(“**Skyline**”) (such acquisition, the “**Skyline Investment**”) and pursuant to the terms of a subscription agreement between Prospect Park and IOI (the “**IOI Agreement**”) for the subscription of units of IOI (the “**IOI Investment**”), subject to completion of certain conditions precedent, including, receipt of all necessary regulatory and Exchange approvals, the Skyline Investment and the IOI Investment (together, the “**Transactions**”) will collectively constitute Prospect Park’s “Qualifying Transaction” as defined by Policy 2.4 of the Exchange.

Skyline is a medical device company. Skyline has a fully automated, patented, and U.S. Food and Drug Administration (“**FDA**”) cleared surgical fluid disposal device - the STREAMWAY System - that virtually eliminates operating room workers’ exposure to blood, irrigation fluid and other potentially infectious fluids found in the surgical environment. About IOI, LLC

IOI, LLC is a limited liability partnership duly organized under the laws of the State of Delaware. The aim of IOI is to invest in Serenity Pharmaceuticals, LLC (“**Serenity**”) for the completion of its final phase III clinical trials for approval by the FDA. Serenity (and its affiliate partner Allergan, Inc. (“**Allergan**”), a NYSE listed Fortune 500 company) are in the final stages of developing a drug for the treatment of nocturia. Nocturia is a medical syndrome that affects over 40,000,000 people in the United States. It is described as the propensity to wake up in the middle of the night due to the need to void. Multiple nocturic episodes are frequent for adults over the age of 50 and create erratic sleep patterns, extreme daytime fatigue and absenteeism at work due to sleep disturbances. This drug would be a “first to market drug” approved by the FDA for nocturia. Allergan will pay Serenity US\$22 million upon FDA acceptance for its application for the commercialization of the nocturia product (“**NDA**”) and, upon approval of the NDA and launch of the product will additionally receive two milestones amounting to US\$75 million. These payments would be used by Serenity to repay the loan by IOI as further described below.

About the Proposed Skyline Investment

Pursuant to the SOK Agreement entered into with SOK, Prospect Park has agreed to acquire from SOK CDN\$1,700,000 of Skyline Shares for the purchase price of CDN\$1,000,000. The purchase price is payable in cash and shares as detailed in the Circular (defined below).

The Skyline Investment will result in Prospect Park issuing an aggregate of 3,018,632 Shares to SOK. Upon the Skyline Closing, SOK will own approximately 15.0% of the outstanding Shares as of the date of the Skyline Closing (and approximately 29.1% upon issuance of the 1,714,285 Shares issuable within 6 (six) months of the Skyline Closing).

Completion of the Skyline Investment is conditional upon all necessary regulatory and shareholder approvals, including final approval of the Exchange, and other conditions which are typical for a share purchase transaction of this type.

About the Proposed IOI Investment

Pursuant to the IOI Agreement entered into with IOI, Prospect Park has agreed to acquire from IOI approximately 5.0% to 7.5% of the outstanding interests of the members of IOI (“**IOI Membership Interest**”) for the purchase price of USD\$150,000.

The consideration payable for the IOI Membership Interest was negotiated by the parties. Upon completion of the IOI Investment, if the Minimum Term Loan (as defined below) is extended to Serenity, Prospect Park would beneficially hold 7.5% of the IOI Membership Interest and if the Maximum Term Loan (as defined) is extended to Serenity, Prospect Park would hold 5.0% of the IOI Membership Interest.

IOI, as co-lender, and various lenders have entered into a credit and guaranty agreement dated as of July 12, 2013 with Serenity as borrower and Firefly Agent, LLC as administrative agent (“**IOI Credit Agreement**”). Pursuant to the IOI Credit Agreement, IOI (as to 20%) and the Lenders (as to 80%) have agreed to extend to Serenity a USD\$15,000,000 senior secured first lien multi-draw term loan (the Minimum Term Loan), subject to an increase of up to USD\$5,000,000 to USD\$20,000,000 (the Maximum Term Loan) at Serenity’s option subject to certain qualifications as outlined in the IOI Credit Agreement.

Completion of the IOI Investment is conditional upon all necessary regulatory and shareholder approvals, including final approval of the Exchange, and other conditions which are typical for transactions of this type.

Shareholder Approval and Meeting

The Skyline Investment may be considered a “Related Party Transaction” (as such term is defined in Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”)) due to Dr. Samuel Herschkowitz, one of the directors and officers of Prospect Park, and Joshua Kornberg, one of the directors of Prospect Park, being the co-managing members and each 50% owners of a private company that is the managing member and sole beneficial owner of SOK (the vendor of the Skyline Shares to Prospect Park). In addition, Joshua Kornberg is a director and officer of Skyline and Frank Mancuso Jr., one of the directors of Prospect Park, is an independent director of Skyline.

The IOI Investment may be considered a Related Party Transaction due to Dr. Samuel Herschkowitz, one of the directors and officers of Prospect Park, being the manager of IOI. Dr. Herschkowitz, holds less than 1% of the IOI Membership Interest. Dr. Samuel Herschkowitz, is also the CEO of Serenity.

As the Transactions may each be considered a Related Party Transaction, accordingly, the Transactions require (among other things) Majority of the Minority Shareholder Approval (as such term is defined in MI 61-101) at the Meeting (as defined below). As a result, the Transactions are conditional upon (among other things) being approved at the Meeting by a Majority of the Minority Shareholder Approval. MI 61-101 further provides that, unless exempted, an issuer proposing to carry out a Related Party Transaction is required to engage an independent valuator to prepare a formal valuation of the affected securities and to provide to the holders of the affected securities a summary of such valuation. In connection with the Transactions, an exemption from this valuation requirement is available pursuant to MI 61-101, because none of the securities of Prospect Park are listed or quoted on any of the exchanges or markets listed in MI 61-101.

Prospect Park has called an annual and special meeting of shareholders of Prospect Park (“**Meeting**”) to consider (among other matters) the Majority of the Minority Shareholder Approval of the Skyline Investment pursuant to the SOK Agreement and the IOI Transaction pursuant to the IOI Agreement. The Meeting has been set for September 25, 2014 at 10:00 a.m. (EST) at McMillan LLP, Brookfield Place, Suite 4400, 181 Bay Street, Toronto, Ontario, M5J 2T3.

The management fees and performance fees payable pursuant to the Management Agreement was negotiated by Prospect Park and the Manager.
