## Date and Signature Page and Certificate of Qualification

### Certificate of Qualified Person

I, Etienne Forbes, B. Sc., do hereby certify that:

- a) I am a geologist and president of Geoforbes Services Inc., whose place of business is located at 56, du Rosaire street PO BOX 338, Lac-Au-Saumon, Province of Quebec), G0J 1M0;
- b) I am the qualified person for the preparation of Sections 11 & 12 of the technical report entitled “*NI 43-101 Technical Report pertaining to: Langis Property, Matapedia area, Quebec, NTS 22B/11 Prepared for Canadian Metals Inc.*” dated January 26, 2016 and revised March 21, 2016;
- c) I also revised chapters 11 & 12 of the technical report entitled “*NI 43-101 Preliminary Economic Assessment on the Langis Silica Deposit and a Metallurgical Silicon Processing Plant in the Matapedia Region, Province of Québec, Canada*” dated April 11, 2016 and confirm that these chapters are or include representative excerpts from the report mentioned above in b);
- d) I am a graduate from the *Université du Québec à Montréal (UQAM)* with a B. Sc. in geology in 1994. I am a Professional in Geology and registered member of the *Ordre des Géologues du Québec (OGQ)*, permit number 611;
- e) I was involved in exploration work on the property since 2013 having the responsibility to oversee the two diamond drill programs as an independent contractor for Genivar (2013) and Canadian Metals Inc. (2015). As co-author, I reviewed various issues related to the property with co-author Alain Tremblay P. Eng. I visited the Langis Property numerous times since 2013;
- f) I am independent of the issuer in accordance with Section 1.5 of National Instrument 43-101, Standard of Disclosure for Mineral Projects;
- g) I have read the definition of «qualified person» as defined in National Instrument 43-101 («NI 43-101») and certify that by reason of my education, affiliation with a professional association and past relevant work experience, I fulfill the requirements to be a qualified person for the purposes of National Instrument 43-101;
- h) I have read the National Instrument 43-101 and Form 43-101F1, and the Technical Report has been prepared in compliance with that instrument and form.

- 
- i) As at April 18, 2016, to the best of my knowledge, information and belief, the Technical Report contains all the scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

Signed this 18th day of April, 2016.
