

LEO RESOURCES INC.
800-1199 West Hastings Street, Vancouver B.C. V6E 3T5

**INFORMATION CIRCULAR
GENERAL PROXY INFORMATION**

PURPOSE OF SOLICITATION

THIS INFORMATION CIRCULAR (THE “INFORMATION CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY THE MANAGEMENT OF LEO RESOURCES INC. (“LEO” OR THE “CORPORATION”) FOR USE AT THE ANNUAL GENERAL MEETING OF SHAREHOLDERS (“SHAREHOLDERS”) OF LEO RESOURCES CORP. (THE “MEETING”) TO BE HELD ON MAY 22, 2018 AT 10:00 AM PST, AT THE 800-1199 WEST HASTINGS STREET, VANCOUVER, BC V6E 3T5 AND AT ANY ADJOURNMENT THEREOF FOR THE PURPOSES SET OUT IN THE ACCOMPANYING NOTICE OF MEETING (THE “NOTICE OF MEETING”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors or officers of Leo. Arrangements will also be made with brokerage houses and other custodians, nominees, and fiduciaries to forward proxy solicitation material to the beneficial owners of the common shares of the Corporation (the “**Common Shares**”) pursuant to the requirements of National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer. The cost of any such solicitation will be borne by Leo.

VOTING OF PROXIES

All Common Shares represented at the Meeting by properly executed proxies will be voted and where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the proxy will be voted in accordance with such specifications. **IN THE ABSENCE OF ANY SUCH SPECIFICATIONS, THE MANAGEMENT DESIGNEES OF LEO, IF NAMED AS PROXY, WILL VOTE IN FAVOUR OF ALL THE MATTERS SET OUT HEREIN.**

THE ENCLOSED INSTRUMENT OF PROXY CONFERS DISCRETIONARY AUTHORITY UPON THE MANAGEMENT DESIGNEES OF LEO, OR OTHER PERSONS NAMED AS PROXY, WITH RESPECT TO AMENDMENTS TO OR VARIATIONS OF MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND ANY OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING. AT THE DATE OF THIS INFORMATION CIRCULAR, LEO IS NOT AWARE OF ANY AMENDMENTS TO, OR VARIATIONS OF, OR OTHER MATTERS WHICH MAY COME BEFORE THE MEETING. IN THE EVENT THAT OTHER MATTERS COME BEFORE THE MEETING, THE MANAGEMENT DESIGNEES OF LEO INTEND TO VOTE IN ACCORDANCE WITH THE DISCRETION OF SUCH MANAGEMENT DESIGNEES.

Proxies, to be valid, must be deposited at the proxy department of the Registrar and Transfer Agent of Leo, Computershare, located at 510 Burrard St, Vancouver, BC V6C 3B9 not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting.

APPOINTMENT OF PROXY

A SHAREHOLDER HAS THE RIGHT TO DESIGNATE A PERSON (WHO NEED NOT BE A SHAREHOLDER OF LEO OTHER THAN THE CHAIRMAN, THE MANAGEMENT DESIGNEES OF LEO, TO ATTEND AND ACT FOR HIM OR HER AT THE MEETING.

Such right may be exercised by inserting in the blank space provided, the name of the person to be designated and deleting therefrom the names of the management designees or by completing another proper instrument of proxy and, in either case, depositing the instrument of proxy with the registrar and transfer agent of Leo, Computershare., at their proxy department located at 510 Burrard St, Vancouver, BC V6C 3B9 at any time, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting.

REVOCATION OF PROXIES

A shareholder of Leo who has given a proxy may revoke it as to any matter upon which a vote has not already been cast pursuant to the authority conferred by the proxy. A shareholder of Leo may revoke a proxy by depositing an instrument in writing, executed by him or her or his or her attorney authorized in writing:

- (a) with the proxy department of Computershare., located at 510 Burrard St, Vancouver, BC V6C 3B9 at any time, not less than 48 hours, excluding Saturdays, Sundays and holidays, preceding the Meeting or any adjournment of the Meeting at which the proxy is to be used;
- (b) at the registered office of Leo, Suite 800-1199 West Hastings Street, Vancouver, B.C., Canada, V6E 3T5, at any time up to and including the last business day preceding the day of the Meeting at which the proxy is to be used; or
- (c) with the chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting.

