EPLAY DIGITAL INC

MANAGEMENT INFORMATION CIRCULAR

All information as at April 28, 2022, except where indicated.

PERSONS MAKING THIS SOLICITATION OF PROXIES - This Management Information Circular ("Circular") is provided in connection with the solicitation of proxies ("Proxies") by management of ePlay Digital Inc. (the "Company") from the holders of common shares of the Company ("Common Shares") in respect of the Annual General and Special Meeting of Shareholders of the Company (the "Meeting") to be held at 1100 - 1111 Melville Street Vancouver BC V6C3V6 on **Thursday, June 2, 2022, at 10:00 a.m.** for the purposes set out in the accompanying notice of meeting (the "Notice of Meeting").

While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

COMPLETION AND VOTING OF PROXIES

Voting

Voting at the Meeting will be by a show of hands, each registered shareholder and each Proxyholder (representing a registered or non-registered shareholder) having one vote, unless a poll is required or requested, whereupon each such shareholder and Proxyholder is entitled to one vote for each share held or represented, respectively. To approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an "ordinary resolution") unless the motion requires a "special resolution" in which case a majority of 66% of the votes cast will be required.

Appointment of Proxyholders

A shareholder has the right to appoint a person (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons named in the Proxy as Proxyholders. To exercise this right, the shareholder must insert the name of the shareholder's nominee in the space provided or complete another Proxy.

The persons named in the accompanying Proxy as Proxyholders are our directors or officers.

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an "X" in the appropriate space. On any poll required (for the reason described above) or requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy, provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the shares represented by the Proxy in favour of the motion.**

The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominees. The Proxy must be dated and signed by the shareholder or the shareholder's attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with our transfer agent in accordance with the instructions and before the time set out in the Proxy. Proxies received after such time may be accepted or rejected by the Chair of the Meeting in the Chair's discretion. Non-registered shareholders that are OBOs (as defined below under "Non-registered Shareholders") must deliver their completed Proxies in accordance with the instructions given by their financial institution or other intermediary that forwarded the Proxy to them.

Registered Shareholders

Registered shareholders of the Company (the “**Registered Shareholders**”) may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders may choose one of the following options to submit their proxy:

- (1) complete, date and sign the Proxy and return it to the Company’s transfer agent, by mail or delivery in the addressed envelope provided or deposited at the offices of Endeavor Trust Corporation (“Endeavor Trust Corporation”), Proxy Department, Suite 702 – 777 Hornby Street, Vancouver, B.C., V6Z 1S4,
- (2) by email to proxy@EndeavorTrust.com ;
- (3) By Following the voting link provided on the proxy; or
- (4) by fax to 1-604-559-8908 unless the chair of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting, or the adjournment thereof, at which the proxy is to be used.

Non-registered Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients. Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their intermediary. Your intermediary will not vote your shares without receiving instructions from you. The form of proxy or voting instruction supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”) in the United States and in Canada. Broadridge mails a Voting Instruction Form (“VIF”) in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company’s Proxy to represent your Common Shares at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of its intermediary, a Beneficial Shareholder may attend the Meeting as a proxyholder for the intermediary and vote the Common Shares in that capacity. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting. In accordance with the requirements of NI 54-101, we have distributed copies of the Notice of Meeting, this Information Circular, the form of proxy and related documents (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to OBOs. Intermediaries are required to forward the Meeting Materials to OBOs unless in the case of certain proxy-related materials the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to OBOs. With those Meeting Materials, Intermediaries or their service companies should provide OBOs of Common Shares with a “request for voting instruction form” which, when properly completed and signed by such OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs of Common Shares to direct the voting of the Common Shares that they beneficially own. There are

two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called “OBOs” for Objecting Beneficial Owners) and those who do not object (called “NOBOs” for Non-Objecting Beneficial Owners).

