## **i9 Capital becomes Consultant to West Point Resources**

Vancouver, British Columbia, January 28, 2014: West Point Resources Inc. (TSX Venture: WPO) (the “Company”) is pleased to announce that i9 Capital Consulting (“i9 Capital”) has become a consultant to West Point. i9 Capital is Canadian consulting firm that specializes in helping companies seek capital through various sources including Exempt Market Dealers, IIROC firms, Institutional Funds, and Portfolio Managers. i9 Capital has a number of veteran executives, including Peter Christiansen who has many years of experience helping junior companies reach their corporate objectives. Mr. Christiansen has extensive experience working with mutual funds, labour-sponsored funds, hedge funds, and flow-through partnerships. Over the past decade, Mr. Christiansen has raised more than \$250 million dollars in such funds and partnerships, through a variety of channels, including IIROC, MFDA, EMD, and MGA. From 2005 to 2012, he led a sales team responsible for raising more than \$1 billion in flow-through partnerships.

We seek Safe Harbor.

*On behalf of the Board of Directors*

“Rav Mlait”

President and CEO  
West Point Resources Inc.

### Cautionary Statement Regarding Forward-Looking Statements

This release and other documents filed by the Company contain forward-looking statements. All statements that are not clearly historical in nature or that necessarily depend on future events are forward-looking, and the words "intend", "anticipate", "believe", "expect", "estimate", "plan" and similar expressions are generally intended to identify forward-looking statements. These forward-looking statements include, without limitation, performance and achievements of the Company, business and financing plans, business trends and future operating revenues. These statements are inherently uncertain and actual achievements of the Company or other future events or conditions may differ materially from those reflected in the forward-looking statements due to a variety of risks, uncertainties and other factors, including, without limitation, financial related risks, unstable gold and metal prices, operational risks including those related to title, significant uncertainty related to any potential mineral resources, operational hazards, unexpected geological situations, unfavourable mining-exploration conditions, changing regulations and governmental policies, failure to obtain required permits and approvals from government authorities, failure to obtain any required approvals of the regulatory authorities or from shareholders, failure to obtain any required financing, increased competition from other companies many of which have greater financial resources, dependence on key personnel and environmental risks and the other risks described in the Company's continuous disclosure documents.

**Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.**