In addition, a proxy may be revoked by the shareholder of Leo personally attending the Meeting and voting his or her shares.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES ON VOTING COMMON SHARES

The information set forth in this section is of significant importance to many Shareholders of Leo, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of Leo as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those Common Shares will not be registered in the shareholder's name on the records of Leo. Such Common Shares will likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS & Co. (the nominee of The Canadian Depository for Securities Limited, which acts as depository for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Services Inc. (“**Broadridge**”). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at a meeting. A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Common Shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the shares voted at such meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting the Common Shares registered in the name of his or her broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxy holder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered shareholder should enter their own names in the blank space

on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of such meeting.

APPROVAL OF MATTERS

As used herein, “**special resolution**” means a resolution approved by a minimum majority of 66 2/3% of the votes cast by Shareholders at the Meeting and an “**ordinary resolution**” means a resolution approved by a simple majority of 50% plus one vote cast by Shareholders at the Meeting. Unless otherwise noted, approval of matters to be placed before the Meeting is by an ordinary resolution.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Leo is authorized to issue an unlimited number of Common Shares, without nominal or par value, of which as at the date hereof 30,838,916 Common Shares are issued and outstanding. The holders of Common Shares of record at the close of business on April 17, 2018 (the “**Record Date**”), are entitled to vote such Common Shares at the Meeting on the basis of one (1) vote for each Common Share held. The articles (the “**Articles**”) of Leo provide that one person present and representing in person and entitled to vote at the Meeting shall constitute a quorum for the transaction of business at the Meeting.

To the knowledge of the directors and senior officers of Leo, as at the date hereof, there are no Persons who beneficially own, directly or indirectly, or exercise control or direction over, ten percent (10%) or more of the issued and outstanding Common Shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

The current directors of Leo shall retire from office at the Meeting, but shall remain in office until the dissolution of the Meeting at which their successors are appointed.

IT IS THE INTENTION OF THE MANAGEMENT DESIGNEES OF LEO, IF NAMED AS PROXY, TO VOTE FOR THE ELECTION OF SAID PERSONS TO THE BOARD OF DIRECTORS, AS APPLICABLE. MANAGEMENT DOES NOT CONTEMPLATE THAT ANY OF SUCH NOMINEES WILL BE UNABLE TO SERVE AS DIRECTORS. HOWEVER, IF FOR ANY

REASON ANY OF THE PROPOSED NOMINEES DO NOT STAND FOR ELECTION OR ARE UNABLE TO SERVE AS SUCH, PROXIES IN FAVOUR OF MANAGEMENT DESIGNEES WILL BE VOTED FOR ANOTHER NOMINEE IN THEIR DISCRETION UNLESS THE SHAREHOLDER HAS SPECIFIED IN HIS PROXY THAT HIS SHARES ARE TO BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

Each director elected will hold office until the next annual meeting of Shareholders or until his successor is duly elected or appointed pursuant to the bylaws of Leo.

IV. APPROVAL OF LEO STOCK OPTION PLAN -(THE "PLAN")

The purpose of the Plan, is to encourage directors, officers and key employees of the Corporation and its subsidiaries and persons providing ongoing services to the Corporation to participate in the growth and development of the Corporation by providing incentive to qualified parties to increase their proprietary interest in the Corporation by permitting them to purchase Common Shares and thereby encouraging their continuing association with the Corporation. The stock options are non-transferable and will expire upon the sooner of the expiry date stipulated in the particular stock option agreement or after a certain period following the date the optionee ceases to be a qualified party by reason of death or termination of employment. A copy of the proposed Plan is attached to this Information Circular as Schedule A.