REVOCATION OF PROXIES

Shareholders have the power to revoke Proxies previously given by them. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) signed by a shareholder or the shareholder’s attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered to our registered office at 850 - 2nd Street SW, 15th Floor, Bankers Court, Calgary, AB T2P 0R8, or to our transfer agent, Endeavor Trust Corporation (“**Endeavor Trust Corporation**”) by mail to the Proxy Department, Suite 760 – 777 Hornby Street, Vancouver, B.C., V6Z 1S4, by email to proxy@transferagent.ca or by fax to 1-604-559-8908, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or deposited with the Chair of the Meeting on the day of the Meeting.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, and the management proxyholders have been appointed, such shares will, on a poll, be voted in accordance with the notes to the form of Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed Proxyholder thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, “Person” shall include each person or company: (a) who has been a director or executive officer of the Company at any time since the commencement of the Company’s last financial year; (b) who is a proposed nominee for election as a director of the Company; and (c) who is an associate or affiliate of a person or company included in subparagraphs (a) or (b).

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As at the date of this Information Circular, no executive officer, director, employee or former executive officer, director or employee of the Company or any of its subsidiaries is indebted to the Company, or any of its subsidiaries, nor are any of these individuals indebted to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company, or any of its subsidiaries.

INTEREST OF CERTAIN PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the Company’s most recently completed financial year, no informed person of the Company, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries. An “informed person” means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Our authorized common share capital consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value.

The quorum for the transaction of business at a meeting of shareholders is two persons who are, or who are represented by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting.

The Plan shall be administered by the Board of Directors of the Corporation, or if appointed, by a special committee of directors appointed from time to time by the Board of Directors (the "Board"). The aggregate number of Common Shares which may be reserved for issuance under the Plan shall not exceed 10% of the Corporation's issued and outstanding Common Shares. The number of Common Shares subject to an option to a participant shall be determined by the Board, but no participant shall be granted an option which exceeds the maximum number of shares permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction. The exercise price of the Common Shares covered by each option shall be determined by the Board, provided however, that the exercise price shall not be less than the price permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction. The maximum length any option shall be ten (10) years from the date the option is granted, provided that participant's options expire ninety (90) days after a participant ceases to act for the Corporation, subject to extension at the discretion of the Board, except upon the death of a participant, in

Unless otherwise directed, it is the intention of the Management Designees to vote proxies in favour of the resolution re-approving the Plan. In order to be effective, an ordinary resolution requires approval of a majority of the votes cast by shareholders who vote in respect to the resolution.

6. OTHER BUSINESS

While there is no other business other than that business mentioned in the Notice of Meeting to be presented for action by the shareholders at the Meeting, **it is intended that the proxies hereby solicited will be exercised upon any other matters and proposals that may properly come before the Meeting or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.**

Stock Option Plan

The Company has a stock option plan ("Option Plan") in place which provides for the issuance of stock options (an "Option") to acquire, at any time, up to a maximum of 10% of the Company's issued and outstanding Common Shares, including previously granted stock options. The Option Plan is considered a "rolling" stock option plan as the number of Common Shares reserved under the Option Plan increases with the number of the Company's issued and outstanding Common Shares.

The purpose of the Option Plan is to provide certain directors, officers and key employees of, and certain other persons who provide services to, the Company and its subsidiaries (the "Optionees") with an opportunity to purchase the Company's Common Shares and benefit from any appreciation in the value of the Company's Common Shares. This will provide an increased incentive for these individuals to contribute to the future success and prosperity of the Company, thus enhancing the value of the Common Shares for the benefit of all the shareholders and increasing the ability of the Company and its subsidiaries to attract and retain skilled and motivated individuals in the service of the Company. Under the Option Plan, an option must be exercised within a period of five years from the date of grant.

Within this five year period, the Company's Board may determine the period during which an option may be exercised. Any amendment to the Option Plan may require shareholder approval. If ratification of the Plan or a modified version thereof is not obtained, the Company will not proceed to grant options under the Plan.

The following is a summary of the principal terms of the Option Plan:

Eligible Participants: The Option Plan provides that stock options may be granted to the Company's directors, officers, employees and consultants (and those of its subsidiaries).

