The GLN Story
GLN harnesses the power of artificial intelligence to improve marketing return on investments for advertisers using its patent pending video advertising technology. By 2020, MAGNA, the research arm of media buying firm IPG Mediabrands, expects digital ads to make up 50 percent of all ad spending, expected to reach $237 billion this year. GLN recently closed a $9.2 million subscription financing prior to closing its qualifying transaction and trades on the TSX Venture Exchange under the stock symbol "GOOD" and The Frankfurt Stock Exchange under the stock symbol 4G5.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
