(“CME” or the “Corporation”) (CSE: CME) is pleased to announce that it has closed a first tranche of \$2,325,297.41 (the “First Tranche”) of a non-brokered private placement of up to \$2,500,000.00 (the “Private Placement”), which was upsized from the previously announced maximum amount. The Private Placement comprises (i) common shares in the capital of the Corporation issued on a “flow-through” basis at a price of \$0.0316 (each, a “FT Unit”), and (ii) units of the Corporation also at a price of \$0.0316 (each, a “NFT Unit”). Each FT Unit is comprised of one common share in the capital of the Corporation issued on a flow-through basis and one common share purchase warrant (each, a “Warrant”). Each NFT Unit is comprised of one non-flow-through common share and one Warrant. Each Warrant entitles the holder thereof to purchase one common non-flow through common share of the Corporation at a price of \$0.048 for a period of 24 months from its issuance.

In connection with the First Tranche, the Corporation paid cash finder's fees of \$107,363.84 and issued 2,143,200 finder's warrants (each, a “Finder's Warrant”) to an eligible finder. All securities issued in connection with the Private Placement are subject to a statutory hold period of 4 months and a day from the closing of each tranche of the Private Placement in accordance with applicable securities laws. The Corporation will use the proceeds of the Private Placement for general exploration and working capital, and the proceeds raised from the sale of the FT Units will be used for eligible flow-through expenditures. The Private Placement is subject to the final approval of the Canadian Securities Exchange (the “CSE”).

An insider of the Corporation participated in the Private Placement for \$39,500.00, which constituted a “related party transaction” within the meaning of *Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions* (“MI 61-101”). The issuance to the insider is exempt from the formal valuation and the minority shareholder approval requirements of MI 61-101 as the consideration paid by such insider did not exceed 25% of the Corporation’s market capitalization.
