

## YOOMA WELLNESS INC. ANNOUNCES ANTICIPATED DELAY IN ANNUAL FILINGS AND CEASE TRADE ORDER

**Toronto, Ontario – April 21, 2023 – Yooma Wellness Inc.** (CSE: YOOM, AQSE: YOOM) ("Yooma" or the "Company") today announced that it anticipates it will be unable to file the following periodic disclosure documents (the "Annual Filings") by the filing deadline of May 1, 2023:

- Annual audited financial statements for the year ended December 31, 2022;
- Management's discussion and analysis for the year ended December 31, 2022; and
- CEO and CFO certifications of the annual filings for the year ended December 31, 2022.

By virtue of being unable to file the Annual Filings by the filing deadline, the Company anticipates that it will be issued a failure-to-file cease trade order ("CTO") by the Ontario Securities Commission.

The financial and operational challenges faced by the Company over the past several months have consumed significant financial and management resources, resulting in inevitable delays which have impacted on the ability of the Company's external auditor to commence and conduct its audit procedures. The Company has now resolved these issues to the extent required to allow the audit to proceed and is working diligently and expeditiously with its auditors to complete the Annual Filings as soon as possible. The Company anticipates that it will complete the Annual Filings on or before May 31, 2023, and revocation of the CTO is expected to occur within a few days after the Annual Filings are made.

A copy of the CTO will be posted on the Ontario Securities Commission website once issued. The Company expects that the CTO will provide that a beneficial security holder of the Company who is not, and was not at the date of the CTO, an insider or control person of the Company, may sell securities of the Company acquired before the date of the CTO if: (a) the sale is made through a "foreign organized regulated market", as defined in section 1.1 of the Universal Market Integrity Rules of the Investment Industry Regulatory Organization of Canada; and (b) the sale is made through an investment dealer registered in a jurisdiction of Canada in accordance with applicable securities legislation. Holders of the Company's securities are urged to consult with their own investment advisors or legal counsel about the implications of the CTO.

There can be no assurance that the Company will be able to remedy its filing default and have the CTO lifted in a timely manner or at all.

The Company confirms that there are no insolvency proceedings against it as of the date of this press release. The Company also confirms that there is no other material information concerning the affairs of the Company that has not been generally disclosed as of the date of this press release.