The Plan provides that the number of Common Shares which may be made the subject of options cannot exceed 10% of the issued and outstanding Common Shares on a non-diluted basis at any time. Approximately 3,083,891 Common Shares are available under the Plan. The stock options granted under the Plan together with all of the Corporation's other previously established Plans or grants, shall not result at any time in: (a) the number of Common Shares reserved for issuance pursuant to stock options granted to Insiders exceeding 10% of the issued and outstanding Common Shares; (b) the grant to Insiders within a 12 month period, of a number of stock options exceeding 10% of the outstanding Common Shares; (c) the grant to any one Optionee within a 12-month period, of a number of stock options exceeding 5% of the issued and outstanding Common Shares unless the Corporation obtains the requisite disinterested shareholder approval; (d) the grant to all persons engaged by the Corporation to provide Investor Relations Activities, within any twelve-month period, of stock options reserving for issuance a number of Common Shares exceeding in the aggregate 2% of the Corporation's issued and outstanding Common Shares; or (e) the grant to any one Consultant, in any twelve-month period, of stock options reserving for issuance a number of Common Shares exceeding in the aggregate 2% of the Corporation's issued and outstanding Common Shares.

The board of directors determines the price per Common Share and the number of Common Shares that may be allotted to each eligible person and all other terms and conditions of the options, subject to the rules of the CSE, which provides that the exercise price may not be lower than the greater of the closing market prices of the Common Shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options.

The term of an option shall be not more than 10 years from the date the option is granted. If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in investor relations activities) or prior to the expiry of the exercise period, whichever is earlier, exercise any stock option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the stock option at the date of such cessation. In the event of the death of an Optionee, the stock option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the stock option Period, whichever is

earlier, and then only: (a) by the person or persons to whom the Optionee's rights under the stock option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and (b) to the extent that the Optionee was entitled to exercise the stock option at the date of the Optionee's death.

In the event of (a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or (b) any change in control of the Corporation, the Plan gives the Corporation the power to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including to amend any stock option agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction.

Subject to any required approvals under applicable securities legislation or stock exchange rules, the Corporation may amend or modify the Plan or the terms of any option as the board of directors deems necessary or advisable provided that no such amendment shall adversely affect any accrued and vested rights of an optionee or alter or impair any option previously granted to that optionee, without the consent of the optionee (provided such a change would materially prejudice the optionee's rights under the Plan).

At the Meeting, the Shareholders will be asked to approve the following resolution:

“BE IT RESOLVED THAT:

1. The current incentive stock option plan of Leo, as described in the Information Circular of Leo (and as may be amended to comply with the policies of the Exchange from time to time), be and is hereby affirmed, ratified and approved; and

Stock Options and Other Compensation Securities

No compensation securities were exercised by any directors or NEOs during the year ended July 31, 2017 or July 31, 2016.

No compensation securities were re-priced, cancelled and replaced, had their term extended, or otherwise materially modified during the year ended July 31, 2017 or July 31, 2016.

There are no restrictions or conditions currently in place for converting, exercising or exchanging the compensation securities.

Stock option plans and other incentive plans

The only incentive plan maintained by Leo is the Plan, the material terms of which are described above at *IV- Approval of Leo Stock Option Plan*".

The Plan was last approved by shareholders at Leo's annual general meeting held on May 27, 2016. The Issuer expects its next annual general meeting to be held on around June 2019.

Employment, consulting and management agreements

Leo has not entered into any agreements or arrangements under which compensation is provided to any NEOs or directors or any persons providing services typically provided by a director or NEO.

Leo does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of Leo or a change in an NEO's responsibilities.

Oversight and Description of Director and Named Executive Officer Compensation

The board of directors has not appointed a compensation committee and the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing Leo's base compensation structure and equity-based compensation program, recommending compensation of Leo's officers and employees, and evaluating the performance of officers generally and in light of any annual goals and objectives, if applicable, is performed by the board of directors as a whole.