Shares Available for Issuance: The Option Plan is considered a "rolling" stock option plan, as the number of shares available for issue under the Option Plan increases with the number of the Company's issued and outstanding shares. The maximum number of Common Shares that may be issuable under the Option Plan is a number equal to 10% of the number of issued and outstanding Common Shares on a non-diluted basis at any time. The Option Plan is also considered an "evergreen" stock option plan as when an option expires or otherwise terminates for any reason without having been exercised in full, the number of common shares reserved for issuance under that expired or terminated stock option again become available for the purposes of the Option Plan. Any stock option outstanding when the Option Plan is terminated will remain in effect until such option is exercised or it expires.

Limitations on the Grant of Options: The Option Plan provides that it is solely within the discretion of the Board to determine who should receive stock options, in what amounts and for what term, subject to the following conditions:

- (a) The maximum number of Options which may be granted to any one director, officer, employee in any 12 month period shall be 5% of the Company's issued and outstanding Common Shares unless the Company has obtained disinterested shareholder approval, if required by the regulatory rules;
- (b) If required by the regulatory rules, disinterested shareholder approval is required to the grant to Insiders, within a 12 month period, of a number of Options which, when added to the number of outstanding stock options granted to Insiders within the previous 12 months, exceed 10% of the issued shares;
- (c) The expiry date of an Option shall be no later than the tenth anniversary of the grant date of such option;
- (d) The maximum number of Options which may be granted to any one consultant within a 12-month period must not exceed 2% of the Company's issued and outstanding Common Shares; and
- (e) The maximum number of Options which may be granted within any 12 month period to employees or consultants engaged in investor relations activities must not exceed 1% of the Company's issued and outstanding Common Shares and such options must vest in stages over 12 months with no more than 25% of the options vesting in any three month period.

Exercise Price: The price at which an Option holder may purchase a Common Share upon the exercise of a stock option will be as set out in the option certificate issued in respect of the option and in any event will not be less than the market price of the Common Shares as of the date of the grant of the stock option (the "Award Date"). The market price of the Common Shares for a particular Award Date will typically be the closing trading price of the Company's Common Shares on the day immediately preceding the Award Date. In no case will a stock option be exercisable at a price less than the minimum prescribed by the CSE or the applicable regulatory authorities that would apply to the award of the stock option in question.

Expiration or Termination: Under the Option Plan, a stock option will expire immediately in the event an employee ceases to be an employee of the Company as a result of termination for cause. In the event an employee ceases to be an employee as a result of resignation or termination without cause, a stock option will expire 30 days after the end of an employee's notice period or at such other date as determined by the Board. In addition, a stock option will expire, unless otherwise determined by the Board, 30 days after: (i) a director ceases to be a director; and (ii) the expiration of a service provider's contract. In the event of the death of an option holder, the expiry date shall be the first anniversary of the option holder's date of death.

Vesting: Stock options granted to directors, officers, employees or service providers will vest as determined by the Board. In the event of a change of control, all options outstanding will vest immediately and be exercisable.

Amendments to the Plan: The Board of Directors of the Company may amend any existing Option or the Option Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) Materially decrease the rights or benefits accruing to an Option Holder; or
- (b) Materially increase the obligations of an Option Holder;

Then unless otherwise excepted out by a provision of the Option Plan, the board of Directors must also obtain the written consent of the Option Holder in question to such amendment. If at the time the exercise price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced exercise price until the reduction in exercise price has been approved by disinterested shareholders of the Company, if required by the CSE.

As of the date of this Circular, there are 9,029,557 stock options issued and outstanding under the Option Plan (91.2% of the issued and outstanding share capital).

A copy of the Option Plan is available under the Company's profile on SEDAR at www.sedar.com, or from the Company upon request.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICE

The Board of Directors is committed to ensuring that the Company identifies and implements effective corporate governance practices, which are both in the interest of its shareholders and contributes to effective and efficient decision making.

The Company's approach to significant issues of corporate governance is designed to ensure that the business and affairs of the Company are effectively managed to enhance shareholder value. Management has been able to draw assistance from individual directors as well as seek advice from the Board of Directors as a whole, when circumstances require.

