Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered

Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). In the United States of America (the "U.S." or the "United States") the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for "Objecting Beneficial Owners") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "Non-Objecting Beneficial Owners").

These securityholder materials are sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a Voting Instruction Form ("**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), different from the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of your desired representative (which may be you) in the blank space provided in the VIF. Once you have completed and signed your VIF return it to Broadridge by mail or facsimile or deliver your voting instructions to Broadridge by phone or via the internet, in accordance with Broadridge's instructions. Following submission to Broadridge, you **MUST** contact AGM Connect at support@agmconnect.com or at (+1) 416.222.4202 to provide a contact email address for your appointed representative in order for them to join the virtual meeting. Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a VIF from Broadridge, it must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to:

- (a) have your Common Shares voted at the Meeting as per your instructions; or
- (b) have an alternate representative chosen by you duly appointed to attend and vote your Common Shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of Ontario, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act (British Columbia)* as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

1. executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation,

under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to AGM Connect at 401 Bay Street, Suite 2704, Toronto ON, M5H 2Y4, ATTN: Greenbank, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or

2. personally attending the Meeting and voting the Registered Shareholder's Common Shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

SHAREHOLDERS ARE REMINDED TO REVIEW THE CIRCULAR BEFORE VOTING.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, as further described below.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board of the Company has fixed June 20, 2022 as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only Shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver the Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares without par value, which Common Shares are listed for trading on the Canadian Securities Exchange (the "CSE") under stock symbol "GBC". VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast in person or by proxy at the Meeting is required to pass the resolutions described herein as ordinary resolutions.

If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. The Compensation committee provides periodic reviews of director and executive compensation with an aim towards encouraging the development of a compensation strategy that properly aligns the interests of directors, officers and executives with the long-term interests of the Company and its shareholders. The Compensation Committee is also tasked with making recommendation to the GreenBank Board at large about relevant issues and questions regarding compensation. Director Mark Wettreich will be retiring from the Company’s Board and from his role on the Compensation Committee at the conclusion of the July 29, 2022 Annual General and Special Meeting of Shareholders. It is proposed that the Company’s Director Steve O’ Carrol serve on the Company’s Compensation Committee for the upcoming fiscal year.

CORPORATE GOVERNANCE

National Instrument 58-101 - Disclosure of Corporate Governance Practices (“NI 58-101”) requires issuers to disclose their corporate governance practices and National Policy 58-201 - Corporate Governance Guidelines (“NP 58-201”) provides guidance on corporate governance practices. This section sets out the Company’s approach to corporate governance and addresses the Company’s compliance with NI 58-101.

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the company’s shareholders. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “**material relationship**” is a relationship which could, in the Board’s opinion, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management of the Company through frequent meetings of the Board at which members of management or non-independent directors are not in attendance and by retaining independent consultants where it deems necessary.

Management is delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its Audit Committee, the Board examines the effectiveness of the Company’s internal control processes and management information systems. The Board reviews executive compensation and recommends stock option grants.

The independent members of the Board are Peter Wanner, Richard Beresford and Steve O’ Carroll. Terry Pullen is not independent as he is an officer of the Company.

Orientation and Continuing Education

While the Company does not have formal orientation and training programs, new Board members are provided with:

- (a) access to recent, publicly filed documents of the Company, technical reports and the Company’s internal financial information;
- (b) access to management and technical experts and consultants; and
- (c) information regarding a summary of significant corporate and securities responsibilities.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board of Directors in which the director has an interest, have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Board of Directors will consider its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board of Directors' duties effectively and to maintain a diversity of views and experience.

The Board of Directors does not have a nominating committee, and these functions are currently performed by the Board of Directors as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board of Directors, via recommendation from its Compensation Committee, is responsible for determining compensation for the officers, employees and nonexecutive directors of the Company. The Board of Directors annually reviews all forms of compensation paid to officers, employees and non-executive directors, both with regards to the expertise and experience of each individual and in relation to industry peers. See Executive Compensation – Compensation Discussion and Analysis.

Other Board Committees

The Board of Directors has no other committees other than the Audit Committee and the Compensation Committee.

