

Biome Grow Announces Listing on the Frankfurt Stock Exchange under symbol 60TA

Toronto, CANADA, October 18, 2018 (CSE: BIO) – Biome Grow (“Biome” or the “Company”) (CSE: BIO) is pleased to announce that the Company’s common shares have been listed on the Frankfurt Stock Exchange under the trading symbol “**60TA**”. The Company’s common shares continue to be listed on the Canadian Securities Exchange (“**CSE**”) under the trading symbol “**BIO**”.

“Biome is developing its production base in Canada with an eye to becoming a leader in the international medical cannabis market. Listing on the Frankfurt Stock Exchange will give Biome increased access to European and other international investors and positions Biome well for international growth and development opportunities,” said CEO Khurram Malik.

The Frankfurt Stock Exchange is one of the world’s largest trading centres for securities. With a share in turnover of around 90 per cent, it is the largest of Germany’s seven stock exchanges and it is an international trading centre, which is reflected in the structure of its participants. Of the approximately 200 market participants, roughly 50% are from countries other than Germany.

Biome’s Frankfurt Stock Exchange listing follows the recent completion of the previously announced three-cornered amalgamation transaction (the “**Transaction**”) involving Biome (formerly Orca Touchscreen Technologies Ltd.), Cultivator Catalyst Corp. and 1151856 B.C. Ltd. and the listing of Biome’s common shares on the Canadian Securities Exchange. Details of the Transaction and CSE listing are available at www.sedar.com.

The securities mentioned herein have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”), or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act and applicable state securities laws. This news release shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

Biome is a Canadian-based company with national and international business interests.

Forward-Looking Information

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Generally, forward-looking statements and information may be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "proposed", "is expected", "budgets", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases, or by the use of words or phrases which state that certain actions, events or results may, could, would, or might occur or be achieved. More particularly and without limitation, this news release contains forward-looking statements and information concerning the Company's expectation for enhanced international exposure and international growth. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties, both general and specific, that contribute to the possibility that the predictions, estimates, forecasts, projections and other forward-looking statements will not occur. These assumptions, risks and uncertainties include, among other things, the state of the economy in general and capital markets in particular, anticipated costs, the ability to achieve its goals, and other factors, many of which are beyond the control of the Company. Forward-looking statements contained in this press release are expressly qualified by this cautionary statement.

Factors that could cause the actual results to differ materially from those in the forward-looking statements include, failure to obtain regulatory approval, the continued availability of capital and financing, and general economic, market or business conditions, changes in legislation and regulations, increase in operating costs, failure of counterparties to perform their contractual obligations, litigation, the loss of key directors, employees, advisors or consultants and fees charged by service providers.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of,

or statements made by, third parties in respect of the matters discussed above. The CSE nor its Market Regulator (as that term is defined in the policies of the CSE) does not accept responsibility for the adequacy or accuracy of this news release.
