

## **ePlay Names Lew Turnquist to Board of Directors**

*Technology veteran brings transactions and public company experience.*

(Calgary, Oct. 19, 2017) – [ePlay Digital Inc. \(CSE:EPY\)](#), today announces it has added Lew Turnquist to its board of directors. Turnquist joins at a key growth stage for the company and his product, technology, and public company experience in growing companies will help support ePlay’s growth.

Turnquist has over 25 years of operational and transactional experience in technology companies. He is President at Orpyx Medical Technologies Inc., a medical device Internet of Things (IoT) company. Prior to Orpyx, he was senior managing partner at Kirchner Private Capital Group, a US-based boutique merchant bank, where he led the firm's transactions (M&A) and operational advisory practices. Prior to this role, Turnquist led the growth or turnaround of several early-stage technology companies including: VX Technologies Inc., a 3D measurement product company; J-Commerce Inc., a retail point-of-sale software company; and Cell-Loc Inc., a wireless location technology and services company.

“We are thrilled to add Lew to our board, with so much experience and ambition for consumer technologies. He is a great fit at a perfect time.” says Trevor Doerksen, CEO of ePlay Digital.

ePlay’ apps and games under development, such as a new Augmented Reality (AR) sports apps, will leverage Turnquist’s expertise to help the company provide accelerated investment market and the expanding product portfolio.

“I am excited to be a part of a young and innovative company where sports, technology, and augmented reality intersect.”

Turnquist rejoins Trevor Doerksen on the ePlay board, both previously serving together on the Mobovivo board for several years. Mobovivo built the multiple award-winning Hannibal second screen app, the FIFA World Cup ESPN Sync app, Intel Football Live app, Intel Soccer Live app, and apps for CBS, Cineplex, Time Warner Cable and others. ePlay’s Mobovivo built the award-winning second screen sports app for AXS TV and like ESPN, Hannibal and others broke ground on brand new concepts.

### ***About ePlay Digital***

*ePlay Digital Inc. develops real-time fan engagement technologies that enable TV networks, venues, teams, leagues and brands to evolve and meet the demands of today's highly-engaged audiences. ePlay bridges the gap between traditional broadcast and dynamic, next generation multi-platform networks that deliver interactive content, live streaming, augmented reality, fantasy sports, and social media across multiple devices. ePlay is operated by a team of sports,*
