record date applicable to such amalgamation, consolidation or merger, and the Option price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.

2.11 Adjustment in Shares Subject to the Plan

If there is any change in the Shares through a consolidation, subdivision or reclassification of Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option, and the purchase price thereof shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Plan.

2.12 Approval

The terms of the Options granted from time to time hereunder, and the Optionees to whom Options are granted, are subject, if applicable, to the Exchange accepting notice of such terms and proposed Optionees.

2.13 Expiry During Blackout Period

Notwithstanding the provisions of Section 2.5 or any other provision herein, no Option shall terminate and cease to be exercisable and no Option Period shall end, whether as a result of the cessation of employment of an Optionee or otherwise, prior to the tenth business day following the cessation of any restricted trading period imposed by the Corporation by which any Insiders of the Corporation are prohibited from trading in securities of the Corporation (a “**Trading Blackout**”) then in effect, and if a Trading Blackout is not then in effect, prior to the tenth business day following cessation of the most recent Trading Blackout.

ARTICLE 3 – GENERAL

3.1 Number of Shares

The aggregate number of Shares that may be available for issuance, from time to time, under the Plan shall not exceed 10% of the issued and outstanding Shares. The aggregate number of Shares so available for issuance under the Plan to any one person shall not exceed 5% of the issued and outstanding Shares (on a non-diluted basis) in any 12 month period (including the Shares that are subject to such Option). The aggregate number of Shares so available for issuance to Insiders of the Corporation under the Plan shall not exceed 10% of the issued and outstanding Shares (on a non-diluted basis) in any 12 month period including the Shares that are subject to such Option). The aggregate number of Shares so available for issuance under the Plan to any Eligible Consultant shall not exceed 2% of the issued and outstanding shares (on a non-diluted basis) in any 12 month period (including the Shares that are

subject to such Option). The aggregate number of Options granted to persons employed in Investor Relations Activities shall not exceed 2% of the issued and outstanding shares (on a non-diluted basis) in any 12 month period (including the Shares that are subject to such Option).

3.2 Transferability and Assignability

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein.

During the lifetime of a Participant all benefits, rights and options may only be exercised by the Participant, except as provided for under Section 2.7(a) of this Plan.

3.3 Employment

Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment or any retainer with the Corporation or interfere in any way with the right of the Corporation to terminate the Participant's employment or retainer at any time. Participation in the Plan by a Participant is voluntary.

3.4 Record Keeping

The Corporation shall maintain a register in which shall be recorded:

- (a) the name and address of each Participant; and
- (b) the number of Options granted to a Participant and the number of Options outstanding.

3.5 Necessary Approvals

The Plan shall be effective only upon the approval of the Exchange and, if required by such Exchange, of the shareholders of the Corporation.

The obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to the approval of any governmental or securities regulatory authority having jurisdiction which may be required in connection with the authorization or issuance of such Shares by the Corporation. If any Shares cannot be issued to any Participant for any reason including, without limitation, the failure to obtain such approval, then the obligation of the Corporation to issue such Shares shall terminate and any Option price paid to the Corporation shall be returned to the Participant.

Disinterested shareholder approval as required by the policies of the Exchange shall be obtained for any reduction in the exercise price per Share if the Eligible Participant is an Insider of the Corporation at the time of the proposed amendment.

3.6 Administration of the Plan

The Board is authorized to interpret the Plan from time to time and to adopt, amend and rescind rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate directors and/or officers of the Corporation and all costs in respect thereof shall be paid by the Corporation.

3.7 Income Taxes

As a condition of the Plan, the Corporation will withhold from any remuneration otherwise payable to such Participant any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of such participation in the Plan.

3.8 Amendments to Plan

The Board reserves the right to amend, modify or terminate the Plan at any time if and when it is advisable in the absolute discretion of the Board. Any amendment to any provision of the Plan shall be subject to approval, if applicable and if required, by the Exchange or any regulatory body having jurisdiction over the securities of the Corporation.

3.9 Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

3.10 Governing Law

The Plan shall be governed by the laws of the Province of Ontario excluding any conflicts of law, rule or principle which might refer such construction to the laws of another jurisdiction.

3.11 Interpretation

Words used herein importing the singular number include the plural and vice versa and words importing the masculine gender include the feminine and neuter genders.

3.12 Compliance with Applicable Laws

If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by-law or regulation of the Exchange, if applicable, or any regulatory body having authority over the Corporation or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
