### **ICANIC BRANDS PROVIDES UPDATE ON STATUS OF MANAGEMENT CEASE TRADE ORDER**

Vancouver, British Columbia, January 31, 2022 / Globe Newswire / – Icanic Brands Company Inc. (“Icanic” or the “Company”) (TSX-V: ICAN) is providing this update on the status of a management cease trade order granted on November 30, 2021 (the "MCTO") by the British Columbia Securities Commission under National Policy 12-203 – *Management Cease Trade Order* ("NP 12-203"). On November 30, 2021, the Company announced that, for reasons disclosed in the news release, there would be a delay in the filing of its financial statements and accompanying management’s discussion and analysis for the fiscal year ended July 31, 2021 (the "Annual Filings") beyond the period prescribed under applicable Canadian securities laws (the "Default Announcement"). In addition, the delay in the annual statements has resulted in the interim financial statements and accompanying management discussion and analysis for the three-month period ended October 31, 2021 being delayed beyond the period prescribed as well.

The Company reports that the British Columbia Securities Commission has granted a further extension of the MCTO, and that the Company anticipates filing the Annual Filings and the Interim filings for period ended October 31, 2021, on or before February 11, 2022. Further updates on timing will be provided by the Company as necessary.

During the MCTO, the general investing public will continue to be able to trade in the Company's listed common shares. However, the Company's chief executive officer and chief financial officer will not be able to trade in the Company's shares.

Other than as disclosed in this news release, there are no material changes to the information contained in the Default Announcement. The Company confirms that it intends to satisfy the provisions of NP 12- 203 and will continue to issue bi-weekly default status reports for so long as it remains in default of the Annual Filings requirement.