Assessments

The Board of Directors monitors the adequacy of information given to directors, communication between the Board of Directors and management, and the strategic direction and processes of the Board of Directors, Audit Committee, and Compensation Committee.

- (d) the maximum number of Options which may be granted to any one consultant within any 12-month period must not exceed 2% of the number of issued and outstanding Common Shares;
- (e) the maximum number of Options which may be granted within any 12-month period to employees or consultants engaged in investor relations activities must not exceed 2% of the number of issued and outstanding Common Shares and such Options must vest in stages over 12 months with no more than 25% of the Options vesting in any three-month period;
- (f) the exercise price of any Option issued under the Stock Option Plan shall not be less than the Market Value (as defined in the Option Plan) of the Common Shares as of the grant date; and
- (g) the Board, or any committee to whom the Board delegates, may determine the vesting schedule for any Option.

The foregoing summary of the Option Plan is not complete and is qualified in its entirety by reference to the Option Plan, A Copy of which is described below as Schedule “A”.

The RSU Plan was designed to provide certain directors, officers, consultants and other key employees (an “Eligible Person”) of the Company and its related entities with the opportunity to acquire restricted share units (“RSUs”) of the Company. The acquisition of RSUs allows an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Persons.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Board generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company's goals and objectives.

The compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company's shareholders. In the Board's view, paying salaries and/or comparable stock-based compensation which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines the compensation for the CEO. The compensation of the Company's executives is determined by the Board after the recommendation of the CEO. In each case, the Board takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company's available cash resources.

In the Board's view, to attract and retain qualified and effective executives, the Company must pay base salaries and/or comparable stock-based compensation which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed within this context with a view that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining qualified executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary and/or equity participation through its Option Plan (described above) and its RSU Plan (described above).. Recommendations for senior management compensation are

presented to the Board by its Compensation Committee for review.

Base Salary or Consulting Fees

In the Board's view, paying base salaries and/or stock-based compensation which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates is a first step to attracting and retaining qualified and effective executives.

Base salary ranges and/or stock-based compensation for the executive officers were initially determined upon a review of companies within comparable industries, which were of the same size as the Company, at the same stage of development as the Company and considered comparable to the Company.

In determining the base salary and/or stock-based compensation of an executive officer, the Board considers the following factors:

- (a) the particular responsibilities related to the position;
- (b) salaries and/or stock-based compensation paid by other companies in similar industries which were similar in size as the Company;
- (c) the experience level of the executive officer;
- (d) the amount of time and commitment which the executive officer devotes to the Company; and
- (e) the executive officer's overall performance and performance in relation to the achievement of corporate milestones and objectives.

Executive Compensation

Except for the grant of incentive share options and restricted share unit awards to the NEOs and any compensation payable pursuant to an executive compensation agreement between the CEO or CFO and the Company, there are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

Director Compensation

The directors receive \$1,000 cash compensation for acting in their capacity as directors of the Company on an accrual basis, which is payable at a time that the Board determines the net cash position of the Company is such that payment of such accrued fees will not constitute an undue burden on the financial condition of the Company. No directors received cash compensation during the course of the most recent fiscal year ended July 31, 2021, although the fees were accrued and accounted for in the Company's Audited financial statements for the year ended July 31, 2021.

Except for the grant to directors of share options and restricted share unit awards, there are no arrangements under which directors were compensated by the Company during the two most recently completed financial years for their services in their capacity as directors.

Bonus Incentive Compensation

The Company's objective is to achieve certain strategic objectives and milestones. The Board considers executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. The Board approves executive bonus compensation dependent upon compensation levels based on recommendations of the Company's Compensation Committee. Such recommendations are generally based on information provided by issuers that are similar in size and scope to the Company's operations.

Equity Participation

The Company believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's existing stock option plan and its restricted share unit plan. Stock options and RSUs are granted to executives and employees taking into account a number of factors, including the amount and term of options and RSUs previously granted, base salary and bonuses and competitive factors. The amounts and terms of options and RSUs granted are determined by the Compensation Committee based on recommendations put forward by any of the Directors of the Company. . The Company emphasizes the provisions of option and RSU grants to maintain executive motivation.