The board of directors also assumes responsibility for reviewing and monitoring the long-range compensation strategy for Leo's senior management. Leo does not have pre-existing performance criteria or objectives for the board of directors or NEOs. All significant elements of compensation awarded to, earned by, paid or payable to NEOs are determined by the

Issuer on a subjective basis. The board of directors reviews the compensation of senior management on a semi-annual basis taking into account compensation paid by other issuers of similar size and activity (i.e. companies listed on the CSE with a market capitalization of up to \$25 million).

The Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Issuer. In determining the number of stock options to be granted to the executive officers, the board of directors takes into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the applicable stock exchange, and closely align the interests of the executive officers with the interests of the Issuer's shareholders.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on Leo's financial resources and prospects.

Given the evolving nature of Leo's business, the board of directors continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

There were no actions, decisions or policies made since July 31, 2017 that would affect a reader's understanding of NEO compensation.

Pension Disclosure

Leo does not have any pension or retirement plan which is applicable to the NEOs or directors. Leo has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Issuer, in connection with or related to the retirement, termination or resignation of such person, and Leo has provided no compensation to any such person as a result of a change of control of Leo.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Corporation. 4. Eligibility

The Board of Directors may at any time and from time to time designate those Optionees who are to be granted an Option pursuant to the Plan and grant an Option to such Optionee. Subject to Exchange Policies and the limitations contained herein, the Board of Directors is authorized to provide for the grant and exercise of Options on such terms (which may vary as between Options) as it shall determine. No Option shall be granted to any person except upon recommendation of the Board of Directors. A person who has been granted an Option may, if he is otherwise eligible and if permitted by Exchange Policies, be granted an additional Option or Options if the Board of Directors shall so determine. Subject to Exchange Policies, the Corporation shall represent that the Optionee is a bona fide Employee, Consultant or Management Company Employee (as such terms are defined in Exchange Policies) in respect of Options granted to such Optionees.

5. Participation

Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Optionee's relationship or employment with the Corporation.

Notwithstanding any express or implied term of this Plan or any Option to the contrary, the granting of an Option pursuant to the Plan shall in no way be construed as conferring on any Optionee any right with respect to continuance as a director, officer, employee or consultant of the Corporation or any subsidiary of the Corporation.

Options shall not be affected by any change of employment of the Optionee or by the Optionee ceasing to be a director or officer of or a consultant to the Corporation or any of its subsidiaries, where the Optionee at the same time becomes or continues to be a director, officer or full-time employee of or a consultant to the Corporation or any of its subsidiaries.

No Optionee shall have any of the rights of a shareholder of the Corporation in respect to Common Shares issuable on exercise of an Option until such Common Shares shall have been paid for in full and issued by the Corporation on exercise of the Option, pursuant to this Plan.

6. Common Shares Subject to Options

The number of authorized but unissued Common Shares that may be issued upon the exercise of Options granted under the Plan at any time plus the number of Common Shares reserved for issuance under outstanding incentive stock options otherwise granted by the Corporation shall not exceed 10% of the issued and outstanding Common Shares on a non-diluted basis at any time, and such aggregate number of Common Shares shall automatically increase or decrease as the number of issued and outstanding Common Shares changes. The Options granted under the Plan together with all of the Corporation's other previously established stock option plans or grants, shall not result at any time in:

- (a) the number of Common Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the issued and outstanding Common Shares;
- (b) the grant to Insiders within a 12-month period, of a number of Options exceeding 10% of the outstanding Common Shares;
- (c) the grant to any one (1) Optionee within a twelve month period, of a number of Options exceeding 5% of the issued and outstanding Common Shares unless the Corporation obtains the requisite Disinterested Shareholder Approval;
- (d) the grant to all persons engaged by the Corporation to provide Investor Relations Activities, within any twelve-month period, of Options reserving for issuance a number of Common Shares exceeding in the aggregate 2% of the Corporation's issued and outstanding Common Shares; or
- (e) the grant to any one Consultant, in any twelve-month period, of Options reserving for issuance a number of Common Shares exceeding in the aggregate 2% of the Corporation's issued and outstanding Common Shares.

