

EVITRADE To Issue Shares For Cannabis IP, Farm, Healthcare Platform And Service Agreement

VANCOUVER, BC, Thursday, March 23, 2017 – EVITRADE Health Systems Corp. (CSE:EVA, OTCQB: AXHLF) (the “Company”) is pleased to announce that it has come to a meeting of the minds to finalize the definitive agreements with Dr. Avram Adizes and his group or syndicate for both the Voice of Heart electronic health - medical platform, and the intellectual property for cannabis oils purification and the operation and acquisition of the license of the 50 Hectare cannabis farm for the C&C Cosmeceuticals Corp. subsidiary. The initial two Memorandum of Understanding (MOU) Letter Agreements were initially announced via press release on November 16th, 2016.

The acquisition of the intellectual properties involves the issuance an additional 3,500,000 shares at a deemed value of \$1.50. In addition 500,000 shares are to be issued for a service provider under the terms of the engagement; all issuances are subject to Canadian securities regulations, exchange and any other necessary approvals and regulations.

Also, for clarification the first divestiture for the TULIP™ IP spinout was announced correctly by the CSE Bulletin for Trading Ex-Distribution Date for Monday, March 20th, 2017 and Record Date for Holders of Record for Settlement as of Wednesday March 22nd, 2017. As voted for and approved by all shareholders at the Annual General and Special Meeting, the Record Dates for each of the subsidiary company shares distribution is subject to change and any final date is to be determined by management.

About EVITRADE Health (CSE: EVA, OTCQB: AXHLF)

EVITRADE (formerly Auxellence Health Corp.), was founded in 2013 to provide online “digital healthcare” services for resolving common health problems. The current markets are weight-loss, high blood pressure, high blood glucose and heart arrhythmia.

About TULIP™

The TULIP™ system is an online self-service intended for adults interested in normalizing blood pressure, heart rate and rhythm, blood glucose, and body weight. Measurement procedures, conditioning protocols, and session schedules are prescribed automatically from data acquired by the user's TULIP™ device – a blood pressure monitor with interactive protocols that can feed medical records and expert systems useful in testing, tracking and treating common health conditions.

The Tulip™ medical device has received Health Canada and CE Mark certifications.

About C&C Cosmeceuticals Corp. ("C&C" a wholly owned subsidiary of the Company)

C&C was founded in 2011 to develop, manufacture and market nutraceutical and cosmeceutical personal healthcare products and services. It was the predecessor company that acquired Auxellence Health Corporation, which is now named EVITRADE Health Systems Corp. and is a wholly owned subsidiary. On November 15, 2016, the company announced that it signed an MOU to acquire a 50 Hectare Cannabis Farm for C&C and on January 23, 2017 the company that it signed a LOI to acquire a Plant Oils Extraction firm for C&C. On March 3, 2017 at the shareholders meeting, C&C was voted 100% in favour of to be spun off from the parent company and it was announced on March 6, 2017 that C&C was to be spun off on a 1:1 basis. All shareholders holding shares in EVITRADE will receive shares an equal number of shares in C&C as of the record date, which shall be announced shortly.