In accordance with National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (the "**Disclosure Instrument**") and National Policy 58-201 – *Corporate Governance Guidelines* (the "**Guidelines**") the Company is required to disclose, on an annual basis, its approach to corporate governance. In addition, the Company is subject to National Instrument 52-110 – *Audit Committees ("NI 52-110")*, which prescribes certain requirements in relation to audit committees and defines the meaning of independence with respect to directors. These reflect current regulatory guidelines of the Canadian Securities Administrators.

The Company has established its own corporate governance practices in light of these guidelines, as set forth below. In certain cases, the Company's practices will comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

The Company's corporate governance practices have not been extensively developed. The Board will continue to review with management the corporate governance practices of the Company to ensure that they are sound practices for effective and efficient decision making.

Board of Directors and Directorships

The Board of Directors is responsible for the governance of the Company. It establishes the overall policies and standards of the Company. The Board of Directors meets on a regularly scheduled basis. In addition to these meetings the directors are kept informed of operations through regular reports and analyses by, and discussions with, management.

The Board of Directors of the Company is currently comprised of four directors, all of whom are proposed to be nominated for election as set out in the table on pages 5 and 6 of this Circular.

National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) defines an “independent” director as one who has no direct or indirect “material relationship” with the Company. A “material relationship” is defined as a relationship that could, in the view of the Company’s Board of Directors, reasonably be expected to interfere with the exercise of a director’s independent judgement. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

Applying the definition set out in NI 52-110, two of the three members of the Board are independent. The persons who are independent are Manfred von Nostitz and Lew Turnquist. Trevor Doerksen is not independent by virtue of the fact that he is an executive officer of the Company.

The Board meets quarterly, as necessary when operations warrant, and following an annual meeting of shareholders of the Company. In carrying out its responsibilities, the Board requires management of the Company to prepare and submit budgets and programs for approval of the Board. These budgets and programs, and any updates, are to be reviewed at the Board’s quarterly meetings.

The Directors of the Company do not serve as directors of any other reporting issuers or reporting issuer equivalent(s).

Orientation and Continuing Education

Upon election or appointment of new directors, the Company will provide new directors with an information package of the Company, including, among other things, its policies, procedures and disclosures. Generally, the Company expects that the board members have a familiarity with its business. Professional advisors may be invited to attend Board meetings, as needed. The Company also relies on the relatively straightforward nature of its business and the established qualifications and expertise of its board members.

Ethical Business Conduct

The Board of Directors have not adopted a written Code of Conduct however, the Audit Committee Audit Committee is to assist the Board in fulfilling its oversight responsibilities with respect to: the financial reporting process and the quality, transparency and integrity of the financial statements and other related public disclosures; internal controls over financial reporting; compliance with legal and regulatory requirements relevant to the financial statements and financial reporting; ensuring that there is an appropriate standard of corporate conduct for senior financial personnel and employees including, if necessary, adopting a corporate code of ethics; the external auditors’ qualifications and independence; and the performance of the internal audit function and the external auditor. The Issuer has adopted a Charter of the Audit Committee of the Board of Directors.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of a company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, if a director of a company also serves as a director or officer of another company engaged in similar business activities to the first company, that director must comply with the conflict of interest provisions of the BCBCA, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgement in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors that evoke such a conflict.

The Audit Committee will monitor compliance by receiving reports from management as to any actual or alleged violations, as appropriate. In accordance with the provisions of the Code and applicable corporate law, any director or executive officer who holds a material interest in a proposed transaction or agreement involving the Company will be required to disclose that interest to the Audit Committee and abstain from voting on approval of such transactions as appropriate.

Nomination of Directors & Assessments

Potential candidates for appointment to the Board will be considered by the entire Board of Directors of the Company. The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees or individual directors. Members of the Board and representatives of the industry are consulted for possible candidates. With respect to the Board as a whole, the Board will monitor its performance on an ongoing basis and as part of that process, consider the overall performance of the Company and input from its shareholders. The Board as a whole is responsible for assessing its effectiveness, its members and each committee in consultation with the chair of the Board and the chair of each committee.

 - (b) Powers and responsibilities; and
 - (c) Performance.
2. The Committee shall report and make recommendations to the Board with respect to the foregoing, as appropriate.

