

## EVITRADE Announces AGSM Results and Broker-Dealer Selected as Financial Advisor

VANCOUVER, BC, Monday March 6, 2017 – EVITRADE Health Systems Corp. (CSE:EVA, OTCQB: AXHLF) (the “Company”) announces that at the Annual General and Special Meeting all resolutions were approved unanimously. In addition, under advisement from our newly elected board member, Mr. CK Cheung, (an Executive Director with the China Investment Trust), the board is pleased to announce that a licensed broker-dealer in Canada and USA, has been selected as a financial advisor to the Company. This broker-dealer has participated in multiple bought deal financings and have listed and up-listed companies in numerous sectors. Management believes that the divestiture of the C&C subsidiary will benefit from the broker-dealer’s involvement and management believes there will be a good fit for working with our remaining subsidiaries, including our main digital healthcare company. Details are to be released upon receiving appropriate clearances.

For the Industrial Hemp and Cannabis Farm, CBD Plant Oils Extraction Company and the C&C subsidiary merger (to be finalized under comprehensive definitive agreement(s)); it is expected that all shareholders holding shares on the share record distribution date for that subsidiary, will receive shares on a 1:1 basis with no consolidation. Under the approved plan of arrangement each subsidiary can have different share distribution ratios of up to a 20:1 consolidation effect, different share record distribution dates, and different effective dates; all which shall be announced in the near future.
