### **ZARA OFFER FOR 19.9% OF VISIBLE EXPIRES**

Toronto, Ontario, July 26, 2013 - Zara Resources Inc. (CNSX: ZRI) ("Zara") announces that its Offer to purchase up to 19.9% of the shares of Visible Gold Mines (TSXV: VGD) ("Visible") has now expired.

Danny Wettreich, the CEO of Zara, stated "Since our Offer was made on June 10<sup>th</sup> 2013, the price of Visible shares has risen from \$0.015 to \$0.03, an increase of 100%. As the Visible directors could make no credible defense of their appalling record, they have hastily acquired some shares to narrow the gap between the pre-offer market price and the Zara Offer. Prior to Zara's Offer the Visible directors record was a 96% decline in the Visible share price, while they received \$769,585 in fees and wasted over \$12,000,000 of shareholders' funds. The Visible directors have also claimed a dubious technicality to ignore the fact that I have requisitioned a Special Meeting of Visible shareholders to replace the existing directors."

Zara is pleased that its activist intervention has clearly benefited Visible shareholders, and Zara is now considering further action.

### **About Zara Resources**

Zara is a Toronto based mineral company developing its Forge Lake gold project and its Pigeon River nickel-copper project in Ontario, Canada. It continues to seek the acquisition of other Canadian natural resource properties.