The Company is not, however, aware of any directors or officers having entered into this type of transaction

As of the date of this Form, entitlement to grants of incentive stock options under the Company's Stock Option Plan and unit awards under the Company's Restricted Share Unit Plan are the only equity security elements awarded by the Company to its executive officers and directors. SPECIAL RESOLUTION OF THE SHAREHOLDERS OF THE COMPANY:

Background to the Proposed Special Resolution of Shareholders.

The Company was founded in the year 2013, with its original founder and Chairman passing away in the year 2018. The original founder named the business GreenBank Capital Inc, and it has been operating under that business name ever since its inception with its 10-year anniversary of being in business quickly approaching. GreenBank underwent a series of appropriate and typical regulatory reviews upon its public listing to the Canadian Securities Exchange in 2013 as well as subsequent regulatory reviews on various later dates throughout the course of its history.

With this in mind, the Board of Directors of the Company were recently provided with an Informational Letter by the Office of the Superintendent of Financial Institutions ("OSFI"), a Canadian regulatory body responsible for administering most provisions of the Bank Act. In the Informational Letter, OSFI indicated to the Company that in OSFI's estimation, the corporate name GreenBank Capital and the domain name "<https://greenbankcapitalinc.com/>" do not appear to be compliant with Bank Act subsection 983, which restricts the use of the words "bank", "banker" and "banking" specific subsets outlined in the Bank Act. While Section 983 does provide for certain exceptions to these restrictions, OSFI indicated that it is unlikely that these exceptions would be available to the Company.

This information came as a complete surprise to the Company's Board. After carefully considering the contents of OSFI's Information Letter, the Company's Board of Directors concluded, and subsequently informed OSFI that it intended, in good faith, to take proactive measures to comply with Subsection 983 of the Bank Act. The following Special Resolution of shareholders, as described below, is proposed with this background in mind.

TO CONSIDER, AND IF DEEMED ADVISEABLE TO PASS A SPECIAL RESOLUTION AUTHORIZING AND APPROVING AN AMENDMENT TO THE COMPANY'S ARTICLES TO EFFECT A CHANGE OF THE COMPANY'S NAME TO ANY SUCH NAME AS THE BOARD OF DIRECTORS OF THE COMPANY, IN ITS DISCRETION, MAY RESOLVE AND AS MAY BE ACCEPTABLE TO APPLICABLE REGULATORY AUTHORITIES. Were this proposal above indeed to pass, the Company's intends to take any and all further necessary steps to resolve the matter with OSFI, including a corporate name change, domain name change, and any other potential changes, possibly including changes in business description, change in the Company's ISIN / CUSIP numbers, change in ticker symbol, reissuance of shares, or any other actions which may be deemed necessary as a result of OSFI's informational letter.

OTHER MATTERS

The Board is not aware of any other matters which it anticipates will come before the Meeting as of the date of mailing of this Circular. The contents of this Circular and its distribution to Shareholders have been approved by the Board of the Company.

DATED at Toronto, Ontario, as of this 28th day of June, 2022.

 - (f) **Vesting:** Unless the Board determines otherwise at its discretion, a Stock Option shall vest immediately upon being granted.
 - (g) **Exercise of Option:** Subject to the provisions contained in sections 8, 10 and 11 below, no Stock Option may be exercised unless the optionee is at the time of exercise an Eligible Person (as defined in section 1, above) and the optionee shall represent to the Corporation that optionee is and has remained throughout the period since the grant of the Stock Option an Eligible Person or (in the case of exercises of Stock Options pursuant to section 8) remained an Eligible Person until the date of termination, disability or death referred to in section 8.. This Plan shall not confer upon the optionee any right with respect to continuation of employment or engagement by the Corporation. Leave of absence approved by an officer of the Corporation authorized to give such approval shall not be considered an interruption of employment or services for any purpose of the Plan. Subject to the provisions of the Plan, a Stock Option may be exercised from time to time by delivery to the Corporation of written notice of exercise specifying the number of shares with respect to which the Stock Option is being exercised and accompanied by payment in full, by cash or certified cheque, of the purchase price of the Shares then being purchased.
 - (h) **Non-transferability of Stock Option:** No Stock Option shall be assignable or transferable by the optionee, except to a personal holding corporation of the optionee, other than by will or the laws of descent and distribution.
 - (i) **Applicable Laws or Regulations:** The Corporation’s obligation to sell and deliver Shares under each Stock Option is subject to such compliance by the Corporation and any optionee as the Corporation deems necessary or advisable with regards to any laws, rules and regulations of Canada and any provinces and/or territories thereof applying to the authorization, issuance, listing or sale of securities and is also subject to the acceptance for listing of the Shares which may be issued upon the exercise thereof by each stock exchange upon which Shares of the Corporation are then listed for trading.
8. **TERMINATION OF EMPLOYMENT, DISABILITY AND DEATH:** Unless the Option Agreement provides otherwise, all Stock Options will terminate:

