GREENBANK REQUISITIONS MINFOCUS SHAREHOLDER MEETING TO REPLACE DIRECTORS

Toronto, Ontario, March 1, 2018 – GreenBank Capital Inc. (CSE: GBC and OTCMKTS: GRNBF and FRA; 2TL) ("GreenBank or the Company") announces that it has requisitioned a shareholder meeting of Minfocus Exploration Corp (TSXV: MFX) ("Minfocus") pursuant to Section 167 of the *Business Corporations Act* (BC). At the meeting shareholders will be asked to remove the current directors of Minfocus and elect three new directors.

In the opinion of GreenBank, the current directors of Minfocus have taken actions that serve only the interests of the Minfocus directors and do not serve the interests of Minfocus shareholders. Such actions include but are not limited to announcing a share issuance to themselves in a purported debt settlement, the issuance of a significant number of stock options to themselves, and not complying with basic corporate governance requirements in an effort to retain their position as directors.

At the shareholders meeting, Minfocus shareholders will be asked to remove all the current directors, and to elect Paul Cullingham as Chairman and CEO, and Paul Ankcorn and Garth Douglas as independent directors.

Paul Cullingham has been in the investment banking industry since 1986 specializing in the resource and financial sectors, where he has worked for both large and medium-size Canadian companies, as well as a large Wall Street firm. He is a director and Vice President of GreenBank, and a director and Vice Chairman of mineral exploration companies Ubique Minerals Limited and Buchans Wileys Exploration Inc. He is also CEO of Inside Bay Street Corporation, a financial communications company. Previously, he was the President and CEO of Celtic Minerals Inc., a publicly listed minerals exploration company.

Paul Ankcorn has been a director, CEO or CFO of a number of public and private mineral exploration companies including Cartier Iron Corporation, Tartisan Resources Corp, Shield Gold Inc, Remington Resources, ACME Resources Corp, NWT Copper Mines Ltd, Champion Iron Mines Ltd, Great Lakes Graphite Inc, NFX Gold Inc, Northfield Metals Inc, Harte Gold Corp, Cuervo Resources Inc, Eloro Resources Inc, Trelawney Resources Inc, Eastmain Resources Inc, and Fancamp Exploration Ltd. He received a Bachelor in Business Administration from Wilfrid Laurier University, and he is a Certified Management Accountant.

Garth Douglas is President of gsd Media Inc, a media consulting and investor relations company. He is also President of X-Rays Productions a film and television production company. Previously he was Partner in CFBN a Canadian business news radio station, and an independent producer for CBC, TVOntario, and CTV.

The date of the shareholder meeting will be communicated to Minfocus shareholders in due course.

In an off-market transaction, GreenBank closed its previously announced acquisition of 14,311,131 shares of Minfocus at 2 cents per share on February 28, 2018, payable by the issuance of 220,171 common shares of GreenBank at a price of \$1.30 per share to Gerald Harper, a former director of Minfocus. The GreenBank shares are subject to a four month and one day hold period pursuant to applicable securities laws.
