

## **EVITRADE Announces Closing of TREE Chest Safety Corp. Acquisition**

VANCOUVER, BC, November 8, 2018 – EVITRADE Health Systems Corp. (CSE: EVA, OTCQB: EVAHF) (the “Company” or “Evitrade”) is pleased to announce that, further to its press release dated August 23, 2018, that it has agreed to close the acquisition of Tree Chest Safety Corp. (TREE) effective November 7<sup>th</sup>, 2018. TREE manufactures and markets lockable air tight storage compartments specifically designed to store and preserve products while preventing children from accessing the contents.

“As previously quoted, we believe this technology furthers the development of offerings for the company’s end to end healthcare systems” said C.K. Cheung, “and the Company is excited to adding this technology and diversity to the Company’s offerings”.

Pursuant to the agreement Evitrade was to acquire all of the issued and outstanding common shares of TREE for an aggregate of up to \$2,500,000 in cash and shares and the company is to issue 6,666,667 common shares of Evitrade at a deemed price of \$.30. The result of the Transaction is TREE has become a wholly-owned subsidiary of Evitrade.

Management of Evitrade believes the acquisition will further continue to enhance Evitrade’s business and commercialization strategies.
