1. NATURE OF OPERATIONS

Corporate Catalyst Acquisition Inc. (the "Company") was incorporated under the Business Corporations Act (Ontario) on March 19, 2012 and is classified as a Capital Pool Company ("CPC") as defined in Policy 2.4 ("CPC Policy") of the TSX Venture Exchange Inc. (the "Exchange"). The Company has no significant assets other than cash and cash equivalents and proposes to identify and evaluate potential acquisitions or businesses with a view to completing a Qualifying Transaction, as defined in the CPC Policy.

There is no assurance that the Company will identify a Qualifying Transaction within the time limitations permissible under the policies of the Exchange. The Company's common shares commenced trading on the Exchange on December 28, 2012, under the trading symbol "CII.P". On January 5, 2015, the Exchange suspended trading of the common shares of the Company as a result of the Company's failure to complete a Qualifying Transaction within 24 months of listing. The Company had a further 90-day period (i.e. on or prior to March 30, 2015) within which to complete its Qualifying Transaction or transfer its listing to the NEX Exchange. However, the Exchange has granted the Company's application to extend the period by which the Company has to complete its Qualifying Transaction. As a result, the Company has until September 30, 2015 to complete its Qualifying Transaction without a transfer of its listing to the NEX Exchange.

The head office, principal address and records office of the Company are located at 181 Bay Street, Suite 4400, Toronto, Ontario, M5J 2T3.

The unaudited condensed interim financial statements were approved and authorized for issue by the Board of Directors on August 11, 2015.

2. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These unaudited condensed interim financial statements should be read in conjunction with the Company's 2014 annual audited financial statements prepared in accordance with IFRS.

The accounting policies adopted in these unaudited condensed interim financial statements are consistent with those disclosed in the Company's audited financial statements for the year ended December 31, 2014. Please refer to these audited financial statements for significant accounting policies and future changes in accounting policies which remained unchanged as at June 30, 2015.

3. CASH RESTRICTION

Pursuant to the policies of the Exchange, the proceeds raised from the issuance of common shares may only be used to identify and evaluate assets or businesses for future investment, with the exception that not more than the lesser of 30% of the gross proceeds from the issuance of shares or \$210,000 may be used to cover prescribed costs of issuing the common shares or administrative and general expenses of the Company. These restrictions apply until completion of a Qualifying Transaction by the Company as defined under the CPC Policy. As at June 30, 2015, the Company had exceeded this limit. The impact of this violation is not known and is ultimately dependant on the Exchange.
