**REVIVE THERAPEUTICS COMPLETES PROSPECTUS OFFERING
OF APPROXIMATELY \$3,000,000**

Toronto, Ontario (December 18, 2014) – Revive Therapeutics Ltd. (“Revive” or the “Company”) (TSXV: RVV) is pleased to announce that it has completed its previously announced short form prospectus offering (the “Offering”) of units (“Units”) for aggregate gross proceeds of approximately \$3,000,000. Revive intends to use the net proceeds from the Offering to complete a Phase II-A human proof of concept study of REV-002 (Bucillamine) for treatment of gout, and to advance its formulation and clinical trial design development of a human proof of concept study of REV-003 (Tianeptine) for treatment of Rett Syndrome, as well as for general research and development and general and administrative expenses.

The Offering

Pursuant to the Offering, the Company issued an aggregate of 4,996,500 Units at a price of C\$0.60 per Unit for gross proceeds of \$2,997,900. Each Unit is comprised of one common share of the Company (a “Common Share”) and one Common Share purchase warrant (a “Warrant”).

Each Warrant is exercisable at a price of C\$0.85 and entitles the holder thereof to acquire one Common Share for a period of two years following the closing of the Offering. The expiry date of the Warrants may be accelerated by the Company, at its option, if, at any time the volume-weighted average trading price of the Common Shares is greater than \$1.20 for any 20 consecutive trading days, upon providing 30 days prior notice, such prior notice to be delivered within five business days immediately following such 20-day period.

The Offering was led by Beacon Securities Limited (“Beacon”) as the sole agent and bookrunner. Beacon received a 7% cash commission on the gross proceeds of the Offering, and the Company issued an aggregate of 349,755 non-transferrable compensation options to Beacon and other members of a special selling group, with each compensation option exercisable to purchase one Unit on the same terms of the Offering for a period of two years following the closing of the Offering. In addition, the Company has agreed to reimburse the Agent for certain expenses in connection with the Offering.

The Company has applied to list the Common Shares issuable pursuant to the Offering on the TSX-V. Listing will be subject to the Company fulfilling all of the listing requirements of the TSX-V.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This news release includes certain information and statements about management's view of future events, expectations, plans and prospects that constitute "forward looking statements", which are not comprised of historical facts. Forward-looking statements may be identified by such terms as "believes", "anticipates", "intends", "expects", "estimates", "may", "could", "would", "will", or "plan", and similar expressions. Specifically, forward looking statements in this news release include, without limitation, statements regarding: the closing of the Offering and the use of proceeds therefrom; the Company's drug research and development plans; the timing of operations; and estimates of market conditions. These statements involve known and unknown risks, uncertainties, and other factors that may cause actual results or events, performance, or achievements of Revive to differ materially from those anticipated or implied in such forward-looking statements. The Company believes that the expectations reflected in these forward-looking statements are reasonable, but there can be no assurance that actual results will meet management's expectations. In formulating the forward-looking statements contained herein, management has assumed that business and economic conditions affecting Revive will continue substantially in the ordinary course and will be favourable to Revive, that Revive will be able to obtain all requisite regulatory approvals to commercialize its drug candidates, that such approvals will be received on a timely basis, and that Revive will be able to find suitable partners for development and commercialization of its drug repurposing candidates on favourable terms. Although these assumptions were considered reasonable by management at the time of preparation, they may prove to be incorrect. Factors that may cause actual results to differ materially from those anticipated by these forward looking statements include: the need to satisfy regulatory and legal requirements with respect to the Offering; uncertainties in obtaining listing approval of the Common Shares from the TSX-V; uncertainties associated with obtaining regulatory approval to perform clinical trials and market products; the need to establish additional corporate collaborations, distribution or licensing arrangements; the Company's ability to raise additional capital if and when necessary; intellectual property disputes; increased competition from pharmaceutical and biotechnology companies; changes in equity

markets, inflation, and changes in exchange rates; and other factors as described in detail in Revive's Annual Information Form for the period ended June 30, 2014 and Revive's other public filings, all of which may be viewed on SEDAR (www.sedar.com). Given these risks and uncertainties, readers are cautioned not to place undue reliance on such forward looking statements and information, which are qualified in their entirety by this cautionary statement. Except as required by law, Revive disclaims any intention and assumes no obligation to update or revise any forward looking statements to reflect actual results, whether as a result of new information, future events, changes in assumptions, changes in factors affecting such forward looking statements or otherwise.

Neither the TSX-V nor its Regulation Services Provider (as that term is defined in the policies of the TSX-V) accepts responsibility for the adequacy or accuracy of this release.