- (a) in the case of Stock Options granted to an employee or Consultant employed or retained to provide investment relations services, thirty (30) days after the optionee (or its employee or consultant as the case may be) ceases to be employed or retained (either directly or indirectly) to provide investment relations services;
- (b) in the case of Stock Options granted to other employees, Consultants, directors, officers or advisors, ninety (90) days following (i) the termination by the Corporation, with or without cause, of the optionee's employment or other direct or indirect relationship with the Corporation or an Affiliated Entity, or (ii) the termination by the optionee of any such relationship with the Corporation or an Affiliated Entity; or (c) in the case of death or permanent and total disability of the optionee (or the last employee of or consultant to an optionee that qualifies the optionee as an Eligible Person), all Stock Options will terminate twelve (12) months following the death or permanent and total disability of such person, and the optionee or the deceased optionee's heirs or administrators (as the case may be) may exercise all or a portion of the Stock Option during that period. Such period or periods shall be set forth in the Option Agreement evidencing such Stock Option.
- (c) Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director or officer of or a consultant to the Company or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer, or full-time employee of or a consultant to the Company or any of its subsidiaries.

9. **ADJUSTMENTS IN SHARES SUBJECT TO THE PLAN:** The aggregate number and kind of Shares available under the Plan and the exercise price of any Stock Options granted under the Plan shall be appropriately adjusted in the event of a reorganization, recapitalization, stock split, stock dividend, combination of shares, merger, consolidation, rights offering or any other change in the corporate structure or shares of the Corporation. In any of such events, the Board may determine the adjustments to be made in the number and kind of Shares covered by Stock Options theretofore granted or to be granted and in the option price for said Stock Options.

10. **AMENDMENT AND TERMINATION OF PLAN:** Subject to any necessary approval of regulatory authorities having jurisdiction, the Board may from time to time amend or revise the terms of the Plan, or may terminate the Plan at any time, provided however that no such action shall, in any manner adversely affect the rights of any optionee under any Stock Option theretofore granted under the Plan without said optionee's prior consent. Upon the mutual consent of the optionee and the Board, the terms of an Option Agreement may be amended, subject to regulatory approval and shareholder approval as may be required from time to time.

11. **CORPORATE TRANSACTIONS:** In the event of the Shares being exchanged for securities, cash or other property of any other corporation or entity as the result of a reorganization, merger or consolidation in which the Corporation is not the surviving corporation, the dissolution or liquidation of the Corporation, or the sale of all or substantially all the assets of the Corporation, the Board or the board of directors of any successor corporation or entity may, in its discretion and subject to regulatory approval, as to outstanding Stock Options:

- (a) upon written notice to the holders thereof, accelerate the exercise date or dates of such Stock Options;

- (d) provide for the assumption of such Stock Options, or the substitution therefor of new Stock Options, by the successor corporation or entity.

