### **About THERAMED HEALTH**

*(CSE: TMED, OTCQB: EVAHF)*

**Theramed Health Corporation** – is a technology company focused in the healthcare and life sciences sector to develop a personalized healthcare system. The company has recently been focused on utilizing CBD derived from Hemp as a core component. The company through its subsidiaries has assets and technologies involved in extracting and purifying CBD extracts, creating formulations through its key scientists, and with its medical device technology monitoring capabilities. Theramed’s unique combination of technologies may allow it to be the first to be able to offer a complete quality assured vertically integrated “CBD Health System” for monitoring, dosing, and recording the effects of CBD on your cardiovascular system.
