NEWS RELEASE

Dundee Sustainable Technologies Inc. Announces Share Consolidation

MONTREAL, QUEBEC, January 23, 2020 – Dundee Sustainable Technologies Inc. (the “**Corporation**” or “**DST**”) (CSE:DST) announces today that it intends to proceed to a consolidation of its share capital on a twenty (20) for one (1) basis (the “**Consolidation**”).

Currently, a total of 314,942,521 Subordinate Voting Shares and 50,000,000 Multi-Voting Shares (collectively, the “**Shares**”) are issued and outstanding in the capital of the Corporation. Accordingly, after giving effect to the Consolidation on the basis of twenty (20) existing Shares for one (1) new Share, a total of approximately 15,747,121 Subordinate Voting Shares and 2,500,000 Multi Voting Shares would be issued and outstanding in the capital of the Corporation, assuming no other change in the issued capital. The Corporation will not issue any fractional post-Consolidation Shares as a result of the Consolidation. Instead, all fractional Shares will be rounded down to the next whole common share. The Corporation expects to begin trading on January 27, 2020 on the Canadian Securities Exchange (the “**CSE**”) on a post-Consolidation basis under its existing name and ticker symbol with a record date of January 28, 2020 (the “**Record Date**”). The new CUISP and ISIN for the Subordinate Voting Shares are 265282202 and CA2652822024, respectively.

The Consolidation will affect all of the Corporation’s stock options, and share units issued and outstanding at the Record Date. At the time of the Consolidation, the number, exchange basis or exercise price of all stock options and share units will be adjusted, as applicable, to reflect the Consolidation. The actual adjustment will be made by the Corporation in consultation with its advisers.

The Corporation believes that the Consolidation will be beneficial to the Corporation in that it is expected to, among other things, provide the Corporation with greater flexibility in attracting financing.

The Consolidation was previously approved by shareholders of the Corporation at an annual and special meeting held on July 5, 2019. Please refer to the management information circular of the Corporation dated June 5, 2019 (the “**Circular**”) for additional details on the Consolidation. The Circular is available under the Corporation’s profile on SEDAR.

About Dundee Sustainable Technologies, a company controlled by Dundee Corporation

The Corporation is engaged in the development and commercialization of environment-friendly technologies for the treatment of materials in the mining industry. Through the development of patented, proprietary processes, DST extracts precious and base metals from mineralized material, concentrates and tailings, while stabilizing contaminants such as arsenic, which could not otherwise be extracted or stabilized with conventional processes because of metallurgical issues or environmental considerations.

DST has filed, published and was granted patents for these processes in several countries.
