EVITRADE Health Announces Record Date for Annual General and Special Meeting and Record Date for Share Distribution or Dividend

VANCOUVER, BC, Wednesday, November 9, 2016 – EVITRADE Health Systems Corp. (CSE:EVA, OTCQB: AXHLF) (the “Company” or “EVITRADE”) announces it has set the record date to be November 15, 2016 for the upcoming Annual General and Special Meeting scheduled for January 13, 2017. In addition, further to the September 6, 2016 press release, the record date for the proposed share distribution or dividend for any subsidiary companies or business units to be divested or divided from the parent company is set for holders of record on December 15, 2016.

“I would like to stress to all shareholders the significance and importance of both record dates, for holders of record on November 15, 2016 to vote at the Annual General and Special Meeting, and for holders of record on December 15th, 2016 to receive shares in any subsidiary companies or business units” said Sydney Au, Chairman and CEO

About EVITRADE Health Systems Corporation (CSE: EVA, OTCQB: AXHLD)

EVITRADE (formerly Auxellence Health Corp.), was founded in 2013 to provide online services for resolving common health problems.

The company offers a physiologically interactive computing platform that integrates medical devices and artificial intelligence applications into a fully automated, personal health management system for hypertension, arrhythmia, diabetes, and obesity.

The current focus is on the normalization of cardiometabolic power in terms of blood pressure, blood glucose, and body weight – and the monitoring of the physiological response to medical solicitations, mainly medication, diet, exercise, and lifestyle changes.

About TULIP™

The TULIP™ system is an online self-service intended for adults interested in normalizing blood pressure, heart rate and rhythm, blood glucose, and body weight. Measurement procedures, conditioning protocols, and session schedules are prescribed automatically from data acquired by the user's TULIP™ device – a
