

Blueberries Medical Announces Closing of the Acquisition of BBV Labs – A Milestone in its Argentina Project

TORONTO, Dec. 04, 2020 --

Further to its news releases dated March 26, April 4, and July 2, 2019, Blueberries Medical Corp. (CSE: BBM) (OTC: BBRRF) (FRA: 1OA) (the "**Company**" or "**Blueberries**"), a Latin American licensed producer of medicinal cannabis and cannabis-derived products is pleased to announce that the Company has completed the acquisition of BBV Labs Inc. ("**BBV**"), a corporation formed under the laws of the Republic of Panama, pursuant to the previously announced share purchase agreement (the "**Purchase Agreement**").

With the Purchase Agreement Blueberries will have the rights to acquire cannabis cultivation, processing, manufacturing and other rights in Argentina, pursuant to a definitive joint venture agreement with the Argentinean state-owned company Cannabis Avatara, S.E. ("**Cannava**") and BBV, (the "**Joint Venture**"). The Joint Venture with Cannava allows the Company to develop and cultivate cannabis on a 3.2 million square foot (74 acres or 30 hectares) prime agricultural property. Cannava will contribute the land to the Joint Venture as well as all required permits and authorization necessary to import seeds, cultivate, grow and harvest cannabis, process cannabis and extract cannabis oil and other derivative products for scientific, medicinal and therapeutic purposes and to export cannabis and derivative products and import and export related equipment and products.

The Purchase Agreement was amended to change its terms to reflect the payment of the purchase price to be satisfied by Blueberries issuing 3,000,000 common shares in the capital of the Company to the vendors.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward looking statements relate, among other things, to: commencement of commercial production of CBD-dominant oils and products in 2020, successful implementation of full GMP standards at its extraction facility to allow for additional export potential to international markets, achieving additional milestones in 2020 as contemplated, or at all, ability to expand distribution networks, ability to expand and upgrade the Company's cultivation facilities in Colombia, internal expectations, expectations regarding the ability of the Company to access new Latin American and international markets, the ability to attract and retain new customers, and future expansion plans including development of the cultivation, production, industrialization and marketing of cannabis for commercial and scientific purposes.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: fluctuations in general macroeconomic conditions; fluctuations

in securities markets; expectations regarding the size of the Colombian and international medical cannabis market and changing consumer habits; the ability of the Company to successfully achieve its business objectives; plans for expansion; political and social uncertainties; inability to obtain adequate insurance to cover risks and hazards; and the presence of laws and regulations that may impose restrictions on cultivation, production, distribution and sale of cannabis and cannabis related products in Colombia, Argentina and elsewhere; and employee relations. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
