GreenBank Launches MarijuanaForCanada.ca website

Toronto, Ontario, April 28, 2014 - GreenBank Capital Inc (CNSX: GBC) ("GreenBank") announces that it has launched a new website www.MarijuanaForCanada.ca aimed at the medical marijuana market.

“MarijuanaForCanada.ca will seek to be the premier Canadian website for the marijuana space. It contains general information about the plant and its medicinal attributes, the latest medical marijuana news, a section on how to find a grower, a section on how to find a doctor, a section for investors in Canadian marijuana public companies, a section to ask questions of our resident expert, and a section for marijuana literature.” commented Danny Wettreich, CEO of GreenBank.

The MarijuanaForCanada expert who will be responding to questions from the public is Dr Stefan A Hulea who is GreenBank’s medical marijuana consultant. Dr. Hulea is currently authoring a book that highlights the pain alleviation properties of medical marijuana as well as health matters directed at the general public. He has an extensive background in biochemistry and worked for over 25 years in basic and applied biomedical research. He graduated from the University of Bucharest, Romania with a B.Sc.(Hon) in Biochemistry and completed his graduate work in the Department of Biochemistry, King's College London, England, where he earned a Ph.D. in Biochemistry.

Additional features will continue to be added to the website with the aim of providing the Canadian medical marijuana community with a premier web based information source.
