

Global Health Clinics Ltd announces Dr. Janey Hailey to its team of physicians

/NOT FOR DISSEMINATION IN THE UNITED STATES/

VANCOUVER, Nov. 2, 2018 /CNW/ - **Global Health Clinics Ltd.** (the "Company") (CSE: MJRX) (Frankfurt: L002) announces the addition of Dr. Janey Hailey to its team of physicians. Dr. Hailey is a Consultant Pediatrician and a Clinical Associate Professor at the University of British Columbia in Vancouver, Canada.

Born in Toronto, she attended Stanford University and the University of California at Berkeley, where she earned a BA in Psychology and an Elementary School teaching credential. After teaching for two years, she moved to London, England, to begin premedical studies. She also received her medical degree from the University of Cambridge in England. She returned to Canada to complete her Pediatric residency at the University of British Columbia and became a General Pediatric consultant in 1992. She still has an active, busy practice. From 1995 – 2009, she wrote and narrated a regular medical column on the Canadian Broadcasting Corporation (CBC) radio, discussing a wide variety of medical topics.

With the addition of Dr. Janey, we are able to service children under the age of 18, mainly assisting children with seizure disorders, autism, and ADD/ADHD. Global Health Clinics Ltd is now one of the only speciality clinic groups in Canada that now has a pediatrician on staff. This also allows us to provide support, education and guidance for this underserved demographic.

"We are pleased with the addition of Dr. Hailey to Global Health Clinics Ltd. Now we have a team of chronic pain specialists, psychiatrists, emergency medicine physicians, and general practitioners" states Terry Roycroft, President & CEO.

Global Health Clinics Ltd.

"Terry Roycroft"

Terry Roycroft, CEO

Forward-Looking Information *This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Leo Resources Inc. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company*

undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
