The date of this Information Circular is May 15, 2015. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

The Company has arranged for intermediaries to forward the Meeting materials to beneficial owners of common shares in the Company held of record by those intermediaries. The Company has distributed or made available for distribution, copies of the Notice, this Information Circular and form of proxy to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to holders (the “**Beneficial Shareholders**”) of the Company’s common shares held of record by those Intermediaries. Such Intermediaries are required to forward such documents to the Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Company if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of the Intermediaries for reasonable fees and disbursements incurred in connection with the distribution of these materials.

The Company does not intend to pay for intermediaries to forward to objecting beneficial owners under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) the proxy-related materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. An objecting beneficial owner will not receive such materials unless the objecting beneficial owner’s intermediary assumes the cost of delivery.

These materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. On a show of hands, every shareholder is entitled to one vote for each common share that such shareholder holds on the record date of May 26, 2015 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting. The list of shareholders is available for inspection during normal business hours at the offices of the Company’s registrar and transfer agent, Computershare Investor Services Inc. (the “**Transfer Agent**”), and will be available at the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are: (1) Jong Myung Choi, the CFO, Chair of the Board and a director of the Company; (2) GwanJe Woo, the President and CEO of the Company; and (3) Penny Green of Bacchus Law Corporation, legal counsel to the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Transfer Agent at its offices located at 2nd Floor, 510 Burrard Street Vancouver, BC V6C 3B9, by mail or fax, no later than 2:00 p.m. (Pacific Time) on Friday, June 26, 2015, or at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) before the time and date of any adjournment or postponement of the Meeting.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder’s attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially-certified copy thereof, must accompany the form of proxy.

Revocation of Proxy

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chair of the Board of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the

Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of common shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the common shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form as a proxy to vote common shares directly at the Meeting. Rather, such a voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend the Meeting and vote his or her common shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Compensation Discussion and Analysis

The Board of Directors is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the executive officers of the Company. The Company at this time does not have a formal compensation program with specific performance goals or similar conditions; however, the performance of each executive is considered along with the Company’s ability to pay compensation and its results of operation for the period. The Company does not use any benchmarking in determining compensation or any element of compensation.

The Company presently has two NEOs, GwanJe Woo and Jong Myung Choi. GwanJe Woo has served as CEO and President since April 25, 2014. Jong Myung Choi has served as CFO and a Director since June 20, 2014 and as Chair of the Board since May 15, 2015.

Any salary paid to the NEOs is dependent upon the Company’s finances as well as the performance of each NEO.

Principles and Objectives of Compensation Program

The Company’s compensation program for all of its employees, including its senior officers, consists of long-term incentive compensation comprised of share options and base salaries. This program is designed to achieve the following key objectives:

- (a) support the Company’s overall business strategy and objectives;
- (b) provide market competitive compensation that is substantially performance-based;
- (c) provide incentives that encourage superior corporate performance and retention of highly skilled and talented employees; and

- (d) align executive compensation with corporate performance and therefore shareholders' interests.

The value of this program is used as a basis for assessing the overall competitiveness of the Company's compensation package. The fixed element of compensation provides a competitive base of secure compensation required to attract and retain executive talent. The variable performance-based, or "at risk" compensation, is designed to encourage both short-term and long-term performance by employees of the Company. At more senior levels of the organization, a significant portion of compensation eligible to be paid is variable performance based compensation which places a greater emphasis on rewarding employees for their individual contributions, the business results of the Company and creating long-term value for its shareholders.

At present, the Board of Directors does not evaluate the implications of the risks associated with the Company's current compensation policies and practices as it is in the start-up phase of development and management is focusing their time and attention on the Company's operations.

Although permitted, at this time, no NEO or director has purchased or intends to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Compensation Governance

The Company does not have a compensation committee at this time. The Board of Directors is responsible for determining the compensation to be paid to the directors and executive officers of the Company. The Company does not have any formal compensation policies at this time, and the practices adopted by the Board of Directors to determine the compensation for the Company's directors and executive officers is as noted above.

Base Salaries

During the year ended December 31, 2014, the Company's CEO entered into an executive consulting agreement on July 1, 2014 for a salary of \$2,000 per month and the Company's CFO entered into an executive consulting agreement on July 1, 2014 for a salary of \$1,500 per month.

After the Company begins generating sufficient revenues to sustain operations, management plans to establish a formal market-level compensation program.

Share Options

All of the Company's officers, directors, employees and consultants are eligible to participate in the Company's stock option plan (the "**Stock Option Plan**"). The Stock Option Plan provides a long-term incentive designed to focus and reward eligible participants for enhancing total shareholder return over the long-term both on an absolute and relative basis. The Stock Option Plan promotes an ownership perspective among and encourages the retention of key employees. Additionally, it provides an incentive to enhance shareholder value by furthering the Company's growth and profitably.

Options are normally recommended by management and approved by the Board of Directors upon the commencement of an individual's employment with the Company based on the individual's level of responsibility within the organization and their contribution to the Company's success. Additional grants may be made periodically to ensure that the number of options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Company. Previous grants are taken into account when considering new grants.

The use of options by the Company results in a significant portion of senior officer compensation being “at risk” and directly linked to the achievement of business results and long-term value creation for the Company’s shareholders.

Narrative Discussion

Other than as set forth above, no NEO received, during the Company's most recently completed financial year, compensation pursuant to:

- (a) any standard arrangement for the compensation of directors for their services in their capacity as directors, including any additional amounts payable for committee participation or special assignments;
- (b) any other arrangement, in addition to, or in lieu of, any standard arrangement, for the compensation of directors in their capacity as directors; or
- (c) any arrangement for the compensation of directors for services as consultants or expert.

The only security based compensation arrangement that the Company has in place is the Stock Option Plan.

The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company to acquire common shares in the Company. This increase in the proprietary interest in the Company encourages the individuals to remain associated with the Company and furnishes them with additional incentive to improve their efforts on behalf of the Company.

Stock options may be granted to the following persons under the Option Plan, as defined therein:

- (a) Eligible Employees, including officers;
- (b) Directors;
- (c) Consultants or Consultant Companies; and
- (d) Management Company Employees.

The decision to grant options is made by the Board of Directors as a whole, and a grant is approved by directors' resolutions or at a meeting of the directors. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.
