GREENBANK COMPLETES PRIVATE PLACEMENT

Toronto, Ontario, October 14, 2014 – GreenBank Capital Inc (CSE:GBC) ("GreenBank" or "the Company") announces that the Company has closed its previously announced non-brokered private placement (the "Private Placement") with Daniel Wettreich, a director of the Company, of 2,000,000 units (each a "Unit") of GreenBank at a price of \$0.05 per Unit, for gross proceeds of \$100,000. Each Unit consists of one common share in the capital of GreenBank and one common share purchase warrant. Each common share purchase warrant entitles the holder to acquire one additional common share in the capital of GreenBank at an exercise price of \$0.05, for 36 months after closing. The securities are subject to a hold period of four months and a day. The proceeds of the Private Placement will be used for working capital purposes. Daniel Wettreich now directly and indirectly beneficially owns 4,287,198 common shares of GreenBank, representing 38.47% of GreenBank and 2,000,000 common share purchase warrants representing 95% of the outstanding warrants of GreenBank. The total number of common shares issued and outstanding is 11,142,460.

A material change report in respect of the related party transaction was filed on October 3, 2014 and has not been filed at least 21 days in advance of the closing of the Private Placement due to the Company's immediate need to address its financial situation, which omission is both reasonable and fair in the circumstances. MI 61-101 requires if a material change report is filed less than 21 days before the expected date of the closing of the transaction, an explanation is to be provided as to why the shorter period is reasonable or necessary in the circumstances.
