About Biome

Biome wholly owns five subsidiaries, including: The Back Home Medical Cannabis Corporation, a company incorporated under the laws of the Province of Newfoundland and Labrador and in the late stages of applying for a license under the Cannabis Act; Great Lakes Cannabis, a company incorporated under the laws of the Province of Ontario and in the late stages of applying for a license under the Cannabis Act; Highland Grow Inc., a licensed producer in Nova Scotia under the Cannabis Act; Red Sands Craft Cannabis Co., a company incorporated under the laws of the Province of Prince Edward Island; and Weed Virtual Retail Inc., a company incorporated under the laws of the Province of Ontario in the business of operating a new virtual reality technology platform focused exclusively on the medical and recreational cannabis markets. Biome is a Canadian-based company with national and international business interests.

Forward-looking Statements

This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance. All statements other than statements of historical fact may be forward-looking statements or information. Generally, forward-looking statements and information may be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "proposed", "is expected", "budgets", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases, or by the use of words or phrases which state that certain actions, events or results may, could, would, or might occur or be achieved. More particularly and without limitation, this news release contains forward-looking statements and information concerning the Company's expectations with respect to the timing on which it will release its financial statements. Such forward-looking statements and information reflect management's current beliefs and are based on assumptions made by and information currently available to Biome, including, among other things, assumptions and expectations with respect to: Biome's ability to generally operate its business, follows its business plans and realize future expectations.

These forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those expressed or implied in the forward-looking statements.

Readers are further cautioned not to place undue reliance on forward-looking statements as there can be no assurance that the plans, intentions or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. The forward-looking statements speak only as of the date on which they are made, and Biome, or any of its subsidiaries undertakes no obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, except as required by law. The forward-looking statements contained in this news release are expressly qualified by this cautionary statement.