3. The Committee shall inquire into any accounting adjustments that were noted or proposed by the outside auditors but were "passed" as immaterial or otherwise.
 4. The Committee shall inquire as to any matters that were referred to the outside auditors' national office relating to accounting policies and/or financial statement disclosure within the Company's financial statements and to the extent deemed appropriate, requires an opportunity to address such issues directly with a representative of such national office.

The Committee shall consider whether the provision of non-audit services is compatible with maintaining the outside auditors' independence, including, but not limited to, the nature and scope of the specific non-audit services to be performed and whether the audit process would require the outside auditors to review any advice rendered by the outside auditors in connection with the provision of non-audit services.
 7. INCENTIVE STOCK OPTION PLAN

ePlay Digital Inc.

ARTICLE 1
PURPOSE OF PLAN

1.1 The purpose of this stock option plan (the "**Plan**") of **ePlay Digital Inc.** (the "**Corporation**"), a corporation incorporated under the *Business Corporations Act* (British Columbia), is to advance the interests of the Corporation by encouraging the directors, employees and consultants of the Corporation and of its subsidiaries or affiliates, if any, by providing them with the opportunity, through options, to acquire Class A common shares in the share capital of the Corporation (the "**Shares**"), thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

ARTICLE 2
ADMINISTRATION OF PLAN

2.1 The Plan shall be administered by the board of directors of the Corporation or by a special committee of the directors appointed from time to time by the board of directors of the Corporation pursuant to rules of procedure fixed by the board of directors (such committee or, if no such committee is appointed, the board of directors of the Corporation is hereinafter referred to as the "**Board**"). A majority of the Board shall constitute a quorum and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously by consent in writing, shall be the acts of the directors.

2.2 Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all Optionees (as defined herein) under the Plan and on their legal personal representatives and beneficiaries.

2.3 Each option to purchase Shares (an "**Option**") granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the Optionee (as defined herein), in such form as the Board shall approve, and each such agreement shall recite that it is subject to the provisions of this Plan (each such agreement being an "**option agreement**").

ARTICLE 3
STOCK EXCHANGE RULES

3.1 All Options granted pursuant to this Plan shall be subject to rules and policies of the Canadian Securities Exchange (the "**Exchange**"), applicable corporate and securities laws, and rules and policies of any stock exchange or exchanges (other than the Exchange) on which the Shares may be listed on in the future, and any other regulatory body having jurisdiction hereinafter (collectively, "**Applicable Laws**").

ARTICLE 4
SHARES SUBJECT TO PLAN

4.1 Subject to adjustment as provided in Article 16 hereof, the Shares to be offered under the Plan shall consist of authorized but unissued Shares of the Corporation. The aggregate number of Shares issuable upon the exercise of all Options granted under the Plan shall not exceed 10% of the issued and outstanding Shares of the Corporation from time to time. If any Option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the Shares subject to such unexercised Option shall again be available for the purpose of this Plan.

**ARTICLE 5
MAINTENANCE OF SUFFICIENT CAPITAL**

5.1 Under the Plan, the maximum number of Common Shares which may be reserved for issuance shall be ten percent (10%) of the issued and outstanding Common Shares. Further, provided that disinterested shareholder approval has been obtained, it shall be permissible under the Plan to issue a number of shares to insiders upon the exercise of stock options, taken together with any outstanding options granted under any previous stock option plans or grants within a one year period that exceeds 10% of the outstanding listed shares (the "Additional Options") (provided that the number of outstanding options at any time does not exceed 10% of the issued shares);

5.2 If there is a change in the outstanding Common Shares by reason of any stock dividend or any recapitalization, amalgamation, subdivision, consolidation, combination or exchange of shares, or other corporate change, the Board shall make, subject to the prior approval of the relevant stock exchanges, appropriate substitution or adjustment in:

- the number or kind of shares or other securities reserved for issuance pursuant to the Plan, and
- the number and kind of shares subject to unexercised Options theretofore granted and in the options price of such shares;

provided, however, that no substitution or adjustment shall obligate the Company to issue or sell fractional shares. If the Company is reorganized, amalgamated with another corporation or consolidated, the Board shall make such provisions for the protection of the rights of Participants as the Board in its discretion deems appropriate.

