

PROSPECT PARK CAPITAL CORP. ANNOUNCES PROPOSED QUALIFYING TRANSACTION

Toronto, Ontario (October 7, 2013) Prospect Park Capital Corp. (“**Prospect Park**”) (TSXV:PPK.P), a capital pool company as defined under Policy 2.4 (“**Policy 2.4**”) of the TSX Venture Exchange (the “**Exchange**”), is pleased to announce that it has entered into three agreements. Pursuant to the terms of the agreements and subject to completion of certain conditions precedent, including, satisfactory due diligence, execution of definitive agreements and receipt of all necessary director, shareholder, regulatory and Exchange approvals, the proposed transactions will qualify as Prospect Park’s “Qualifying Transaction” as defined by Exchange Policy 2.4.

If the three transactions are completed, Prospect Park would effectively invest more than 50% of its available cash in equity or debt securities of the following companies and Prospect Park would continue as an “investment issuer” on the Exchange focused on investments in the health care industry.

About the Target Companies

Skyline Medical Inc. is a corporation incorporated pursuant to the laws of the State of Delaware and is a medical device company. Skyline has a fully automated, patented, and FDA cleared surgical fluid disposal device - the STREAMWAY System - that virtually eliminates operating room workers’ exposure to blood, irrigation fluid and other potentially infectious fluids found in the surgical environment. Skyline is trading on the OTCBB under the symbol SKLN.

JB Therapeutics is a corporation incorporated pursuant to the laws of the state of Delaware and is a clinical stage company developing innovative drugs for the treatment of orphan inflammatory diseases. Its lead compound, JBT-101, is a novel, safe, oral synthetic endocannabinoids with potent anti-inflammatory activity. JBT-101 is being clinically developed for the treatment for Scleroderma and Cystic Fibrosis, both are debilitating diseases with no known cure and inadequate therapies.

IOI, LLC is a limited liability partnership duly organized under the laws of the State of Delaware. The aim of IOI is to invest in Serenity Pharmaceuticals, LLC for the completion of its final phase III clinical trials for approval by the U.S. Food and Drug Administration (“**FDA**”). Serenity (and its affiliate partner Allergan, Inc. (a NYSE listed Fortune 500 company)) are in the final stages of developing a drug for the treatment of nocturia. Nocturia is a medical syndrome that effects over 40,000,000 people in the United States. It is described as the propensity to wake up in the middle of the night due to the need to void. Multiple nocturic episodes are frequent for adults over the age of 50 and create erratic sleep patterns, extreme daytime fatigue and absenteeism at work due to sleep disturbances. This drug would be a “first to market drug” approved by the FDA for nocturia. Allergan will pay Serenity US\$22 million upon FDA application for approval and an additional US\$75 million upon FDA approval and first launch of this new drug. These payments would be used by Serenity to repay the loan by IOI.

Prospect Park will engage a Sponsor (as such term is defined by the Exchange) if required by the Exchange. An agreement to sponsor should not be construed as any assurance with respect to the merits of the transactions contemplated herein or the likelihood of completion.
