NEWS RELEASE

GLOBAL HEALTH CLINICS ANNOUNCES APPOINTMENT OF SU

May 14, 2019 - Global Health Clinics Ltd. (the "Company") (CSE: MJRX) (Frankfurt: L002) would like to announce the appointment of Ms. Judy Su to the board of directors. Ms. Su graduated in 2012 at the University of British Columbia with bachelor's degree in pharmacy. She was lead pharmacist at a national drug store for four years and has a vast understanding of large-scale retail distribution of narcotics. Currently she works as a pharmacist in the public sector where she is instrumental in pharmaceutical practises of the province. "I'm very pleased to be joining a group of health professionals that have a passion for medicinal cannabis like myself. I look forward to adding my knowledge of dealing with large volumes of patients and medicinal distribution streamlining Global Health Clinics approach as we expand its Cannabis Clinics."

Ms. Su will replace Ms. Sarah Donald and Mr. David Schmidt who have resigned from the board. Sarah Donald will continue to work and assist the Company's subsidiary, MCRCI in a more operational role with MCRCI.

Forward-Looking Information This news release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Leo Resources Inc. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