**ARTICLE 6
ELIGIBILITY AND PARTICIPATION**

6.1 Directors, consultants and employees (and any other person that the Board wishes to grant stock options to) of the Corporation or any of its subsidiaries, and employees of a person or company which provides management services to the Corporation or any of its subsidiaries ("**Management Company Employee(s)**") shall be eligible for selection to participate in the Plan (collectively, the "**Optionees**" and individually, an "**Optionee**"). Subject to compliance with Applicable Laws, Optionees may elect to hold Options granted to them in an incorporated entity wholly-owned by them and such entity shall be bound by the Plan in the same manner as if the Options were held by the Optionee.

6.2 Subject to the terms hereof, the Board shall determine to whom Options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such Options shall be granted and vested, and the number of Shares to be subject to each option.

6.3 The Corporation represents that, in the event that the Corporation wishes to grant Options under the Plan to any director, employee, consultant, or Management Company Employees, it will only grant such Options to Optionees who are bona fide directors, employees, consultants, or Management Company Employees, as the case may be.

6.4 An Optionee who has been granted an Option may, if such Optionee is otherwise eligible, and if permitted under Applicable Laws, be granted an additional Option or Options if the Board shall so determine.

**ARTICLE 7
EXERCISE PRICE**

- 7.1
- (a) The Board shall establish the option price at the time each Option is granted, which shall not be less than the discounted Market Price as calculated and defined in accordance with the policies of the TSX Venture Exchange.
 - (b) The option price shall be subject to adjustment in accordance with the provisions of Section 5.2 hereof.
 - (c) A minimum exercise price cannot be established unless the options are allocated to an Eligible Person.

**ARTICLE 8
NUMBER OF OPTIONED SHARES**

8.1

- (a) The number of Shares subject to an option granted to any one Optionee shall be determined by the Board, but no one Optionee shall be granted an Option which exceeds the maximum number permitted by the Exchange.
- (b) No single Optionee may be granted Options to purchase a number of Shares equaling more than 5% of the issued Shares of the Corporation in any twelve-month period, unless the Corporation meets requirements under Applicable Laws including applicable Exchange requirements.
- (c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Shares of the Corporation in any twelve-month period to any one consultant of the Corporation (or any of its subsidiaries).
- (d) Options shall not be granted if the exercise thereof would result in the issuance of more than 1% of the issued Shares of the Corporation in any twelve-month period to employees conducting Investor Relations Activities (as such term is defined in the policies of the Exchange). Options granted to persons performing Investor Relations Activities will contain vesting provisions such that vesting occurs over at least twelve months with no more than ¼ of the Options vesting in any three-month period.

**ARTICLE 9
DURATION OF OPTION**

9.1 Each Option and all rights thereunder shall be expressed to expire on the date set out in the option agreement for each Optionee and shall be subject to earlier termination as provided in Articles 11 and 12 hereof, provided that in no circumstances shall the duration of an Option exceed the maximum term permitted by the Exchange. For greater certainty, if the Corporation is listed on the Exchange, the maximum term may not exceed five (5) years from the date of grant.

**ARTICLE 10
OPTION PERIOD, CONSIDERATION AND PAYMENT**

10.1

- (a) The Option period shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the Option period shall be reduced with respect to any Option as provided in Articles 11 and 12 covering cessation as a director, consultant, employee, or Management Company Employee of the Corporation or any of its subsidiaries or death of the Optionee.
- (b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist.
- (c) Subject to any vesting restrictions imposed by the Board, Options may be exercised in whole or in part at any time and from time to time during the Option period.
- (d) Except as set forth in Articles 11 and 12, no Option may be exercised unless the Optionee is at the time of such exercise a director, consultant, or employee of the Corporation or any of its subsidiaries or a Management Company Employee of the Corporation or any of its subsidiaries.
- (e) The exercise of any Option will be contingent upon receipt by the Corporation at its head office of a written notice of exercise, addressed to the chief financial officer of the Corporation, specifying the number of Shares with respect to which the Option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the Option is exercised. Certificates for such Shares shall be issued and delivered to the Optionee within a reasonable time following the receipt of such notice and payment. Neither the Optionee nor his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares of the Corporation unless and until the certificates for the Shares issuable pursuant to Options under the Plan are issued to him or them under the terms of the Plan and the related option agreement.

