## West Point Resources Evaluates New Projects

Vancouver, British Columbia, April 3, 2014: West Point Resources Inc. (TSX Venture: WPO) (the “Company”) announces that it intends to actively source, evaluate and conduct due diligence on new potential projects, including, but not limited to projects in alternative medicine (medical marijuana), technology, financial and resources sectors.

Rav Mlait, president and CEO states: “West Point is looking at all potential opportunities that can create immediate and long-term shareholder value.”

At this time, there are no transactions in place.

The company further announces the granting of 1.44 million incentive stock options exercisable at ten cents per share for five years, 600,000 of which are to officers and directors of the company, and 845,000 to consultants.

We seek Safe Harbor.

*On behalf of the Board of Directors*