Appropriate adjustments shall be made as set forth in Section 15 hereof, in both the number of Common Shares covered by individual grants and the total number of Common Shares authorized to be issued hereunder, to give effect to any relevant changes in the capitalization of the Corporation.

If any Option granted hereunder shall expire or terminate for any reason without having been exercised in full, the unpurchased Common Shares subject thereto shall again be available for the purpose of the Plan.

7. Option Agreement

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to option, the exercise price and any other terms and conditions approved by the Board of Directors, all in accordance with the provisions of this Plan (herein referred to as the “**Stock Option Agreement**”). The Stock Option Agreement will be in such form as the Board of Directors may from time to time approve, and may contain such terms as may be considered necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Optionee may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

8. Option Period and Exercise Price

Each Option and all rights thereunder shall be expressed to expire on the date set out in the respective Stock Option Agreement, which shall be the date of the expiry of the Option Period (the “**Expiry Date**”), subject to earlier termination as provided in Sections 11 and 12 hereof.

Subject to Exchange Policies and any limitations imposed by any relevant regulator) authority, the exercise price of an Option granted under the Plan shall be as determined by the Board of Directors when such Option is granted and shall be an amount at least equal to the greater of the closing Market Price of the Common Shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options.

9. Exercise of Options

An Optionee shall be entitled to exercise an Option granted to him at any time prior to the expiry of the Option Period, subject to Sections 11 and 12 hereof and to vesting limitations which may be imposed by the Board of Directors at the time such Option is granted. Subject to Exchange Policies, the Board of Directors may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

Notwithstanding any other provision hereof, Options granted to persons engaged to provide Investor Relations Activities shall vest in stages over a period of 12 months from the date of grant with no more than 1/4 of any such Options granted vesting in any three-month period.

The exercise of any Option will be conditional upon receipt by the Corporation at its head office of: (i) a written notice of exercise, specifying the number of Common Shares in respect of which the Option is being exercised; (ii) cash payment, certified cheque or bank draft for the full purchase price of such Common Shares with respect to which the Option is being exercised; and (iii) make suitable arrangements with the Corporation, in accordance with Section 10, for the receipt by the Corporation of an amount sufficient to satisfy any withholding tax requirements under applicable tax legislation in respect of the exercise of an Option (the “**Withholding Obligations**”).

Common Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Common Shares pursuant thereto shall comply with all relevant provisions of applicable securities law, including, without limitation, the 1933 Act, the United States Securities and Exchange Act of 1934, as amended, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Common Shares are quoted at any given time. As a condition to the exercise of an Option, the Corporation may require the person exercising such Option to represent and warrant at the time of any such exercise that the Common Shares are being purchased only for investment and without any present intention to sell or distribute such Common Shares if, in the opinion of counsel for the Corporation, such a representation is required by law.

10. Withholding Taxes

Upon the exercise of an Option by an Optionee, the Corporation shall have the right to require the Optionee to remit to the Corporation an amount sufficient to satisfy any Withholding Obligations relating thereto under applicable tax legislation. Unless otherwise prohibited by the Board of Directors or by applicable law, satisfaction of the amount of the Withholding Obligations (the “**Withholding Amount**”) may be accomplished by any of the following methods or by a combination of such methods as determined by the Corporation in its sole discretion:

(i) the tendering by the Optionee of cash payment to the Corporation in an amount less than or equal to the Withholding Amount; or

(ii) the withholding by the Corporation from the Common Shares otherwise due to the Optionee such number of Common Shares as it determines are required to be sold by the Corporation, as trustee, to satisfy the Withholding Amount (net of selling costs). By executing and delivering the option agreement, the Optionee shall be deemed to have consented to such sale and have granted to the Corporation an irrevocable power of attorney to effect the sale of such Common Shares and to have acknowledged and agreed that the Corporation does not accept responsibility for the price obtained on the sale of such Common Shares;

(iii) the withholding by the Corporation from any cash payment otherwise due by the Corporation to the Optionee, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Withholding Amount; provided, however, in all cases, that the sum of any cash so paid or withheld and the fair market value of any Common Shares so withheld is sufficient to satisfy the Withholding Amount.

