**LEO RESOURCES INC. AMENDS TERMS OF AMALGAMATION WITH GREEN LIFE CLINICS**

**GREEN LIFE CLINICS ACQUIRES PATIENT ACCESS PAVILIONS LTD.**

**July 4, 2018 –Leo Resources Inc. (LEO:CSE; FSE: L00)** (“Leo” or the “Company”) is pleased to announce it has entered into an amendment agreement dated July 3, 2018 (the “**Amendment Agreement**”) to the amalgamation agreement dated July 5, 2017 (the “**Amalgamation Agreement**”) pursuant to which the Company will acquire all of the issued and outstanding securities of Green Life Clinics Ltd. (“**GLC**”).

Pursuant to the Amendment Agreement, GLC has completed certain capital adjustments to its existing share structure resulting in the reduction of the number of shares currently issued and outstanding to 18,600,000 shares, of which there are 4,000,000 Class A shares outstanding, 9,600,000 Class B shares outstanding and, following the acquisition of Patient Access Pavilions Ltd. (“**PAP**”), as discussed below, 5,000,000 Class C shares outstanding. The Class B shareholders have also contributed \$2,000,000 in cash to GLC, with the result that GLC, following the acquisition of PAP, has an approximate working capital of \$2.2 million, which will be acquired by the Company in addition to its existing working capital.

The Company will complete a three-corner amalgamation (the “**Amalgamation**”) with GLC and a wholly owned subsidiary of the Company. Under the Amalgamation, the shareholders of GLC will receive one common share of Leo for each GLC share held, resulting in the aggregate issuance of 18.6 million Leo common shares. Under the Amendment Agreement, the holders of the Class B shares in the capital of GLC will no longer receive any cash consideration in the Amalgamation. Leo previously paid to GLC \$3,225,000 in cash which funds were utilized by GLC to repay shareholder loans incurred in relation the GLC’s acquisition of MCRCI Medicinal Cannabis Resource Centre Inc. and to complete the acquisition of PAP (as previously announced May 9, 2017 and May 16, 2017).

The Company is also pleased to advise that GLC has, as noted above, completed the acquisition of PAP, paying the remainder \$1.0 million cash due (for aggregate cash consideration of \$2.0 million) and issuing 5,000,000 Class C shares, which shares will on the Amalgamation be exchanged for common shares of Leo on the basis of one Leo share for each Class C share held.

The Company anticipates the completion of the Amalgamation in July following the completion of the final review of its proposed Listing Statement by the Canadian Securities Exchange. In connection with the Amalgamation, the Company expects to change its name to “Global Health Clinics Ltd.” and its symbol to “MJRX”.

Trading in the common shares of the Company is expected to remain halted pending satisfaction of applicable requirements of the CSE. There can be no assurance that trading in the common shares of the Company will resume prior to completion of the Amalgamation.