12. **ADDITIONAL RESTRICTIONS:** unless an ordinary resolution of disinterested shareholders of the Corporation (being all shareholders of the Corporation other than those who are Related Persons, as defined below) provides otherwise, the number of Stock Options which may be granted under the Plan, together with any other share compensation arrangements of the Corporation, is subject to the following additional restrictions:

The Options granted under the Plan together with all of the Company's other previously established stock option plans or grants, shall not result at any time in:

- (a) the number of Common Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders within a 12-month period, of a number of Options exceeding 10% of the outstanding Common Shares;
- (c) the grant to any one (1) Optionee within a twelve month period, of a number of Options exceeding 5% of the issued and outstanding Common Shares unless the Company obtains the requisite Disinterested Shareholder Approval;

- (e) the grant to any one Consultant, in any twelve-month period, of Options reserving for issuance a number of Common Shares exceeding in the aggregate 2% of the Company's issued and outstanding Common Shares.

Appropriate adjustments shall be made as set forth in Section 15 hereof, in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Company. If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

7. Option Agreement

A written agreement will be entered into between the Company and each Optionee to whom an Option is granted hereunder,

which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the “**Stock Option Agreement**”). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the “**Expiry Date**”), subject to earlier termination as provided in Sections 11 and 12 hereof.

Subject to any limitations imposed by any relevant regulatory authority, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

Notwithstanding any other provision hereof, Options granted to persons engaged to provide Investor Relations Activities shall vest in stages over a period of 12 months from the date of grant with no more than 1/4 of any such Options granted vesting in any three-month period. The exercise of any Option will be conditional upon receipt by the Company at its head office of: (i) a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised; (ii) cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised; and (iii) make suitable arrangements with the Company for the receipt by the Company of an amount sufficient to satisfy any withholding tax requirements under applicable tax legislation in respect of the exercise of an Option (the “**Withholding Obligations**”).

10. Withholding Taxes

Upon the exercise of an Option by an Optionee, the Company shall have the right to require the Optionee to remit to the Company an amount sufficient to satisfy any Withholding Obligations relating thereto under applicable tax legislation. Unless otherwise prohibited by the Board of Directors or by applicable law, satisfaction of the amount of the Withholding Obligations (the “**Withholding Amount**”) may be accomplished by any of the following methods or by a combination of such methods as determined by the Company in its sole discretion: (i) the tendering by the Optionee of cash payment to the Company in an amount less than or equal to the Withholding Amount; or (ii) the withholding by the Company from the Common Shares otherwise due to the Optionee such number of Common Shares as it determines are required to be sold by the Company, as trustee, to satisfy the Withholding Amount (net of selling costs). By executing and delivering the option agreement, the Optionee shall be deemed to have consented to such sale and have granted to the Company an irrevocable power of attorney to effect the sale of such Common Shares and to have acknowledged and agreed that the Company does not accept responsibility for the price obtained on the sale of such Common Shares; (iii) the withholding by the Company from any cash payment otherwise due by the Company to the Optionee, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Withholding Amount; provided, however, in all cases, that the sum of any cash so paid or withheld and the fair market value of any Common Shares so withheld is sufficient to satisfy the Withholding Amount.

The provisions of the option agreement shall provide that the Optionee (or their beneficiaries) shall be responsible for all taxes

with respect to any Options granted under the Plan and an acknowledgement that neither the Board of Directors nor the Company shall make any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Withholding Amount made under the Plan and none of the Board of Directors, the Company, nor any of its employees or representatives shall have any liability to an Optionee (or its beneficiaries) with respect thereto.

11. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, employee or consultant of the Company or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an employee of the Company pursuant to any medical or disability plan of the Company shall be deemed to be an employee for the purposes of the Plan.

12. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative, and to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

13. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution. Subject to the foregoing, the terms of the Plan shall bind the Company and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

14. Takeover or Change of Control

The Company shall have the power, in the event of (a) any disposition of all or substantially all of the assets of the Company, or the dissolution, merger, amalgamation or consolidation of the Company with or into any other Company or of such Company into the Company, or (b) any change in control of the Company, to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Company shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Company prior to the completion of such transaction.

15. Anti-Dilution of the Option

In the event of:

- (a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Company shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;

- (b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of

Common Shares, the number of Common Shares deliverable by the Company on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change; or

- (c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Company with or into any other Company (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Company as an entirety or substantially as an entirety to another Company, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

16. Costs

The Company shall pay all costs of administering the Plan.

