NEWS RELEASE

Vancouver, BC, April 3, 2017 – Cdn MSolar Corp. (the “Company”) (CSE: CMS) is pleased to report that all matters placed before the shareholders at its Annual General Meeting held on 29 March 2017, were approved.

Ji Wu Li, Thurman So and Guo Hua Cui were re-elected to the board of directors of the Company. Manning Elliot LLP was reappointed as the auditors of the Company.

About Cdn MSolar Corp.

The Company is the exclusive worldwide marketing and business development partner with Dongying Minghui New Energy Science & Technology Co., Ltd. (“Minghui”), its largest shareholder. Minghui is located in the national economic and technology development zone in the city of Dongying located on the Yellow River delta in the Shandong Province of China, which is not more than a six hour train ride from Beijing.

Minghui has developed, created and manufactured integrated energy saving technology systems combining its flat-panel solar collector, multi-source heat pump and deep geothermal pump systems in response to a growing demand for energy-saving solutions designed for residential and commercial buildings.

The Company has an irrevocable license from Minghui to design, construct, produce, develop, manufacture, operate, maintain, market, sell and/or otherwise distribute worldwide, with the exception of China, the Minghui Technology. Minghui has stated that it now has more than thirty patents in conjunction with several Chinese universities in new energy saving technologies. The Company plans to file the patents worldwide.
