About EVITRADE Health (CSE: EVA, OTCQB: AXHLF)

EVITRADE (formerly Auxellence Health Corp.), was founded in 2013 to provide online “digital healthcare” services for resolving common health problems. The current markets are weight-loss, high blood pressure, high blood glucose and heart arrhythmia.

About TULIP™

The TULIP™ system is an online self-service intended for adults interested in normalizing blood pressure, heart rate and rhythm, blood glucose, and body weight. Measurement procedures, conditioning protocols, and session schedules are prescribed automatically from data acquired by the user’s TULIP™ device – a blood pressure monitor with interactive protocols that can feed medical records and expert systems useful in testing, tracking and treating common health conditions.

The Tulip™ medical device has received Health Canada and CE Mark certifications.