The provisions of the option agreement shall provide that the Optionee (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan and an acknowledgement that neither the Board of Directors nor the Corporation shall make any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Withholding Amount made under the Plan and none of the Board of Directors, the Corporation, nor any of its employees or representatives shall have any liability to an Optionee (or its beneficiaries) with respect thereto.

11. Ceasing to be a Director, Officer, Employee or Consultant

If an Optionee ceases to be a director, officer, employee or consultant of the Corporation or its subsidiaries for any reason other than death, the Optionee may, but only within ninety (90) days after the Optionee's ceasing to be a director, officer, employee or consultant (or 30 days in the case of an Optionee engaged in Investor Relations Activities) or prior to the expiry of the Option Period, whichever is earlier, exercise any Option held by the Optionee, but only to the extent that the Optionee was entitled to exercise the Option at the date of such cessation. For greater certainty, any Optionee who is deemed to be an employee of the Corporation pursuant to any medical or disability plan of the Corporation shall be deemed to be an employee for the purposes of the Plan.

12. Death of Optionee

In the event of the death of an Optionee, the Option previously granted to him shall be exercisable within one (1) year following the date of the death of the Optionee or prior to the expiry of the Option Period, whichever is earlier, and then only:

- (a) by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution, or by the Optionee's legal personal representative; and
- (b) to the extent that the Optionee was entitled to exercise the Option at the date of the Optionee's death.

13. Optionee's Rights Not Transferable

No right or interest of any Optionee in or under the Plan is assignable or transferable, in whole or in part, either directly or by operation of law or otherwise in any manner except by bequeath or the laws of descent and distribution, subject to the requirements of the Exchange, or as otherwise allowed by the Exchange.

Subject to the foregoing, the terms of the Plan shall bind the Corporation and its successors and assigns, and each Optionee and his heirs, executors, administrators and personal representatives.

14. Takeover or Change of Control

The Corporation shall have the power, in the event of:

(a) any disposition of all or substantially all of the assets of the Corporation, or the dissolution, merger, amalgamation or consolidation of the Corporation with or into any other corporation or of such corporation into the Corporation, or

(b) any change in control of the Corporation,

to make such arrangements as it shall deem appropriate for the exercise of outstanding Options or continuance of outstanding Options, including without limitation, to amend any Stock Option Agreement to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Corporation shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Corporation prior to the completion of such transaction.

15. Anti-Dilution of the Option

In the event of:

(a) any subdivision, redivision or change of the Common Shares at any time during the term of the Option into a greater number of Common Shares, the Corporation shall deliver, at the time of any exercise thereafter of the Option, such number of Common Shares as would have resulted from such subdivision, redivision or change if the exercise of the Option had been made prior to the date of such subdivision, redivision or change;

(b) any consolidation or change of the Common Shares at any time during the term of the Option into a lesser number of Common Shares, the number of Common Shares deliverable by the Corporation on any exercise thereafter of the Option shall be reduced to such number of Common Shares as would have resulted from such consolidation or change if the exercise of the Option had been made prior to the date of such consolidation or change; or

(c) any reclassification of the Common Shares at any time outstanding or change of the Common Shares into other shares, or in case of the consolidation, amalgamation or merger of the Corporation with or into any other corporation (other than a consolidation, amalgamation or merger which does not result in a reclassification of the outstanding Common Shares or a change of the Common Shares into other shares), or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another corporation, at any time during the term of the Option, the Optionee shall be entitled to receive, and shall accept, in lieu of the number of Common Shares to which he was theretofore entitled upon exercise of the Option, the kind and amount of shares and other securities or property which such holder would have been entitled to receive as a result of such reclassification, change, consolidation, amalgamation, merger or transfer if, on the effective date thereof, he had been the holder of the number of Common Shares to which he was entitled upon exercise of the Option.

