

## **EGF THERAMED COMPLETES PRIVATE PLACEMENT AND RAISES \$528,502**

**Vancouver, B.C., January 19, 2021** – EGF Theramed Health Corp. (CSE:TMED)(OTC PINK: EVAHF) (the “**Company**”) is pleased to announce that it has completed the second and final tranche of its previously announced (December 10, 2020 and December 15, 2021) offering (the “**Offering**”), issuing 1,466,666 units (each a “**Unit**”) by way of non-brokered private placement at a price of \$0.12 per Unit for gross proceeds of \$175,999.92. Each Unit consists of one common share of the Company and one half of one common share purchase warrant (each, a “**Warrant**”) exercisable to acquire an additional common share of the Company at a price of \$0.20 for a period of twelve (12) months from the date of issue.

Combined with the first tranche of the Offering announced on December 15, 2021, the Company has raised a total of \$528,501.84 from the sale of 4,404,182 Units.

The Company anticipates utilizing the net proceeds from the Offering for working capital and acquisitions.

In connection with the second tranche of the Offering, the Company has paid cash finders’ fee of \$6,300 and issued 52,500 finders’ warrants, with each finders’ warrant exercisable to acquire an additional common share of the Company at a price of \$0.20 for a period of twelve (12) months from the date of issue.

All securities issued in connection with the Offering are subject to a four-month-and-one-day statutory hold period in accordance with applicable securities law.

### **About EGF Theramed Health Corp.**

EGF Theramed is a consumer technology company engaged in the provision of biomedical online services for monitoring and treating common health problems. The Company, through its subsidiaries, has assets and technologies used in the extraction and purification of botanical extracts and the creation of extract formulations, as well as medical monitoring device technology. The Company is working to collaborate with other companies for medical technology, equipment protocols and laboratory standard operating procedures. Through the Company’s recent joint venture acquisitions, it has begun to research psilocybin and psychedelic extraction and processing for commercialization.

***Cautionary Note Regarding Forward-Looking Statement***

*All statements in this press release, other than statements of historical fact, are “forward-looking information” with respect to the Company within the meaning of applicable securities laws, including with respect to the completion of the use of funds from the Offering and its operational plans. The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. These risks and uncertainties include but are not limited to those identified and reported in the Company’s public filings under the Company’s SEDAR profile at [www.sedar.com](http://www.sedar.com). Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.*