17. Termination and Amendment

- (a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Company or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.
- (b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 17(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Company if required by the Exchange or such regulatory authority. Subject to Exchange Policies, Disinterested Shareholder Approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Company at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.

18. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

19. Effective Date

This Plan will become effective as of and from October 28, 2020.

- (4) An Eligible Person may receive an RSU Award on more than one occasion under the Plan and may receive separate RSU Awards on any one occasion.

Section 4.2 Dividends

- (2) Dividend RSUs credited to a Participant’s Account shall vest and be settled in the same manner and on the same date as the RSUs to which they relate.

Section 4.3 Settlement of Restricted Share Units

- (1) Subject to the provisions of the Plan and in particular Section 4.4 and Section 5.2 and any vesting limitations imposed by the Board in its sole unfettered discretion at the time of grant, RSUs subject to an RSU Award may be settled by a Participant during the Settlement Period applicable to the RSU by delivery to the Company of a notice (the “Settlement Notice”) in a form attached to the RSU Grant Letter. As soon as practicable following the receipt of the Settlement Notice, RSUs will be settled by the Company through the delivery by the Company of such number of Common Shares equal to the number of RSUs then being settled or, at a Company’s election, an amount in cash, net of applicable taxes and contributions to government sponsored plans, equal to the Market Price at the Settlement Date of one Common Share for each RSU then being settled. Where, prior to the Expiry Date, a Participant fails to elect to settle an RSU, the Participant shall be deemed to have elected to settle such RSUs on the day immediately preceding the Expiry Date.
- (2) Notwithstanding the foregoing, if the Company elects to issue Common Shares in settlement of RSUs:

- (4) Notwithstanding any other provision of the Plan:
 - (a) no RSU shall be capable of settlement after the Expiry Date; provided, however, that if the Expiry Date in respect of an RSU falls on, or within nine (9) Business Days immediately following, a date upon which such

Participant is prohibited from exercising such RSU due to a Black-Out Period or other trading restriction imposed by the Company, then the Expiry Date of such RSU shall be automatically extended to the tenth (10th) Business Day following the date the relevant Black-Out Period or other trading restriction imposed by the Company is lifted, terminated or removed. The foregoing extension applies to all RSUs regardless of the date of grant and shall not be considered an extension of the term thereof as otherwise referred to in the Plan;

 - (b) in the case of a termination of the Participant's service by reason of (A) termination by the Company or any Subsidiary Companies other than for Cause, or (B) the Participant's death, the Participant's unvested RSUs shall vest automatically as of such date, and on the earlier of the original Expiry Date and any time during the ninety (90) day period commencing on the date of such termination of service (or, if earlier, the Termination Date), the Participant (or his or her executor or administrator, or the person or persons to whom the Participant's RSUs are transferred by will or the applicable laws of descent and distribution) will be eligible to request that the Company settle his vested RSUs. Where, prior to the 90th day following such termination of service (or, if earlier, the Termination Date) the Participant fails to elect to settle a vested RSU, the Participant shall be deemed to have elected to settle such RSU on such 90th day (or, if earlier, the Termination Date) and to receive Common Shares in respect thereof;

 - (c) for greater certainty, where a Participant's employment or term of office terminates by reason of termination by the Company or any Subsidiary Companies for Cause then any RSUs held by the Participant, whether or not vested at the Termination Date, immediately terminate and are cancelled on the Termination Date or at a time as may be determined by the Board, in its sole discretion;
 - (f) a Participant's eligibility to receive further grants of RSUs under this Plan ceases as of the earliest of the date the Participant resigns from the Company or any Subsidiary Company and the date that the Company or any Subsidiary Company provides the Participant with written notification that the Participant's employment or term of office, as the case may be, is terminated, notwithstanding that such date may be prior to the Termination Date; and

Section 4.6 Hold Period

Pursuant to Stock Exchange Policies, where a hold period is applicable, the RSU Grant Letter will include a legend stipulating that the RSU Award is subject to a four-month hold period commencing from the date of grant of the RSU Award.