Adjustments shall be made successively whenever any event referred to in this section shall occur. For greater certainty, the Optionee shall pay for the number of shares, other securities or property as aforesaid, the amount the Optionee would have paid if the Optionee had exercised the Option prior to the effective date of such subdivision, redivision, consolidation or change of the Common Shares or such reclassification, consolidation, amalgamation, merger or transfer, as the case may be.

16. Costs

The Corporation shall pay all costs of administering the Plan.

17. Termination and Amendment

(a) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of the Corporation or any Optionee whose Option is amended or terminated, in order to conform this Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.

(b) The Board of Directors may amend or terminate this Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in Section 17(a) hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of the Corporation if required by the Exchange or such regulatory authority. Subject to Exchange Policies, Disinterested Shareholder Approval will be obtained for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation at the time of the proposed amendment. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.

(c) The Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.

18. Applicable Law

This Plan shall be governed by, administered and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

19. Effective Date

This Plan will become effective as of and from May 22, 2018

While the Corporation does not have formal orientation and training programs, new directors are provided with access to publicly filed documents of the Corporation, technical reports, internal financial information, and management and technical experts and consultants.

4. Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an

individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction.

5. Nomination of Directors

The Board of Directors is responsible for identifying individuals believed to be qualified to become board members, consistent with criteria approved by the Board, and to nominate to stand for election at the Corporation's annual meeting of shareholders or, if applicable, at a special meeting of the shareholders. In case of vacancy in the office of a director (including a vacancy created by an increase in the size of the Board), the Board shall fill each such vacancy either through appointment by the Board or through election by shareholders. In recommending candidates, the Board of Directors shall take into consideration the opinions of management of the Corporation, the criteria approved by the Board and such other factors as it deems appropriate. These factors shall include judgment, skill, integrity, independence, diversity, experience with business and organizations of comparable size, the interplay of a candidate's experience with the experience of other Board members', willingness to commit the necessary time and energy to serve as director, and a genuine interest in the Corporation's business, and the extent to which a candidate would be a desirable addition to the Board or any committees of the Board.

6. Compensation

The Board of Directors provide an annual review of director and executive compensation to ensure development of a compensation strategy that properly aligns the interests of directors and executives with the long-term interests of the Corporation and its shareholders,

Specifically, with respect to the Corporation's external audit function, the Audit Committee assists the Board in fulfilling its oversight responsibilities relating to: (i) the quality and integrity of the Corporation's financial statements; (ii) the independent auditors' qualifications; and (iii) the performance of the Corporation's independent auditors.

The Audit Committee's primary duties and responsibilities are to:

- (a) serve as an independent and objective party to monitor the Corporation's financial reporting and internal control system and review the Corporation's financial statements;
- (b) review and appraise the performance of the Corporation's external auditors; and
- (c) provide an open avenue of communication among the Corporation's auditors, financial and senior management and the Board.

The Audit Committee reports its deliberations and discussions regularly to the Board and submits to the Board the minutes of its meetings.

The composition of the Audit Committee shall meet all applicable independence, financial literacy and other legal and regulatory requirements. The majority of the members of the Audit Committee shall be free from any relationship that, in the opinion of the Board of Directors, would reasonably interfere with the exercise of his or her independent judgment as a member of the Audit Committee, and at least one (1) member shall have “accounting or related financial experience”. For the purposes of the Audit Committee's terms of reference, the definition of “financially literate” is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Corporation's financial statements.

4. Reliance on Certain Exemptions

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on the exemptions contained in Section 2.4 (*De Minimis Non-audit Services*) or Section 8 (*Exemptions*) of NI 52-110. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed five percent (5%) of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

This also includes audit or other attest services required by legislation or regulation, such as comfort letters, consents, reviews of securities filings and statutory audits.

“Audit-Related Fees” include fees for assurance and related services that are reasonably related to the performance of the audit or review of the Corporation's financial statements and that are not included in “Audit Fees”.

Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Corporation's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Corporation's financial reporting and internal control systems and review the Corporation's financial statements;
