Dear Sirs:

**Re: Filing of Technical Report without Triggering Event Under NI 43-101**

Cannabix Technologies Inc. (the "**Company**") is filing a Technical Report titled "NI 43-101 Technical Report On the Monster Lake South property" dated January 5, 2015 (the "**Technical Report**") that was prepared for the Company by Jeannot Theberge P.Geo, Terrax Management Inc.

The Company is filing the Technical Report for general information purposes only and confirms that no triggering event has occurred under National Instrument 43-101. If a triggering event occurs at a later date, the Company confirms it will file a geologist's consent on the date of the triggering event, and the Qualified Person will state he has read the contents of the disclosure document that relates to the Technical Report and agrees with its contents.

Yours truly,

**CANNABIX TECHNOLOGIES INC.**