(f) Notwithstanding any of the provisions contained in this Plan or in any option agreement, any and all obligations of the Corporation whatsoever to issue Shares to an Optionee pursuant to the exercise of an Option and/or this Plan shall at all times be subject to:

- (i) completion of such registration or other qualification of such Shares, and obtaining approval of such governmental authority as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
- (ii) the Corporation being satisfied that the issuance of such Shares shall not (whether with notice or the passage of time or both) breach, violate or be contrary to any of its constating documents, partnership agreements, applicable laws, regulations, stock exchange rules and policies, and other agreements to which it is a party;
- (iii) the admission of such Shares to listing on any stock exchange on which the Shares may then be listed; and
- (iv) the receipt from the Optionee of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Corporation or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction and Applicable Laws.

In connection therewith, the Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on any stock exchange on which the Shares are then listed.

ARTICLE 11 CEASING TO BE A DIRECTOR, OFFICER, CONSULTANT OR EMPLOYEE

11.1 Subject to Section 11.2, if an Optionee ceases to be a director, employee, consultant, or Management Company Employee of the Corporation or any of its subsidiaries as a result of having been dismissed from any such position for cause, all unexercised Option rights of that Optionee under the Plan shall immediately become terminated and shall lapse, notwithstanding the original term of the Option granted to such Optionee under the Plan and under that Optionee's option agreement.

11.2 If an Optionee ceases to be either a director, employee, consultant, or Management Company Employee of the Corporation or any of its subsidiaries for any reason other than as a result of having been dismissed for cause as provided in Section 11.1 or as a result of the Optionee's death, such Optionee shall have the right for a period of ninety (90) days (or until the normal expiry date of the Option rights of such Optionee if earlier) from the date of ceasing to be either a director, employee, consultant, or Management Company Employee to exercise his Option under the Plan to the extent that the Optionee was entitled to exercise it on the date of ceasing to be either a director, employee, consultant, or Management Company Employee. Upon the expiration of such ninety (90) day period all unexercised Option rights of that Optionee shall immediately become terminated and shall lapse, notwithstanding the original term of the Option granted to such Optionee under the Plan and under that Optionee's option agreement.

11.3 If an Optionee engaged in providing Investor Relations Activities to the Corporation ceases to be employed in providing such Investor Relations Activities, such Optionee shall have the right for a period of thirty (30) days (or until the normal expiry date of the Option rights of such Optionee if earlier) from the date of ceasing to provide such Investor Relations Activities to exercise his Option under the Plan to the extent that the Optionee was entitled to exercise it on the date of ceasing to provide such Investor Relations Activities. Upon the expiration of such thirty (30) day period (or the normal expiry date of the Option rights, as applicable) all unexercised Option rights of that Optionee shall immediately become terminated and shall lapse, notwithstanding the original term of the Option granted to such Optionee under the Plan and under that Optionee's option agreement.

11.4 Nothing contained in the Plan, nor in any Option granted pursuant to the Plan in an option agreement, shall as such confer upon any Optionee any right with respect to continuance as a director, consultant, employee, or Management Company Employee of the Corporation or of any of its subsidiaries.

11.5 Options granted to an individual who is a director, employee, consultant, or Management Company Employee of the Corporation shall not be affected by any change of employment of that individual where the change immediately results in the individual becoming a director, employee, consultant, or Management Company Employee of the Corporation.

**ARTICLE 12
DEATH OF OPTIONEE**

12.1 In the event of the death of any Optionee, the legal representatives of the deceased Optionee shall have the right for a period of one year (or until the normal expiry date of the Option rights of such Optionee if earlier) from the date of death of the deceased Optionee to exercise the deceased Optionee's Option under the Plan and pursuant to such Optionee's option agreement to the extent that it was exercisable on the date of death. Upon the expiration of such period all unexercised Option rights of the deceased Optionee shall immediately become terminated and shall lapse, notwithstanding the original term of the Option granted to the deceased Optionee under the Plan and option agreement.

**ARTICLE 13
RIGHTS OF OPTIONEE**

13.1 No person entitled to exercise any Option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until certificates representing such Shares shall have been issued and delivered by the Corporation to such person or such person's representative, as applicable.

**ARTICLE 14
HOLD PERIOD**

14.1 If required by Applicable Laws or by the Exchange any Shares issued upon the exercise of an Option shall be subject to a hold period, and may not be traded for a period of four (4) months plus a day from the date of grant (and/or any other applicable hold period(s)).

**ARTICLE 15
PROCEEDS FROM SALE OF SHARES**

15.1 The proceeds from the sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

**ARTICLE 16
ADJUSTMENTS**

16.1 If the outstanding Shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision, or consolidation, or other similar transaction, an appropriate and proportionate adjustment shall be made by the Board in its discretion in the number or kind of Shares optioned and the exercise price per Share, as regards previously granted and unexercised Options or portions thereof, and as regards Options which may be granted subsequent to any such change in the Corporation's capital.

Adjustments under this Article shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional shares shall be required to be issued under the Plan on any such adjustment.

16.2 Upon the liquidation or dissolution of the Corporation, the Plan shall terminate, and any Options granted hereunder shall terminate. In the event of a re-organization, merger or consolidation of the Corporation with one or more corporations as a result of which the Corporation is not the surviving corporation, or upon the sale of substantially all of the property or more than eighty (80%) percent of the then outstanding Shares of the Corporation to another corporation (a "**Change of Control**") all Options granted which have not yet vested shall immediately vest without consideration as to time or any other vesting provision set forth in the Plan or stock option agreement governing such Options, provided that such vesting is not in violation of the then current policies of the Exchange, if applicable, and all Optionees then entitled to exercise Options then outstanding shall have the right at such time immediately prior to consummation of the Change of Control to exercise their Options to the full extent not theretofore exercised. Upon consummation of the Change of Control, the Plan shall terminate and any Options theretofore granted hereunder that remain unexercised upon termination shall also terminate.

ARTICLE 17
TRANSFERABILITY

17.1 All benefits, rights and Options accruing to any Optionee in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or to the extent, if any, permitted by the Exchange. During the lifetime of an Optionee any benefits, rights and Options may only be exercised by the Optionee.

ARTICLE 18
AMENDMENT AND TERMINATION OF PLAN

18.1 Subject to applicable approval of the Exchange, the Board may, at any time, suspend or terminate the Plan. Subject to applicable approval of the Exchange, the Board may also at any time amend or revise the terms of the Plan, provided that no such amendment or revision shall alter the terms of any Options theretofore granted under the Plan, unless allowed under and pursuant to Applicable Laws.

ARTICLE 19
NECESSARY APPROVALS

19.1 The ability of an Optionee to exercise Options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation and subject to Applicable Laws. If any Shares cannot be issued to any Optionee for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any Option exercise price paid to the Corporation will be returned to the Optionee.

ARTICLE 20
EFFECTIVE DATE OF PLAN

20.1 The Plan has been adopted by the Board subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

ARTICLE 21
INTERPRETATION

21.2 Nothing in this Plan or in any Option shall confer upon any director, employee, consultant, or Management Company Employee any right to continue in the employ of the Corporation or any of its subsidiaries or affect in any way the right of the Corporation or any of its subsidiaries to terminate his employment at any time. Nor shall anything in this Plan or in any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any of its subsidiaries to extend the employment of any Optionee beyond the time that he or she would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any of its subsidiaries or beyond the time at which he or she would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any of its subsidiaries.

21.3 Nothing in this Plan or any Option shall confer on any Optionee any right to continue providing ongoing services to the Corporation or any of its subsidiaries, or affect in any way the right of the Corporation or any of its subsidiaries to terminate his, her or its contract at any time. Nor shall anything in this Plan, any Option, or option agreement be deemed or construed as an agreement, or an expression of intent, on the part of the Corporation or any of its subsidiaries to extend the time for the performance of the ongoing services beyond the time specified in the contract with any such entity.
